# “What Happened to TFI?”

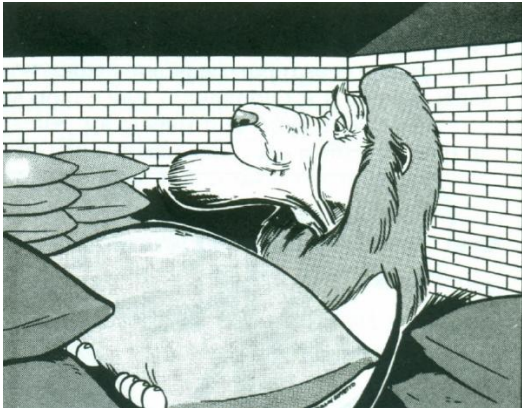

## Video 2

By theaudiokey.com Team – June 2018

**Andrés:**

Welcome to the second part of “*What happened to the Family*”. On the last video we spoke about the great change that happened in the Family in 2010 with the Reboot. To sum it

up, **Peter and Maria stopped receiving the new Wine, God’s Words for today, and did away with nearly all the letters contained in the Infostore.** The Family International then became a conventional church that only considers the Bible the Word of God. This video is going to try to answer the question: **“So what? Why is that so important?”**

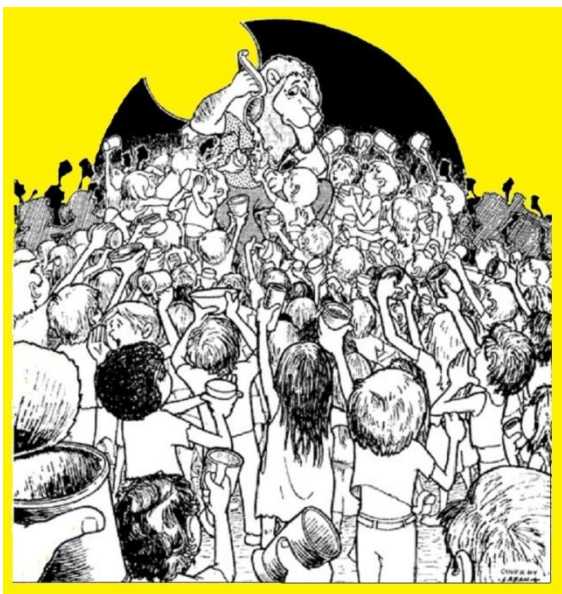

John, why don’t you get us started?

**John:**

OK, Andres, first, the Words of David were the foundation of the Family. When Peter and Maria stopped recognizing the divine authority of the Words of David they removed the foundation. Listen to these paragraphs:

(Dad speaking:) The Word is what I built this Family on. *The Word of the Lord is what brought this whole revolution together! I was nothing.* I didn't think I had what it took to be a great leader, teacher or prophet, and I didn't--I just followed the Lord! I gave His Word, come what may, and that was the foundation of this Family. And the foundation of the Family hasn't changed. We've changed and moved with the Spirit of God, but we've never taken away the foundation of *the Word, because that's what really keeps the whole house of the Family together.*

(1) *Issues, Part 5 #3322:81,83*

(Jesus speaking:) If you would have a strong foundation, you must read and believe and drink in and be cleansed by the Words of David. And I say this unto all: *Let the Words of David, the Words of God, the Words of My mouth, the Words of My Book be your standard! These Words are pure, they are life-giving waters!* They cleanse your spirit! They nourish your soul! They strengthen your minds and your hearts, and they draw you nigh unto Me.

(2) *Loving Jesus Part 2 #3025:76-78*

(Jesus speaking:) My Word is the solid rock foundation--My Words that are written and that are placed in the books that I have prepared for you, and in the Words of David.

I ask you to hold it high in your hearts and to not replace it, for this solid rock foundation is of utmost importance! Do not replace it or stray from it, for without this solid rock foundation, you shall go astray.

