“What Happened to TFI?”

Andres:

Hello, I'm Andres I joined the Family in 1974 and for some years I was working with audioactivated.net and more recently with

theaudiokey.com. This is John. He joined the Family in 1972 and has been a missionary in South America for many years. We are going to try to present to you one aspect of the reboot that we feel is monumental and has not been very clear for many people. We want to present what the Lord has to say in the Letters on the topic so that you can decide for yourself what will be your position on what happened. John, there were many changes as a result of the reboot. What do you have to say about those changes?

John:

The Reboot resulted in many great changes in the Family and change in itself is not bad if they are good

changes and the Family in its history has had many changes. David had taught us that a revolution has to have constant change or it is no longer a revolution. The reboot made it no longer necessary to live in communal homes for example and David had said that communal living was only a means to an end, not an end to itself so that could be seen as possibly a good change. Also there were almost no more rules on what we had to do and now Peter and Maria said that we all should seek the Lord as to what His will was for each of us. This also could be seen as a good thing as the Lord

prefers that we obey out of love and not out of fear of the consequences of disobeying the rules. You know, “For God’s sake follow God”. But one more change happened that could not in any way be seen as a good thing. That change was **the removal of nearly all the radical Word and truths that were unique to the Family, the Words of David.**

Andres: That change is what we are going to talk about in this video.

John:

The Words of David, God’s Word’s for today are quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of

soul and spirit, and of the joints and marrow, and are a discerners of the thoughts and intents of the heart.

Hebrews.4:12

So let's look at a few paragraphs from the letter "*Be true to the Revolution*" #3364 that clearly show that the unique Words that the Lord gave the Family are what made us what we were and that those Words should not have been removed.

First let's see what Dad said in prophecy:

This Family began as the Revolution for Jesus! We weren't church folks or namby-pamby spineless noodles for Jesus; we were radical, dropped-out revolutionaries who wanted to change the world for Jesus--and we still do! And you don't change the world by becoming just another church, just preaching Jesus and salvation.

The words the Lord has given us over the years are His words, and they're what make us the Family we are. In your efforts to make us look more presentable or attractive or to sort of modernize the Family, watch out that you don't weaken the structure. Remember

"Builders Beware!" When you start carrying out the bags of grain for some reason--any of our doctrines that you feel are maybe a little controversial, a bit too radical, inconvenient, things that need toning down or tossing out or whatever--then you're in trouble! Those words, those bags of grain, are what keep the building on its foundation--steady, stable, sturdy and strong! Builders beware!

"Be true to the Revolution" #3364:85,98

And then in the same letter Jesus said:

(Jesus speaking:) The deliberate hiding and denying of the radical doctrine is a compromise that must stop. This is exactly the kind of compromise that I hate, that which compromises and denies My Word!

The compromisers are those who think everything is fine with just the Bible and salvation. If everything were fine with just that, why would I still be talking today? If that

were all that is needed today, why would I have raised up David and Maria? Why would I have even created the Family if all that were needed were the same messages the churches give? It's ridiculous and is the epitome of compromise of the meat of the Word.

I do expect that (you) won't deny the radical Word, the truths

that are unique to the Family, or try to bury them or pretend they don't exist. Any way you cut it, that kind of compromise of the Word is wrong and cannot be tolerated.

Be true to the Revolution" #3364:65, 66,69

Also in that letter Maria commented about a brother who wrote to her:

What this person... is saying, is that we should just "*forget all that New Wine and just stick with the Bible,*" that we should just preach "*the simple Gospel of Jesus for the world as outlined in the Bible, as it was with us when the Family first started.*" That is clearly not what has made the Family what we are today. If you only want to witness the Bible, you should be in the churches! If you want things to be like they were in the

early days... and you're willing to downplay or forget 30 years of Letters since then, then you're in the wrong place! God help us! For Heaven's sake, think about it! Do you realize what you're saying?! You're wanting to gut the Family of everything that is unique to our message, and you might as well start building church buildings today, because that's what you're becoming! It's pitiful and upsetting! It's this watering down of the message and compromise through cover-up or deliberate denial that we cannot have in the

Family. Let's face it, the Family is not mainstream, and we never will be. I want to make it clear that the radical elements of the Family and the meat of the Word are not going to disappear.

