THREE TROUBLOUS YEARS FOR THE WORLD

AND WE MUST WORK EVEN HARDER AND FASTER NOW, FOR THE LORD HAS SHOWN US THAT THE TIME IS EVEN SHORTER AND IT'S LATER THAN YOU THINK! *The storm is fast approaching which will sweep the world with three years of great trouble confusion, strife and famine! Like a dying candle, the Lord showed me the lights of the world are soon to flicker out and "there will be great darkness throughout the earth and there shall be great agony of soul which will grieve the heart of thy father!"* (Direct prophecy!) *"And there shall be great weeping and wailing and gnashing of teeth throughout the Earth!"* ⁽¹⁾

THERE'S GOING TO BE THREE BAD YEARS FOR TENERIFE, because *there's going to be three bad years for the whole world.* (Synica had told us of the prediction of a psychic woman that there would be these three bad years for Tenerife.)

HERE'S THE PICTURE THAT I HAD TODAY (MAY 11, 1974): I LOOKED LIKE MOSES with long hair and a long beard blowing in the wind, and I saw myself standing on a hill here talking to these people... I had a long flowing robe and looked just like these pictures you see of Moses. I was standing on a mound or hill with a raised staff in my hand and speaking to hundreds of people gathered below me.

APPARENTLY **GOD WAS GIVING ME A VISION OF WHAT'S GOING TO HAPPEN--or symbolic of what's going to happen.** Because it was like I was lifted up in the spirit into the heavenlies to observe what was happening.

THE WIND WAS REALLY BLOWING!--It was virtually howling! It was a big storm! But from my heavenly vantage point from which I was seeing the vision, *this same horrible storm was blowing all over the world!* Particularly as I was in the spirit looking Northward and I could see Europe,

THE STORM WAS BLOWING VERY BADLY IN EUROPE.--*I could see this horrible storm raging worse than a hurricane all over the world!* It was especially bad in

America, Europe, the Mideast and North Africa. I can't remember seeing China, India or Japan.

IT LOOKED LIKE HALF THE WHOLE EARTH WAS INVOLVED IN THIS ONE HUGE TERRIBLE HORRIBLE STORM! *This storm was absolutely raging! I've never seen or heard any storm like it with such a deafening roar!* The main storm was in North America, Europe and the Mideast.

BUT THOUGH THE STORM WAS NOT HERE IN TENERIFE, WE WERE GETTING VERY STRONG WINDS FROM IT. Even though the storm was in the distance, we were feeling these strong gusts of wind here. Now *the winds obviously must have been symbolic of worldwide war or trouble!* Because at the point I was praying, "Lord is this true, and why is it true that Tenerife is going to have three bad years?", He told me that not only Tenerife but *the whole world is going to have three bad years!*

THE MOMENT I BELIEVED THAT and I believed what the Lord showed me by faith, that not only Tenerife but the whole world is going to have three very bad years, **I got the picture! I was feeling terribly strong gusts, just like when you see a storm approaching.** (Mt.24:21.)

THE PEOPLE WERE FRIGHTENED, REALLY SCARED! They were coming running to me to know what to do, and I was telling them, "Don't worry, if you turn to the Lord and pray to God, God will take care of us!" The idea was that though the storm was bad and we might feel the effects of it, it was not going to destroy us if we'd pray and ask the Lord to take care of us. ⁽²⁾

THE SMOOTH, NICE AND ALMOST PERFECT NEW WORLD ORDER

I just had another very vivid dream--extremely realistic--and though I kept waking up remembering it clearly, each time I'd fall back to sleep, it would continue just as real as before, until after the last scene when I didn't want to go back to sleep any more because I didn't want to see any more and I didn't want to know what happened after that!

I don't know why **the Lord** would want to dwell on such an unhappy subject, except that *He's still trying to impress us with the urgency of immediate flight,* as it **was another ominous picture of what conditions will be like, evidently, in the**

future. Of course, there was nothing really new about it, **with its atmosphere of a dictatorial, regimented, totalitarian State** of which we have seen a number come and go before, and some which we still have with us in various countries of this present evil world.