(3) *From Jesus with Love 2:1*

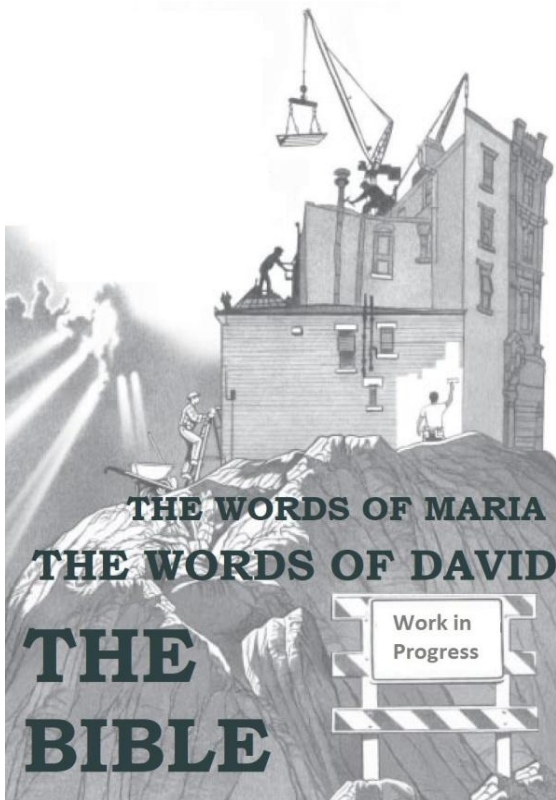

1. (Jesus speaking:) My Word is the solid rock foundation that I have given unto you, and that you stand upon, and that which your work and the house of David is built upon. That is what has made you strong, and this is not a call to change that.

(4) *Mama's Love Story! Part 4 #2995:102*

**John:**

The following prophecy from the Letter “Problems and Solutions part 2” makes it clear that *all the letters after Dad went to be with the Lord are a continuation of the Words of David.*

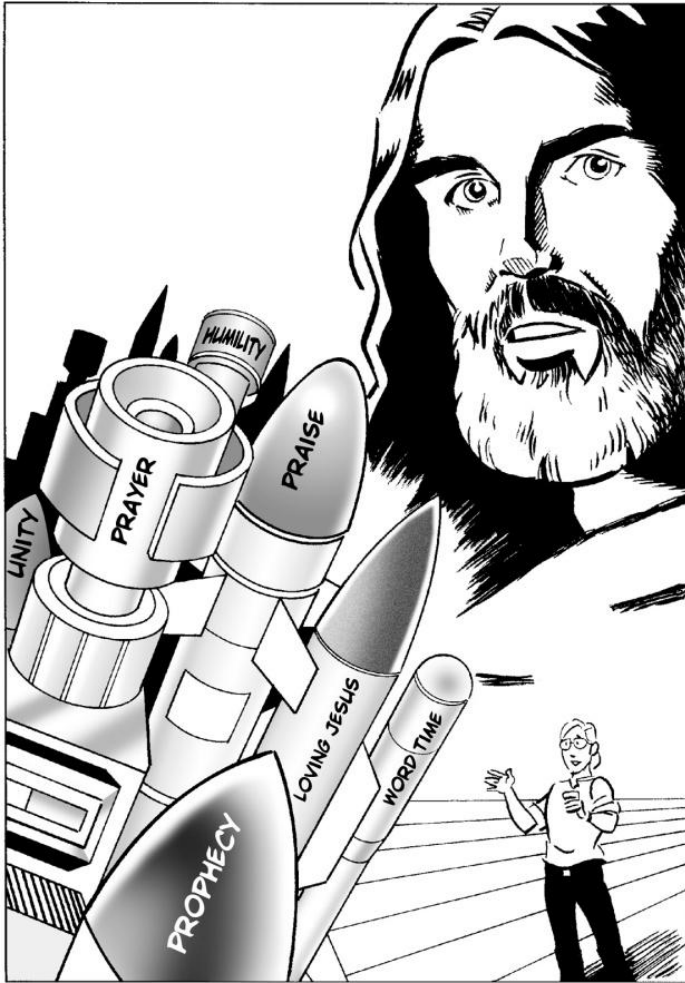

(Jesus speaking:) The house of Maria is but an extension of the house of David, the one built upon the other and being the same – a continuation, a growth, an adding of one upon the other, the foundation upon which the building is built. Precept upon precept, concept upon concept, building and building until the fullness of the house of the Lord is finished.