Andres:

Unfortunately, with the reboot, Peter and Maria, did exactly what Maria said previously that they would never do. At the time of the reboot in 2010 Peter and Maria removed almost all of the Word that was unique to the Family. Maria confirmed it with what she said at the time in *"God's Words for Today-A Living Faith"*:

We will remove from our library dated material that no longer applies. (That means: all of the radical Words of David including all of the new weapons.) We're a new Family in many ways, and the Lord is asking us to let go of any aspects of the past that don't fit with the Family of today and the future.

John:

Maria also officially stated in the reboot document 24 that they would no longer refer to the Words of David as "the Word", showing

that they no longer believed that they were God's Words.

After much prayer and consideration, the Lord has shown Peter and me that... we should discontinue referring to Family writings as "the Word."

(Reboot 24 Word of God 1)

The Lord had said just the opposite 15 years before in Mama's Love Story:

(Prophecy:) ...My Word is spirit and life. And if ye build your house on anything but the solid rock foundation of My Word, it will be built on the sand and will collapse.

I say unto you, the Words of David are My Words, for they are the Words of God, and they are part of this solid rock foundation. All that ye do, ye must do on the foundation.

(Mama's Love Story! Part 4 #2995:90, 91, 102)

Andres:

The only explanation is that they no longer believe in the Words of David, the Words that are unique to the Family. I think the Letter "The Tree" sums it all up very well.

John: Yes, I agree! That Letter was definitely prophetic and it was fulfilled with the Reboot. Let's go over some paragraphs and see how well it describes what happened:

No tree in its right mind ever cuts off its own life!-- *Yet nearly every king it seems eventually comes to that point.* "Behold we indeed are the people!--Here we are! We've arrived! We've already grown and borne fruit, and behold we have arrived and no longer need the Sap! Let's get rid of it! It's now oozing out places where we don't want it, all sticky, a sticky problem causing sticky troubles."

...The tree can probably always find some ignorant wood-chopper that doesn't know any better to come and do it for him! Nearly all kings seem to do it sooner or later saying: "That's enough of this Sap!"

The kings themselves are the ones that are ignorant, not realizing that the sap is their own life! *By cutting off the Sap and killing His prophets they destroy their own life!--And their whole kingdom falls, like the tree!* They cut off the life-giving flow, the Sap's words that give life and health and beauty and nourishment and cause the branches to bear fruit. So that when the king finally persuades some stupid idiot to cut off that flow, he literally kills himself, the tree, the branches, the fruit, the people, the kingdom and all and then they've lost their excuse for existence!

Because without the sap there is no life, without the flow of the spirit there is no life. But the king always looks on the outward appearance and forgets what is at the heart, and he forgets that thin little growing layer just beneath the surface which gives the whole tree life and causes it to grow year by year, layer by layer.

(The Tree - CM# 0319:16, 18, 24, 25, 27-29)

Andres:

Maria also wrote in “*God’s Word for today – a living faith*”, a document from the Reboot:

We will be reviewing all the Letters from A to the present (over 3800 Letters) to evaluate which Letters continue to apply to the Family

*of today—
whether
in their
entirety,
in part, or
not at all.
We will
identify
the
writings
that
contain
relevant
counsel or
spiritual*

principles that are enduring, and that continue to be applicable to today. Any writings that are officially removed from circulation will no longer be considered writings of the Family International of today.