BUT WHAT WAS NEW ABOUT IT, AND WITH WHICH I WAS IMPRESSED THROUGHOUT THE DREAM, WAS THE CLEVER SUBTLETY OF THIS NEW REGIME-- what smooth, suave, scientific and reasonable patriotic excuses it had for everything. It was all very logical and obviously supposed to be very good for you and good for everyone, good for the Country and even for the rest of the world. You were almost convinced yourself--into believing what they were doing was right and for the common good, and even necessary, so that you felt little or no resentment or resistance.

IT WAS ALMOST HYPNOTIC: You moved along as though in a trance, as though drugged or dreaming, unable to speak out, unable to contradict, and much less able to rebel against what was called "the Truth", although all the time you realised subconsciously that it was some kind of big, horrible, and monstrous lie, but you were afraid not to believe it. You were afraid of being branded seditious, unpatriotic, a disloyal citizen, and someone not concerned about the common good of the whole or of this deceptively, brotherly, paternal welfare state in whose names such crimes were committed, yet being made to appear as necessary for the good of all, so hardly anyone ever objected but docilely cooperated and followed the orders of the Regime like dazed zombies, or the robots of scientific fiction. It just wasn't "right" not to cooperate. It was the "right" thing to do to agree with its policies and assent to its programmes.

Apparently, we were all being made to conform to what they thought was "right" and were going to be taught the "Truth" according to their standards.

Now that under the new Regime everything was really compulsory, although veiled in a pretense of "voluntary" cooperation. Everything was so nice and peaceful, quiet and orderly, with the quietness of the old, the aged, and the grave, and the motto was "Law and Order" and "Peace and Safety" and the attitude was: "How could anyone object to such a lovely Government with such security?"-- When all the time you had this awful feeling of the horrors beneath the surface of this hypocritical exterior and wondered "Ah, Peace and Safety!--What crimes are being committed in thy name?"

Everything was under strict control. Now there was this benign parental attitude of "You must learn to love our System, my Dear, and we will teach you how!"- WHO'D THINK OF ARGUING WITH THE NEW, IMPROVED "SYSTEM" which had everything under such perfect control, just the way the older generation wanted it, with absolutely no disagreement and everything according to their liking. We their children, were now to be "reschooled" according to the established ideas of their perfect, glorious, and triumphant "System", with all dissident voices hushed and all opposition crushed. There would be no more of this student foolishness at "The School". It was now truly their "School", totally System and under the absolute, unchallenged control of our victorious, new, parental "Regime"--actually no different from the former, but now in absolute, dictatorial control and tolerating no difference of opinion. Everyone would, of course, now cooperate willingly, seeing the obvious wisdom of their elders, and force would only have to be used in the most extreme cases, because there were now such a minority of young people left that they no longer posed any threat to the victorious "System"!

"How clever! *If they can't get you to willingly cooperate, they provoke you to retaliate so they can pin legal charges on you that will do away with you all nice and legally so that no one can complain and everyone will agree that you got what you deserved! What perfection!* (**Are you ready to leave?--God help you!--Love--MO.**)⁽³⁾

PREPARE YOUR SURVIVAL FARM NOW!

YOU SAY, (ABOUT *THE SOON-COMING ECONOMIC CRASH*) "THAT SOUNDS LIKE A PRETTY DISMAL, BLACK PICTURE!" Yes, but you've got to know about it! **You can't let those big money boys outsmart you! You'd better be one jump ahead of them, by the help of God, knowing what they're planning to do!**

IT IS URGENT THAT YOU **MAKE SURE THAT YOU HAVE SOME KIND OF PLACE IN THE COUNTRY FOR YOURSELF & YOUR FAMILY**, because when the Crash happens the modern big cities will be in chaos, with riots & starvation! So **the time to buy some land is now--before the Crash makes your life's savings worthless!** A bank is the worst place to have your money when a Crash happens, so **invest in land & things of real value today!** *A farm* is the best place to buy. You'll also need to *buy a substantial number of seeds*, as well as to *stock your place well with dried & canned foods such as grains, rice, beans, flour & other basic necessities, tools & equipment!* And *make sure you have your own safe water supply, not dependent on electricity to pump it up.*

