

THE LORD'S SUPERNATURAL PROTECTION

The Lord's Supernatural Protection

Book 8, Compilation #01 of TCOB pubs on the subject, by theaudiokey.com team - May 2020

(All prophecies are Jesus speaking unless otherwise indicated. Dad's writings in the Letters are prefixed by "Dad wrote:")

Prophecies received from Dad from heaven are prefixed by "Dad speaking:")

*"Safe in the arms of Jesus,
Safe on His gentle breast,
There by His Love o'er shaded,
Sweetly my soul shall rest.*

*Safe in the arms of Jesus,
Safe from all worry & care,
Safe from the World's tribulations,
Nothing can harm me there." (1)*

*"His eye is on the sparrow
and I know He watches me."
"Why should I be discouraged?
Why should the shadows come?
Why should my heart be lonely,
and long for Heaven and Home?
For Jesus is my portion,
unfailing Friend is He.
His eye is on the sparrow,
and I know He watches me."
"I see His hand of mercy.
I feel His loving care,
and just the time I need Him,
He's always near."*

(Dad speaking:) Isn't He always more than near? Isn't He an intimate Lover? Doesn't He hold you close? I know you feel it, because I felt His love too. It was different when I was there, but not that much different.

He really is the Lord over all, and when you need Him He is always, always there.

(2)

(Jesus speaking:) I do not wish for you, My precious brides, to fear. You have Me, you have your angelic forces protecting you, you have your guardian angels and spirit helpers. You have all the spiritual weapons I've given you, and all of this combined makes you much more powerful than the Enemy or anyone who is yielded to him. You have the upper hand in the spirit, and through My power you have the power to control any situation. I am all-powerful and I can and will protect My children, as I have in the past, as I do today, and as I will in the future, as the world continues to grow darker. I will always be there for you--you can count on it! ⁽³⁾

Take a look at nature and the passing of the seasons. When winter comes, it seems like all plant life is dying out and all that is left is a cold wind blowing and a gray sky. But life is still present, only hidden in the warmth of the earth while the cold passes over. You can do the same when trials and difficulties arise. Come snuggle close to Me, bury yourself in My love and warmth, and let the problems and hardships of the moment pass over you. I will be like the warm earth all around you, protecting you and keeping you from all harm. ⁽⁴⁾

World conditions are going to get worse, and things won't be easy. But because you're My Own, My Bride, My beloved ones, you will be cared for. You will be under the shadow of My wings, and you have no need of fear, for you will not want for any of your needs. Whether it be protection, power in the spirit, healing, or supernatural supply, I will be there for you, caring for you. ⁽⁵⁾

Have peace and faith regarding these matters. Remember, the Enemy would try to cause you to fear the future, to doubt My love and care, to wonder about My promises of protection. Fight him through praising Me in advance for My care and My protection, and then you will simply be able to say to him, as My servants of old did, "Our God, whom we serve, is able to deliver us, and He will deliver us! But even if He doesn't, we will not fear the future nor you, Satan, for we're sure of His love and we're certain of your doom! So beat it! Get out of here and quit bothering me, for I refuse to fear! I claim the keys of faith and trust and peace, and for you and your evil spirits, I claim the keys of imprisonment. The Lord rebuke thee and the key craft blast thee and the archangels smite thee, in the name of Jesus and by the power of the keys of the Kingdom!

Why worry? You're in My hands, and I love you and yours! ⁽⁶⁾

Though war should rise against you, yet will you not fear. Though thousands fall at your side, it will not harm one hair of your head, for My hand will be upon you. You are Mine, My brides, My darlings, and you have a place reserved in My seat, under the shadow of My protection, to watch these things come to pass. So let not your hearts be troubled, neither let them be afraid, for you have Me watching over you, even to the end of the world. I will be with you always. ⁽⁷⁾

Just as I supplied for the children of Israel as they wandered in the desert, so I am able to supply for you in today's modern world, and in great abundance!