(5) *Problems and Solutions Part 2 #3070:128, 133*

**Andrés:**

Some might reason, “Well, the Words of David are gone but the Family International still has *the Bible, isn't that enough?*” The answer to that is that in the past the Bible was enough, but it's not now. Let me read a couple of paragraphs from The Mysterious Keys Part 1:

(Dad speaking:) When the Lord first gave His disciples power "over all the works of the Enemy," the Enemy was only using so much power against them. Since then, the Enemy has continued to broaden his base and sphere of influence and power in and over this world. It is his right, because this is his domain. But it also means that what was once sufficient against "all the power of the Enemy" is not sufficient anymore! You could call it spiritual inflation. The disciples could do more with less power in their day because the resisting power of the Enemy wasn't as great. Today the resisting power of the Enemy and his doubts and carnality are stronger

in the world, so the Lord needs to give us even greater faith and greater power to perform miracles today.

(6) *The Mysterious Keys Part 1 #3472:45*

(Jesus speaking:) Things have changed. Times have changed. As I've said many times, the ante has been upped on both sides in the spiritual war. While calling on My Name and standing on My promises from the Bible were enough for yesterday, they are not enough for today. This you will simply have to take by faith, realizing that I know best.

(7) *The Mysterious Keys Part 1 #3472:87*

Andrés:

Also, through the Words of David, the Lord gave us the new weapons which are crucial for us to have the power needed to be victorious in the Endtime as these paragraphs from “the Weakness Revolution Part 1”, explain:

(Jesus speaking:) The battle is intensifying, and you can no longer survive with only the primitive weapons of the past. But the battle is not lost, for I have upgraded the arsenal of weapons for My children for this very purpose.

The Enemy will pursue more persistently than ever. He will continue his attempt to get you to quit, to despise your birthright, to forsake your crown, and to defeat My plan and purpose in your life, and unless you master the

use of today's weaponry, you will not have the firepower to defeat him.

That's why it's vital to learn to use and become proficient in using these new weapons of the Spirit. For without them you will not be able to defeat the new and vicious onslaughts of the Enemy.

Those who think they can do without the new weapons, but who seek to preserve the traditions of the old, will find that they will no longer have the strength to hang on and stand strong against the mighty wave of evil that is washing over the world.

(8) *The Weakness Revolution Part 1 #3218A:63, 64, 68*

John:

So, to return to why the Words of David are so important, **the Words of David are what the Family was built on, what held the family together, and what made us strong.** The Lord asked us not to replace it or stray from it for without it we would go astray. So when Peter and Maria decided to stop acknowledging the divine authority of the Words of David, according to what the Lord and Dad had said, we could expect that the result would be that the Family would weaken, fall apart, and go astray.

Andrés:

You may say, “OK, so what if the Family was weakened, fell apart, and went astray. That has always happened to new religious movements so why is that so important? At least we lasted for more than forty years and many of us are old anyway so what’s the big deal?” What do you have to say about that, John?

John:

Let’s remember that the Family, or the Children of David, as the Lord calls us, was created in the context of the Endtime. The Lord needed revolutionary, dropped-out disciples for the special calling he had for us for

the Endtime. The Words of David were needed to create those disciples and as you have said Andres, the new weapons that those Words contained would give those disciples the power to do all that they would need to do in the Endtime. Let’s take a look at that special calling in these paragraphs:

(Jesus speaking:) I call you, My children of David, to true holiness-- to be endowed with My divine power in these days of the End. For I have

called you out, I have separated you from the world, that you might be vessels fitly joined for My use--to fulfill My will and My purpose in the Last Days. *You are a royal priesthood, a special people, a royal nation, called and chosen from the beginning to take the final stand for truth, to work the great works of Heaven, and to call down mighty miracles in these Last Days, such as the world has not seen since the beginning of time!*