María - "God's Word for today - A Living Faith"

But seven years later, only a few scores of Dad's older letters and a few devotional-type prophecies have been put back on the Family website. **All the new weapons, the keys promises, the information about our spirit helpers, the demons who oppose us, the hundreds of promises about our shining future as Endtime leaders, and any other "strange truths" that would have been hard to swallow by the mainstream Christians, were all eliminated.**

John:

She also said:

This is not a “pubs purge,” however, and you are welcome to keep your current library. Most of you have... the InfoStore library, to refer to. If you don't, you are welcome to ask others to share their copies with you.

Maria – “God's Word for today – A Living Faith”

Andres:

Well, A few months after the reboot I offered on tfionline.com the Infostore to the members who didn't have it for about 6 months, but then someone from tfionline.com wrote me

that they were not going to allow me to offer the InfoStore on the site anymore, because they were on the way to publish new literature that would replace it.

So, to repeat it one more time, all of this clearly shows that **at the time of the reboot, Peter and Maria stopped believing in the Words of David and created a mainline church based only on the Bible.**

John:

So now let's see what the Lord says are the consequences of not believing in the Lords Words that are unique to the Family:

(Jesus speaking :) *The standard is this: All Family members should accept and believe the Word that is unique to the Family, otherwise they're not really Family members. If they don't accept and believe the Words that I have given you which are recorded in the Letters, then they could simply be members of any church. So belief in the Letters is the single defining qualification of Family membership at any level.*

It's necessary that I continue the purging of the Family of those who have lost faith, who have compromised to the point that they're no longer accepting the Words of David and Maria in the Letters.

Coming Persecution? – ML 3361:47, 50

Andres: In the Charter under “Responsibilities of Individual Members” and also in the Missionary Members Statutes and Fellow Members Statutes that were in effect before the reboot we find the following:

B. Believe that David was God's Endtime Prophet and that Maria is God's chosen and anointed successor, who has inherited David's mantle as God's Prophetess.

This was a requirement to be a member of the Family at any level.

And also in the letter, “Believing Prophecy” Dad said to Maria in prophecy:

“That is a fundamental belief of the Family, Honey: that I am David of the End, God's Endtime prophet, and you are my successor, Maria of the End, His Endtime prophetess, and you now wear my mantle. You have a double-anointing--the anointing of Maria and the anointing of David... That is the foundation of the Family, and those who cannot believe that shouldn't be in the Family.”

(Believing Prophecy – ML 3130:228)

John:

This is a fundamental belief and the foundation of the Family yet it is not in the document “Statement of Faith of the Family International” of the “new Family” after the reboot.

Well, we have just stated what the Lord and Dad have said in prophecy. I think these following paragraphs from the letter “What the Hell is Lethargy” make it very clear that when something isn’t right it is our responsibility to speak out against it:

(Jesus speaking:) When something goes against My Word, you should not let it pass, you should not be accepting, and you should not overlook it.

I've given you the Word and have blessed you abundantly with

much Word, way above and beyond what most people in this world have, and I hold you accountable for that. You should always be openly standing up for Me, for My Word, and for what you know is right. If something is against My Word, then it should be openly and fervently resisted. You should openly speak out against it. You should not accept it in any form or fashion.

If you don't speak up about your convictions when you need to, with love and prayerfulness and humility, but just try to "accept" whatever's happening that's against My Word, then you too are in the wrong.

(What the Hell is Lethargy? #3482:188,189,192)

Andres: So, we have presented to you what we believe has happened based on what the Word says. What is your decision? Do you want to follow the Lord and His Word, both the Bible and his Words for today, the Words of David ?

Let us close with a heartfelt prayer:

Dear Jesus, we thank you, for this discipline you have given us of having permitted that the Family, as we knew it, was eliminated with the Reboot 7

years ago. We ask you very humbly and desperately to please be merciful on us and forgive us for our sins of compromise and pride.

We ask You to resurrect the spiritual Family of David and to raise up the powerful and uncompromising disciples that You will need during the Great Tribulation.

Amen.

If you still don't have the Infostore on your computer, just write us: laclaveenaudio@gmail.com and we will gladly send it to you.

God bless you!