Yes, the hearts of men grow cold and callous, yet I ask you to not be afraid, nor to look to circumstances. Did not the heart of Pharaoh also grow callous toward My children? Yet I did not fail to supply their every need, both their needs for food and clothing, as well as their need for protection and deliverance from the hand of Pharaoh. ⁽⁸⁾

Praise Me for all I've done so far and you'll be delighted to see the wonderful miracles that I have yet in store for you! You are My special loved one who I am tucking safely under My wing so that I might protect you from all the onslaughts and attacks that could otherwise befall you. Rest, My love, knowing that I have you tucked safely away and I will care for you as a hen cares for and protects her chicks. I love you, My sweet one!

When the Enemy comes in like a flood, I will lift up a standard against him. He has no power compared to Mine! I am a mighty Man of war and none can stand against Me! Fight on with the power of My Spirit and you will be victorious! Claim My power! Call out to Me and claim miracles in My Name, and I will do it! ⁽⁹⁾

Let My love envelop you like a warm blanket. Let the comfort of My presence shield you from the cold of night. Let Me impart to you the sweet assurance of My love and concern. I will wrap My protective covering around you and keep you snuggled in the tender caresses of My love.

I'm your security blanket that you can depend on to soothe your ruffled nerves and silence your fears. In Me you will find the quiet assurance that I'm going to take care of everything. You don't need to worry, because it's all in My hands. ⁽¹⁰⁾

You who are Mine have the assurance of knowing that you will never be alone. Even if all your loved ones were to pass away or leave you, even if all forms of visible help, comfort, or friendship were gone, you would always have Me with you. Though it's

not often that I manifest Myself visibly in the flesh and allow you to see, touch, or hear Me with your senses, I make My presence known. I provide for My children in dire straits; I give comfort and peace to the hearts of those who are weary and fainting; I make a way where there is no way--a way in the wilderness and rivers in the desert.

Who else can be such a Friend, such a reliable source of provision, protection, and security? Who else can be with you at all times, anywhere? Who else can stay up with you all night and never be tired? Who else could be with you if you were in solitary confinement in a prison? Who else can soothe and heal the aches and pains both of body and of spirit that you face? Medications and doctors cannot heal as I heal. Though they may temporarily relieve some of the symptoms and pain, I can heal the cause, remove the root, and alleviate the accompanying anguish of mind and heart that no doctor, psychologist, psychiatrist, friend, parent, or mate can.

When you're saved, you have direct personal access to the source of power that created the universe. You have the ability to hear the voice of God, as well as My ministering spirits and angels. You have the ability to call on us to provide protection from danger, or to be rescued from impossible situations. You have the ability to command Me, the God of Heaven, to work on your behalf. When you cry unto Me desperately and are in dire need, I answer and I deliver. ⁽¹¹⁾

(Dad wrote:) When people get upset and worried about things, we often say, "Don't worry about it!" Well, if anybody could say that to us, it's the Lord!--"Don't worry about it! You're My child and I'm going to take care of you no matter what happens!" ⁽¹²⁾

(Jeus speaking:) Does not the father of the household take care of the heavy burdens of the household and carry the weights of the household? Does he not supply the needs of the household? Does he not supply the protection of the household? And does he not decide the weighty matters? For he doth not ask the children to decide these things or to defend the house or to supply for the house, for he loves his children, and he wishes to supply for them and protect them and keep them. So it is with Me. So let Me be your Father. Let Me carry the burden. ⁽¹³⁾

(Dad wrote:) Do you know what a mother hen does with her little chicks whenever danger is near? She gathers them under her wings and covers and protects them there. Well, the Bible says that the Lord does the same thing with His children.--"He shall cover you, and under His wings you can trust. There you need not fear the terror by night, nor the destruction by day, for the Lord is your refuge and place of protection." (Psalm 91) ⁽¹⁴⁾

(Jeus speaking:) When you are weak, then I am strong. When you feel tired, weak, and forlorn, I am there, holding you, helping you, and loving you. My love for you goes from everlasting to everlasting, and it only grows with time; it never, ever diminishes.