I have set you apart from the beginning of time for this last great day. I have called you out of darkness *that you might live in My light, shining with My glory and splendor before all the world in the Time of the End.*

(9) Feast 2000 Consecration Ceremony #3269:31, 35, 36

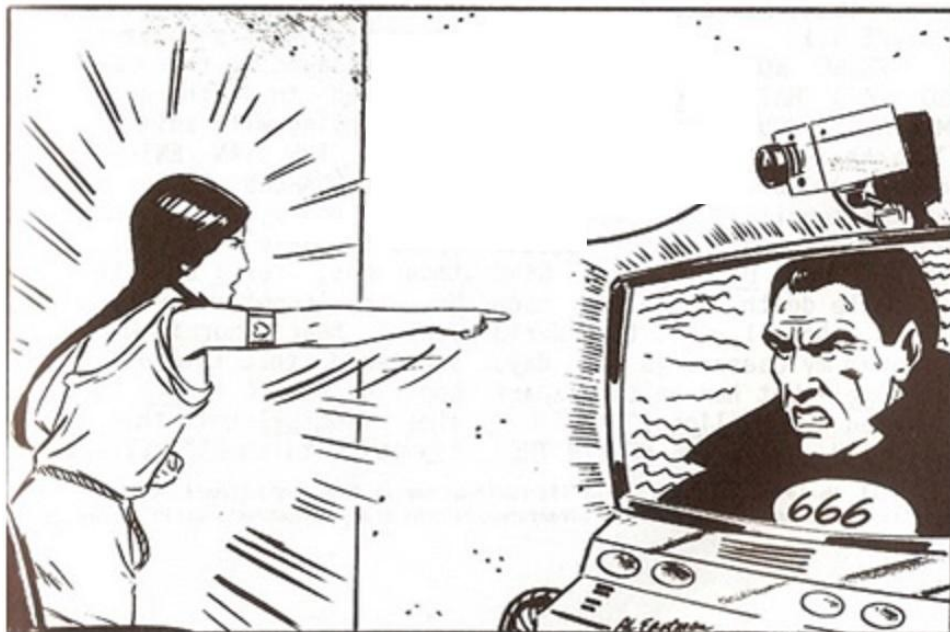

(Jesus speaking:) I've chosen you to be Endtime warriors, and now you will better understand the term "elite troops," especially when you see the anointing that will be upon you. Old things will pass away and *you will be new creatures in Me, soldiers of the End, separated and set aside for special use and a special calling as warriors of the faith.*

No one has had the anointing that I have reserved for you. This is a special time and a special place in the history of mankind. All that has happened before was only in preparation, leading up to this time. Both in Heaven and on Earth, men and spirits alike have looked forward to these days, to the end of time that is come upon you.

*I'm now bringing My Endtime Family out of the cocoon of their preparation to rise up and stand as witnesses in the midst of these wicked and perverse nations! They will have the anointing to shine with the light of*

the truth, to speak the words that I have given. My Family will be as a city set on a hill, whose light cannot be hid.

There are many great and powerful gifts that will cause people to see and know that a prophet has been amongst them. The miracles that you do and the words that you speak will be a fulfillment before their very eyes of all that has been said by My

prophets down through the centuries, and most of all through the words of David.

I want you to partake of My power. I want My power to become a part of you. With that power you will conquer the nations, the hearts of men.

Because of this power you will be a thorn in the Evil One's side. Though there will be only a few of you when compared with the multitudes of the world, you will be a power to be reckoned with. You'll certainly be feared by those who are "in the know," for they will see your power and they'll know of the source. They will tremble! And because they fear you they'll try to stop you, but they cannot! They cannot stop My power that is within you. So take up your commission and take up your anointing and take up the power that I am endowing you

with. [Go and do battle with the Evil One!](#)

(10) *The Era of Action Part 1 #3288:136, 137, 172-174, 176, 177*

(Jesus speaking:) [I call you now not only to stand as witnesses before the whole world, but to be the very ones to fight for their freedom, to challenge the Evil One himself, defying his claim to their souls.](#) For you are as Me upon the Earth. Your mission in life is only beginning; the reason I placed you on the Earth and chose you individually is beginning now.