PERHAPS YOU CAN BUY IT TOGETHER WITH ANOTHER FAMILY OR TWO or, if you can't afford it, you could at least **be sure that your own house is stocked full of non-perishable foods & firewood as well as an adequate water supply for one or two months. It is far better to be ready months too soon than to be one day too late! Prepare now!**

SO BY ALL MEANS, PREPARE ALL YOU CAN, BUT MOST OF ALL TRUST THE LORD & DON'T WORRY! After all, the Lord & prayer are your best protection & your greatest security! With Jesus you're ready for anything!--Are you trusting Him? Do you personally know Him? You can! He loves you & will come into your life right now if you'll sincerely pray this simple prayer: "*Lord Jesus, please forgive me for all my sins. I believe that You are the Son of God & that You died for me. I now open the door of my heart & I ask You, Jesus, to please come in & give me Your free Gift of Eternal Life! Help me to love You & to love others by telling them about You & Your Love. In Jesus' name I pray. Amen.*" ⁽⁴⁾

Get better prepared for what's going to happen soon! **Get those farms and ranches ready** with *food, water, and animal transportation*, as well as *some independent forms of lighting, heating, and cooking!* Better *have some clothing stored up*, too, and these refuge Colonies should also *try to be prepared for a large influx of other refugees from elsewhere ... to gather the remnant of the Harvest which will turn to the Lord during this time.* ⁽⁵⁾

WHEN THE CITIES DIE!

WELL, WHEN THE TIME COMES THE LORD WILL TAKE CARE OF US as He sees fit: He'll either take care of us or take us, one of the other! So we've got it made, we've got nothing to worry about.

What they really fear is death itself! It's not the means of death, but they just fear dying--period! Because they're not prepared to die.

BUT ANYHOW, THE LORD WILL TAKE CARE OF US. Even all the whole city of Jericho fell except the part of the wall on which Rahab's house was standing. God destroyed the whole city and everybody in it except her and her little house--that was the only part of the wall that didn't fall! So why worry about it? If all the rest of the house falls and we're in bed, probably our beds will be the only things left standing!

SO THE LORD'S ABLE TO KEEP YOU, CHILDREN, NO MATTER WHERE YOU ARE! Even if you sleep right through the eye of the storm, He's able to keep you right in

the middle of it all! So you don't ever have to worry about it.--And if He decides He'd rather take you than take care of you, why you've got it made one way or the other, amen?

SO WHAT HAVE WE GOT TO WORRY ABOUT? "Take no thought for the morrow, what ye shall eat, or what ye shall wear, or what ye shall drink." **He doesn't mean that you're not to even make preparations, if possible, and try to prepare for tomorrow, but it means you're not to be worrying about it or anxious for tomorrow.**

I THINK IT'S A GOOD IDEA TO HAVE A FEW THINGS READY, a little survival food and survival water and so on.

SO WHEN IT HAPPENS, ***THE ONLY SAFE PLACE TO BE IS IN THE LORD, amen?*** Because all of man's inventions and creations are going to be destroyed. *The best place to be will be where God's creations are, the fields and the plants, the trees and the flowers, praise the Lord?* Thank You Jesus! Lord bless and keep us and give us wisdom.

DEATH IS THE EASY OUT. But we have to live that others may get ready to die, praise the Lord? Death is no great loss, it's all gain! Thank You Lord! So what do we have to worry about? Whether we live, or whether we die, we do it all unto the Lord, amen? Isn't that wonderful?...what a security system God's Kingdom has!

I MEAN, DEAD OR ALIVE YOU'RE SAFE! What can they do? They can't do any more than kill you, and when they do they only release you!--So praise God! Even if we have death we still live, praise the Lord?

AND WHAT MORE COULD WE HAVE TO LIVE FOR THAN TO HELP OTHER PEOPLE TO LIVE? God bless and keep you when the cities die!--And He will--if you love and obey Jesus! Amen. ⁽⁶⁾