So even though now you feel blown about with every wind, every emotion, and every wave that the Enemy sends crashing against you, fear not, neither be dismayed, because I love you and I'm keeping you safe, guarded and protected under My wings. There you will find rest; there you will never feel alone in your battle, alone in your worries, or alone in spirit or in the physical.

I care. When all else goes wrong, when you're tired of the fight, when you feel that tears are threatening to fall down your face, when you feel the Enemy pushing against your mind with doubt, fear, worries, guilt, or anything that he may be using on you--in that moment, I am there. ⁽¹⁵⁾

Your weapons are mighty and can move mountains in the spiritual, and they work just as well in the physical. Your weapon of prophecy can warn you and give you practical advice that will help you to avoid danger. Your weapons of prayer, the keys, and connection with spirit help will give you access to those that can directly affect circumstances in the physical. Your weapon of praise will keep you on My channel and can clear the surrounding area of demons and spirits given over to the Enemy. These things work, and they are more than a match for the puny assaults of Satan!

His attacks in the physical are nothing to Me, and they shouldn't be any source of worry or fear to you either. There's nothing to be afraid of, nothing to worry about; it's simply something to keep in mind, to remember that the Enemy is trying to get in and hurt you in this way, and that if you take some very simple, easy precautions, then you are covered by My promises, and can know that I'll either keep you totally safe, or will bring such wonderful good out of the situation that you'll be glad it happened. ⁽¹⁶⁾

(Dad wrote:) So why worry?--if you're the Lord's child, he will take care of you! His children who stay close to Him live in a charmed circle of His protection! It's like a special force-field that nothing can get through without His permission! Of course this doesn't mean that the Lord will never allow us to be harmed or tested, but He'll never allow us to have any insufferable harm or any unbearable damage, and He promises to always save us out of our troubles. "Many are the afflictions of the righteous, but the Lord delivers him out of them all!" (Ps.34:19)

If he doesn't deliver us any other way, he delivers us by death!--Because for the Christian, the one who loves the Lord, death is no problem!--It's our Homegoing to

Heaven, and you couldn't go to a better place than Heaven! Then all your worries will be over and you will have graduated from this life! He will either take care of you or He will take you, so you've got it made one way or the other! ⁽¹⁷⁾

He Gives His Wives Special Protection

(Jeus speaking:) As the days of the End draw closer, the strength that you gain from loving Me intimately will become more and more vital; so yes, I do call you to obey, for I love you and I wish to protect you as My Own wife and lover. This special protection and blessing which comes from loving Me intimately can only be given to you when you are My bride, My wife, My lover. ⁽¹⁸⁾

I have opened up this opportunity for you to be My intimate brides, and as such to enter into the protection of My intimate household, under My name and with the seal of My protection. ⁽¹⁹⁾

Loving Me intimately gives you the faith to run into My arms, to run into My embrace, and there find the strength and protection you need. If you were not intimate with Me, you might be tempted to merely run to My side. But when you rush into My arms, you are that much closer and you stir within Me that much more ire against the Devil. It's an entirely different story when he tries to attack you when you're in My arms as My Bride than when you're merely an associate. It's the difference between defending family and defending a business associate. Those of the world would generally go much further for family than they would for someone they merely worked with, right? So it is that when you run into My arms, I am moved with a powerful urge to destroy the Enemy. ⁽²⁰⁾

Do you believe that I love you? Do you have faith in My Love, in My care, in My provision, and in My protection? Do you believe that, as a most loving and caring and doting Husband, I would not leave My wife comfortless, without the utmost care, without her needs met, without guidance and direction, without the solutions to her problems, the grace for every situation?