(11) *More on the Keys! What the Future Holds, Part 5 #3359:82*

**Andrés:**

The terms “*called out*”, “*set apart*”, “*elite troops*”, and “*Endtime warriors*” that the Lord uses in these prophecies about our Endtime mission implies that the ones he is referring to are [revolutionary, dropped out, dedicated, disciples.](#) These paragraphs from the Letter “Are you a Disciple?” show that the Lord’s still needs us to be disciples.

(Jesus speaking:) In the early days of the Family, your movement was wild, hot, and radical! The hippies were eager to throw off the chains of conformity that bound them, and they embraced the wild life of a disciple. They had motivation to sacrifice, forsake all, and live for Me fully, because they were coming out of the System and into eternal life. They walked the walk and talked the talk of a disciple.

Times have now changed. The world is different and the talk and walk that were once accepted are no longer acceptable. [My Family has had to adjust](#)

and change and put on a new look in order to relate and minister to others. However, something else has changed that I'm not happy with, and this is the notion that many people have that today's discipleship standard is not the same as it was in the days when I formed My Endtime Family.

It is true that times have changed and that the war is a completely different one. The world is a completely different world to reach. But that does not change the discipleship standard--the code of Endtime Christians that I've called you to uphold.

The standard of discipleship is defined in the Bible. The Words of David

built on that definition, adding more explanation and application to the times you're now living in, but *the basics have not changed. The standard as I see it, as you*

*should see it, is the same.*

*Discipleship is discipleship! I require the same of the Family today as I did of the first disciples in the Family.*

*Raise the standard in your personal life! Don't let the spiritual standard slide! Don't let the dedication level remain where it is--make sure it's up to the top of the charts, fully hitting the mark and helping to propel you forward!*

The required level of dedication or conviction has not dropped any down through the ages. It remains the same--a high goal and standard to reach, but one that, when reached, can turn the world around and light the hearts of many, igniting a revolution!

Andrés:

As these quotes from Carry the Flame of Revolution show, we are also destined to carry the flame of Revolution:

(Jesus speaking:) You are destined to overcome the world, the Antichrist, and Satan himself. You are destined to shine as lights in the world's darkest days. You are destined to carry the fiery flame of truth and revolution until the world as you know it will end, and a new world is born. (13)

*Carry the Flame of Revolution!--Will You? #3663:103*

(Jesus speaking:) The torch in which burns the flame of My revolution is real, and it's priceless. In reality, it's the most prized element of your world. It's of far greater value than

you can even begin to see and imagine. You already know that it's precious, that it's worth preserving, and that *it's your role, your calling, your honor, and your duty to preserve and to carry the flame.* Yet you don't fully realize how valuable it is and how essential it is to Me, to the Family, and to mankind, that this flame lives on.

(14) *Carry The Flame Of Revolution!--Will You? #3663:96*

## Andrés:

The Family was a revolution from the beginning and the Lord caused many revolutions within the Family throughout our history. The following short prophecy from The Ride of Your Life will give an idea as to the importance of the flame of revolution:

(Jesus speaking:) You could be the best trained, most professional missionaries, *but without the Word in your hearts and the flame of revolution, you'd be no better than a churchy Bible school.*

(15) *The Ride of Your Life #3686:67*

## John:

We have answered the question of why was it so important that **Peter and Maria stopped acknowledging the divine authority of the Words of David and the flow of the “New Wine” was stopped** but we are left with a puzzle, a mystery.

On the one hand, the Lord needs the Children of David to do great things in the Endtime, and to have the power to do those great things we need to feed on the Words of David and practice wielding the new weapons and be radical, dropped-out, revolutionary disciples yet, on the other hand, *Peter and Maria, stopped the flow of the new Wine and stopped recognizing the divine authority of the Words of David* and in this manner converted the Family International into a conventional Christian church.

These two facts are totally contradictory. They don't make sense. The first thought that comes to my mind is: *“Did God make a mistake?”* Let's look at some paragraphs from that letter:

(Dad:) *To Hell with the proper way!... The proper way is of Man! The unexpected and the improper, the unconventional and untraditional, the unorthodox and unceremonious, contrary to man's natural expectation--this is the*

*way God usually works!* "For My thoughts are not your thoughts, neither are your ways My ways, saith the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts!"--Isa.55:8,9. Who can know the mind of the Lord, and who can show Him anything?

Who the Hell do you think you are, anyway, to tell God what to do and how to do it? God knows His business and it's none of your business how He does it!

So quit trying to tell Him how He ought to do it! Just trust God that He knows what He's doing! "*Trust in the Lord with all thine heart: and lean not unto thy own understanding. In all thy ways acknowledge Him, and He shall direct thy paths.*"--Prov.3:5,6.

God loves to do things contrary to the way we think He ought to do them! God doesn't make mistakes, and even the "foolishness of God is wiser than men."

(16) *Did God Make A Mistake? # 0035:13-15, 18, 46*

**John:**

So here is my idea of what happened. I could be wrong but I will present my case and you decide.

First, we are in a spiritual warfare and I believe that the Enemy hit Peter and Maria hard with doubts about the Words

of David and convinced them to stop acknowledging Their divine authority as the Word of God and then to cut off the flow of the New Wine from the Family. I think that the following paragraphs from the Letter “Crisis of Faith Part 1” paint a clear picture:

(Jesus speaking:) Satan trembles! He is striking at the very foundations of My Word, casting doubts on My sure Word in every way, because he knows better than any other of the mighty power you have in My Word. He knows that it is the only thing that can destroy him. Therefore he fights for his life. Satan is trying to cut off the power at the very source.

(17) *Crisis of Faith, More on Doubts Part 1 #3088:139*

(Jesus speaking:) This is Satan ‘s day, and he rules the Earth! He rules for a time, for he is loosed. And he argues in the great courtroom of Heaven. He presents his case, his cause. He is crying out, "Guilty! Guilty! These are guilty of doubts, guilty of treason! They fall to confusion! These children of David are guilty!"

He is quoting the law. He is pointing to the books. He presents his case. He is shouting, "Aha, aha, it is possible! The very elect can be deceived!" He is shouting, "See? See? I told you so! It is possible!" He is ranting and raving, attempting to sway the judge.

He opens the book and points to the law. He quotes, and says, "And

many shall fall. It says many shall fall. At last they are mine! I claim them as mine! I try them, I make them squirm! I twist and I wrangle, I finagle and contort their minds, and they do fall! They fall for it! Do you see? They are falling, they are falling! They swallow my tricks! They swallow my delights! They are falling by my spoil! I am spoiling them! Hee hee hee! At last, they are mine!"

Yes, even now this usurper is boasting in the courts of Heaven, for he thinks he has won! Even now he is twisting the law and presenting his case, as he shouts, "Yes! Yes, they are weak and they are mine. Oh yes, it is true-- they of understanding do faint in their minds. They fall for my lies, and they are spreading my seeds of doubt! They are spoiled! At last I am gaining ground!"

**John:**

I believe that **the Lord** permitted it as a test for us all to see who would be the followers of people and who would be the followers of the Words of **David**. I think these paragraphs from the Letter *“The Art of Dependence”* make it very clear:

**(Jesus speaking:)** I must prove who is worthy to be called part of My elite army, and who is worthy to be given the power and anointing promised to those who walk with Me into the end of days.

You are all being put to the test. How much do you really believe in *the new weapons? How much do you really believe that they are*

*your only hope, and your only salvation and means by which to defeat the Enemy?* How much do you really believe My Words poured forth through David and Maria and Peter? Only those who believe and truly live those Words will be left standing.