Nay, I could not be such a Husband that would neglect the care of a wife so precious unto Him! For you are My precious one, My darling Bride, My yielded and obedient wife who seeks to do My slightest bidding, who loves Me with all of her heart and who lays down her life and body in service for Me, because of her great love for Me

and My children. Would I not care for her as My beloved? Would I not cherish her as the precious treasure she is unto Me? Would I not help her and deliver her from every evil thing and provide her every need and surround her with My Love? Yea, I will do all of these things, and more. ⁽²¹⁾

The Devil hates to hear your love words to Me; he hates the fact that I have chosen you as My bride; he hates the fact that I have endowed you with My inheritance and made you My heirs. Use this to your advantage. By being wed to Me you wield My power and authority; you can direct those under My command because I have given you that authority as My wife. ⁽²²⁾

I have offered you My hand and I have set a ring upon your finger, and promised you support and protection during the coming difficult days. But in order to receive the full protection I can give, you must enter into My intimate family and become one of My brides. I love you, and thus I have offered you this great honor, but it's up to you to accept it. ⁽²³⁾

So love Me, that you might partake of all these blessings. Allow Me to fully protect and care for you by coming into My household and being wed to Me, loving Me and giving yourself unto Me. I can only protect and care for My friends as much as they allow Me; but I can carefully guard and keep close by My sides My wives, who have given themselves to Me forever. ⁽²⁴⁾

We Have to Do Our Part

I want to open your eyes and alert you to the fact that the world is growing darker and more dangerous, and not just spiritually. It began in the spirit world, but the evil spirits that roam the Earth affect the physical too.

Now, more than ever, the Enemy walks about as a roaring lion, seeking whom he may devour in any way (1Pet.5:8). He's not lying off in the bush somewhere, waiting for you to pass by him. He's mad and he's actively hunting for you, looking for an open door, some way to harm your physical life, your spirit, or your possessions.

Of course you don't have to fear him or confine yourself to a fortress in order to be safe. I am still God and I'm still all-powerful. Those dark spirits cannot go beyond the bounds that I have set for them. And you are My loves and My servants. I will protect you as you go about My work, wherever that takes you.

But you do have to be vigilant and watchful. You do have to be on guard and make use of My power in order to be safe. You do have to know that the Enemy is about, and that you're on his territory and at war, so in order to stay safe and protected, you need to do your part: physically to an extent, and spiritually most of all. ⁽²⁵⁾

(Dad wrote:) The Lord protects us pretty well, thank the Lord. But we need to do our part and use a little common sense. Do what you can to get the situation under control, and whatever you can't get under control, the Lord has to get under control. That's where you have to trust the Lord, that He'll take care of His Own. But He expects you to do what you can towards trying to take care of yourself. He doesn't always do everything for us. You have to give Him your cooperation and do what you can. ⁽²⁶⁾

(Dad speaking:) The Enemy is just waiting to see who he can catch off guard. As I've said time and time again, don't you be his next meal! Stay under the shadow of the Lord's protection by praying without ceasing, and also by watching and remaining vigilant. ⁽²⁷⁾

(Jeus speaking:) You should be ever aware that as the days grow darker, the Enemy's power in this world grows stronger. Thus when you're out on his territory or involved in anything that would open the door to danger, whether out of necessity or out of desire, you must call upon Me for My help, and pause and listen for any counsel or instruction I would give you. I desire to protect you, for I need you! ⁽²⁸⁾

(Dad wrote:) The promise is that He will protect you, you'll abide under His shadow of protection, the shadow of the Almighty, God's shadow, but what's the condition you have to meet? What do you have to do? It's like a contract! Every promise has conditions. A promise is like a contract. God says, "Now if you'll do so-and-so, I'll do so-and-so!" What's His condition? What does He say He will do for you? You'll abide under the shadow of the Almighty.--Providing you do what? If you dwell in the secret place of the Most High. That's a condition!

You can't go running around out in the World amongst the Devil and his people and being worldly and doing all the bad things they do and forgetting all about God and running out from under His protection, you can't claim His protection then, can you? So you've got to dwell in the secret place of the Most High, you've got to stay close to the Lord. ⁽²⁹⁾

(Jeus speaking:) Think about the following verse for a minute: "The name of the Lord is a strong tower: the righteous runneth into it, and is safe" (Proverbs 18:10).