(19) *The Art of Dependence #3537:57, 55, 56*

**Andrés:**

Yes, John, I think that is very clear. This paragraph from the Letter *“Crisis of Faith Part 1”* was the Lord’s warning to all of us **not to doubt that he has giving us the New Wine in this final hour of the world’s history:**

(Jesus speaking:) Think not that I am not able to give fresh, new Word for today. *I am a living God, and I direct My children in these final days. Therefore doubt not My sure Word of prophecy, for I am not limited! Fall not for the subtleties of Satan. Fall not for his devious ways that would cause you to trip. Doubt not that I pour out New Wine and new direction in this final hour. For it is needed! It is needed to stem the tide of iniquity that is covering the Earth.*

(20) *Crisis of Faith, More on Doubts Part 1 #3088:160*

It might surprise you to hear that **long before the reboot** happened in the Letter *“Deliverance”* the Lord said that He would destroy the old structure of the Family and that he would create a new Endtime army from the ashes of the old:

(Jesus speaking:) *The old structure of (the Family) will no longer stand! I will completely destroy it* and build in its place a new creation! I will gather together you who will be My revolutionaries, who will walk through the gates of total commitment and dependence on Me, into the future where I will use you to reach the world, to shine brightly before all the Earth, to wield the keys as swords of

destruction against the Enemy in the Last Days.

*The old church, the old army, the old Family will be no more. But in its place will be a new church, a new army, a new Family that will be rebuilt*

from scratch with the building blocks of My truth and the radical Words of My Spirit that will set it apart from the world more than ever before, but that will also draw unto Me all of My lost and hungry children in the world who are seeking answers, who hate the System and its ways, and whose hearts are dying for true revolution.

Listen, and you'll hear the mighty rustlings of My great tree, as I purge it to bring forth more fruit. Listen, and you'll hear the footsteps of a mighty army that I'm preparing for the future-- not mighty in numbers, but mighty and strong in truth and in the power of My Spirit.

I'm raising up a new church, My children, from within your very midst.

(21) *Deliverance #3455:271, 278, 270*

**John:**

So it appears to me that the Lord let the Enemy think that he had won by burying the Words of David and by having Peter and Maria convert the Family International into a conventional church. Also, it appears that **the Lord used the Enemy to destroy the Family as we knew it and the Lord said that he would rebuild the Family from scratch with the building blocks of His Truth, the radical Words of His Spirit. Of course the Words of David still exist in the Infostore program** even though not many people still have it.

Listen to the Lord's call in that same letter for all those who would be a part of His new Endtime ecclesia:

(Jesus speaking:) I'm calling to you, My children, to be part of the glorious future, to be part of the small but powerful army that will sweep the

world and rock the nations, to be part of My new army that will win battles you've never dreamed of winning, to be part of an unconventional church that all the world will marvel at, saying, "These are the children

of Heaven! They hold great and terrible power in their hands, and treasure priceless truths in their hearts."

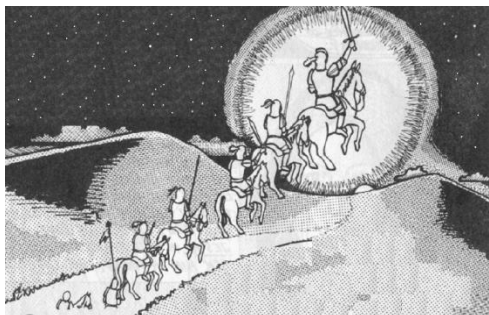

I'm calling you to be part of My new nation, My beautiful city of purity that will be set upon My hill, whose light will never be hid or destroyed-- because the light is Me, the light is My power, the light is My truth. I'm calling you who are willing to be despised by the world in order to be honored in My sight, you who are willing to choose the life of a revolutionary disciple, an iconoclast, a to-hell-with-the-System dropout. I'm calling you who only want My truth, My ways, My Word, My light, and My approval.