You know that I'm all-powerful and fully capable of protecting you, whether or not you run to Me, your strong tower. I can send legions of angels to protect you no matter what you're doing or where you are. So why bother with the "runneth into it" part? Would it be better for Me to run to you and place My strong tower over you at opportune moments?

Perhaps the verse could have read like this: "The Lord God is a strong shield that automatically protects the righteous wherever they go." But that's not how the verse reads, so obviously it's of some importance that you run to Me, that you actually make an effort to be in the right position to receive My protection.

When you're in My will, you have greater faith for the spiritual battles. When you know that your actions are a direct result of My counsel, it strengthens your heart and boosts your morale. Praying and seeking Me for My will in all situations is the best way to prepare for spiritual battles.

In My will is where you'll see miracles and find unearthly strength. It's where you want to be when the going gets rough and the battles get tough. ⁽³⁰⁾

But most of all, and I will say it again, you must know that I will protect you, for you are My child. I will especially be able to protect you as long as you are within My will. What is My will? It's wherever I've shown you personally to be, and whatever I've shown you to do. It's a place close to Me, where you're communicating with Me before you go here or there, and you're tuning in to My checks. This, My dear ones, is the shadow of My wings, and they are an impenetrable shield. ⁽³¹⁾

(Dad speaking:) You've always got to be tuned in to your Heavenly Protection Source--the Lord! If you are, then you have nothing to worry about. If you're alert and tuned in and have your antenna pointed up so that you're receiving His signals, checks and warnings, then you're going to be okay. You don't have to fear or be worried, because the Lord is more than able to take care of His children. So don't let the Enemy come in and afflict you with fear or with worry. Yes, you're at war, but you're on the winning side! Praise the Lord! ⁽³²⁾

(Dad wrote:) Keep our hand in Yours, Lord, because You know exactly which way to lead us and preserve us during these troubling times. They're troubling times, Lord, nevertheless times in which You can even more greatly show Your power, protection, provision and blessing and usefulness as we follow You, because You know what's best.

Help us to look to You for guidance, Lord, in everything, to give thanks and follow You and Your Will, because You know what's best. ⁽³³⁾

(Jeus speaking:) The Enemy is My sheep dog or hatchet man. That's his job. He does the bad stuff. But for you, My children, nothing happens that I don't directly allow, or which I'm sometimes forced to allow because you've stepped outside the boundaries of My protection. Sometimes I engineer the circumstances because there's a certain result I want to bring about in your life--but it's the Enemy that creates the actual test or difficulty.

You do not want to stray from the circle of My highest will and lose My blessings, My protection, so it's natural to want to be sure if the battles you're experiencing are a result of direct attacks of the Enemy on your life, or if I'm allowing it because you're off track and I want to bring you back into the center of My highest will for you. ⁽³⁴⁾

The strength of My protection and spiritual force field comes from the choices you make to yield, to sacrifice, to give, to love, to forsake your pride and your independence, to live the One Wife vision, to care for others as you would yourself, to humble yourself before Me and your Family. The choices which strip you of your spiritual force field and disarm My protection in your life are those choices of selfishness, pride, withholding, covering up, dishonesty, laziness in spirit, jealousy, a hunger for the world and its material goods, a lack of fearing Me, straying from the counsel of My Word, mocking My messengers or My voice in living prophecy, and seeking for your own gain and comfort. ⁽³⁵⁾

Having a clean heart is imperative if you want to have your spiritual line of defense strong and solid against the Enemy's attacks. Otherwise, he can use whatever has been held in your heart to condemn you. In those moments when you need to know that I understand and that I'm there for you, he'll use any unconfessed sin to drive a wedge between us. In the moments when you need to know that I have forgiven you, he'll condemn you with the remembrance that you haven't yet confessed, and so can't really receive My forgiveness. When you need to believe in the love of your brothers and sisters and mates, he'll remind you that there's something you haven't confessed, and he'll try to convince you that if they found out, they probably wouldn't love you anymore.