I'm calling for a simple army-- an army that to you will appear humble and meek, even bedraggled, grungy and weak, because then you will use the new

weapons, not the tactics of your own strength. I need an army who will

depend on My power, derive strength from My truth, and though small and weak in your own eyes and in the eyes of men, you will be mighty conquerors and valiant warriors in spirit.

The church I am building today is the body of believers that will reap the great and final harvest--you who will walk through the Tribulation as My leaders and miracle workers, you who will be the greatest threat to the Enemy and his plan, the most dangerous to his agenda, the ones at the very top of his "hit list," because he will fear you so much.

But he will not be able to touch or stop My anointed ones, My true church, My radical disciples--you who will have My truth running through your veins and pouring out like a gushing stream to all who come into your presence.

Be not as those who loved this present world more than the living Words from My lips, the radical truth that has been all but lost in the world today, but which I (will) pour directly and freely into you who give Me your all. It's you who are hungry babes in spirit that I need in My army. It's the you-can-take-this-whole-world-but-give-

me-nothing-but-Jesus disciples that I need in My ranks. It's you who don't give a second thought to the world and its ways, but devote all your time and energy to reading, studying, absorbing, and living My truth that will have what it takes.

Give Me your whole heart, your whole life, your everything, and in return you will be floored by what I will do for you. You'll never have imagined that a life lived in complete, 100%, revolutionary discipleship to Me

could be so good, so fulfilling, so rewarding, so complete!

I'm asking you to deny yourself, to take up this cross of challenge that looks like a heavy, cumbersome, old wooden cross of little worth. But as you humble yourself beneath it and use all your strength to rise up to carry your cross for Me, along with your brothers and sisters who choose the same, it will be transformed into a brilliant and powerful sword, representing My power, truth, Word, anointing, and the keys

of the Kingdom in these Last Days.

What you at first thought was a burden will be transformed into a weapon that will not only defeat the Enemy, but bring you great personal joy and fulfillment, free the captives that are ensnared, and cut through the brazen gates and daunting obstacles that stand in the way of progress--your personal progress, as well as the progress that will bring about My Kingdom on Earth.

Take the plunge! Accept the challenge! Choose to die to yourself and your own ideas and plans once and for all! Forsake the things that hold you back so that I can create in you a clean heart that will beat with My power. Wipe the slate of your life clean! Sign the blank sheet of your life and give it to Me. Burn the old and make way for the new--the beautiful, glorious, wonderful new--so that you can be a part of My Endtime ecclesia, My called-out ones, My constellation of stars that will shine brightly to pierce the eyes of the Evil One during his reign on Earth, and then be raised to shine as ensamples to all of Heaven forevermore.

I challenge you now to full and unflinching discipleship. Give Me your all! Allow Me to make you into the all-out disciples that I can use to create My new living church--the radical new-bottle church of the Time of the End! <sup>(22)</sup> *Deliverance #3455:273, 274, 277, 279, 280, 283-287*

**Andrés:**

So how will it happen? The Lord will have to do the miracle of raising up his radical, new bottled church of the Time of the End. I can see a ray of hope in this following prophecy from the Letter Woe:

(Jesus speaking:) The only thing that will bring order to this chaos, victory from this defeat, and cause this dying Phoenix to rise again from the ashes of defeat is *Me and My Word.*

(23) *Woe! #3448:223*

Let us close this second video with the same prayer from the first video:

Dear Jesus, we thank you, for this discipline you have given us of having permitted that the Family, as we knew it, was eliminated with the Reboot 8 years ago. We ask you very humbly and desperately to please be merciful on us and forgive us for our sins of

compromise and pride. We ask You to resurrect the spiritual Family of David and to raise up the powerful and uncompromising disciples that You will need during the Great Tribulation, amen.

If you don't have the Word contained in the Infostore, just contact us at [laclaveenaudio@gmail.com](mailto:laclaveenaudio@gmail.com) and we will send it to you. Also we have many new compilations that we can send you. We also can put you in contact with others that love the Words of David. But most important of all, "for God sake follow God!" Get His instructions and He will show you what you can do to once again be an on-fire, dedicated, revolutionary, disciple for Jesus.

We love you!