Unconfessed sin destroys your faith. In destroying your faith, it destroys your force field of spiritual protection. So having a clean heart before Me is a prerequisite for strengthening your spiritual walls of defense. ⁽³⁶⁾

All that I've asked of you is doable: Read the Word and apply it and obey it; memorize and use the keys; praise and pray; ask Me everything; do the humble thing by confessing your faults and asking for united prayer; get to know and avail yourself of the help of your spirit helpers. All of that is doable. Not one thing is beyond the reach of any one of you. If you are doing these things, then you will remain securely under the shadow of My wings and protection, safe from all harm. Even if you come face to face with the Devil, you have the wherewithal to defeat him. He is only allowed to do serious damage when you stray outside of My protection by disobeying--not just by a blunder of the mind, but knowingly disobeying. ⁽³⁷⁾

Although the Enemy can influence circumstances and make things difficult for you, you have My full insurance plan if you choose to use it. And that is, as long as you're close to Me, doing your part in the spiritual and physical, and invoking the power of your spiritual weapons, you are protected. Either his attacks will bounce off harmlessly, or they will be deflected and only allowed to touch you as much as I know is needful, or in some cases I'll allow something to get through because I want to bring a much greater victory out of it, greater good. That's the confidence and assurance that you can have in Me. ⁽³⁸⁾

So expect miracles! Expect to see My power around you! Expect to see Me protect you! Call out to Me for protection. As My children who give your lives to Me--your 100%, total dedication--part of your reward for your service to Me is My protection that goes with you wherever you go! It's like riding in an armored car. It's like wearing bulletproof vests and having bodyguards with you 24 hours a day--complete police protection!

So trust Me for the days ahead, for the protection that you will need and for the faith that you will need to command this protection, to command My Spirit to work for you that you might lean on the Spirit and not on the arm of the flesh. This is an important key to the victories of the future--to learn now to look toward Heaven, to look toward Me and My Spirit, to look to the miraculous and the supernatural, and less and less to the arm of the flesh. ⁽³⁹⁾

(Dad wrote:) Thank You for Thy protection, Lord!--Protecting us in spite of all the Enemy may try to do. "Except the Lord keep the city, the watchman waketh but in vain."--Psa.127:1. We know You'll continue to keep us if we continue to do what's right and we obey.

Thank You that You're always watching us, You never take Your eye off of us lest we get in trouble! Thank You Jesus! You keep us out of all kinds of trouble. Thank the Lord! The only trouble You ever let us get into, Lord, is usually what we deserve. If after several warnings we insist on going our own way and not obeying, being careless or prayerless, You let something happen just to teach us a lesson. But Lord, help this not to happen too often.

Help each one of us to stay close to You, Jesus, in the center of Thy Will. Then we know we're in the center of Thy protection and provision and blessing and usefulness, and we have no problems, nothing to worry about. We can trust You utterly by faith because we know we're being obedient and doing Thy Will. And that's all we can do, Lord, the rest is up to You.

We have to trust You a great deal to do what we can't do. We can't do everything, but You can. But we can do our part, Lord, and our best, and cooperate with Thee and not be careless or unmindful, unwatchful, unprayerful. So help us, Lord, to do what we can, in Jesus' name. ⁽⁴⁰⁾

(Dad speaking:) Oh, Jesus, help Your children to put their trust in You! Keep them in Your mighty hands, Lord. Help them not to stray from Your protection, but to stay within the safe haven of Your walls through fervent prayer and desperately seeking You for Your will. Jesus, I've seen Your power firsthand, and I know You will not fail to protect and preserve this Family. It's Your work, Lord. It's Your doing, and we praise You that You're going to keep it going strong right till the very End. Hallelujah! Amen? ⁽⁴¹⁾
