Color the Picture

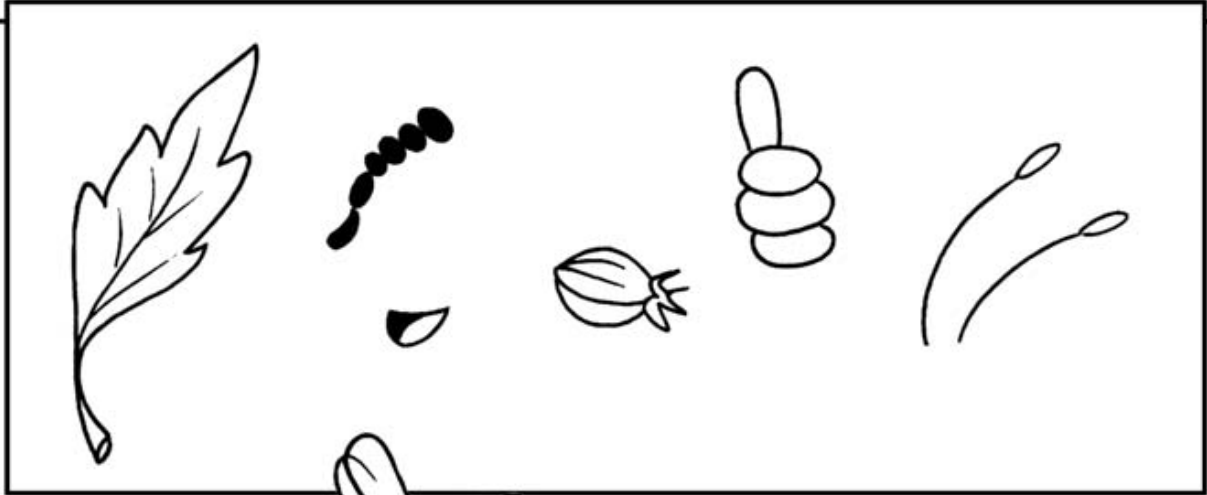

Drudy
Dragonfly
and her
friends.

Find the Shapes

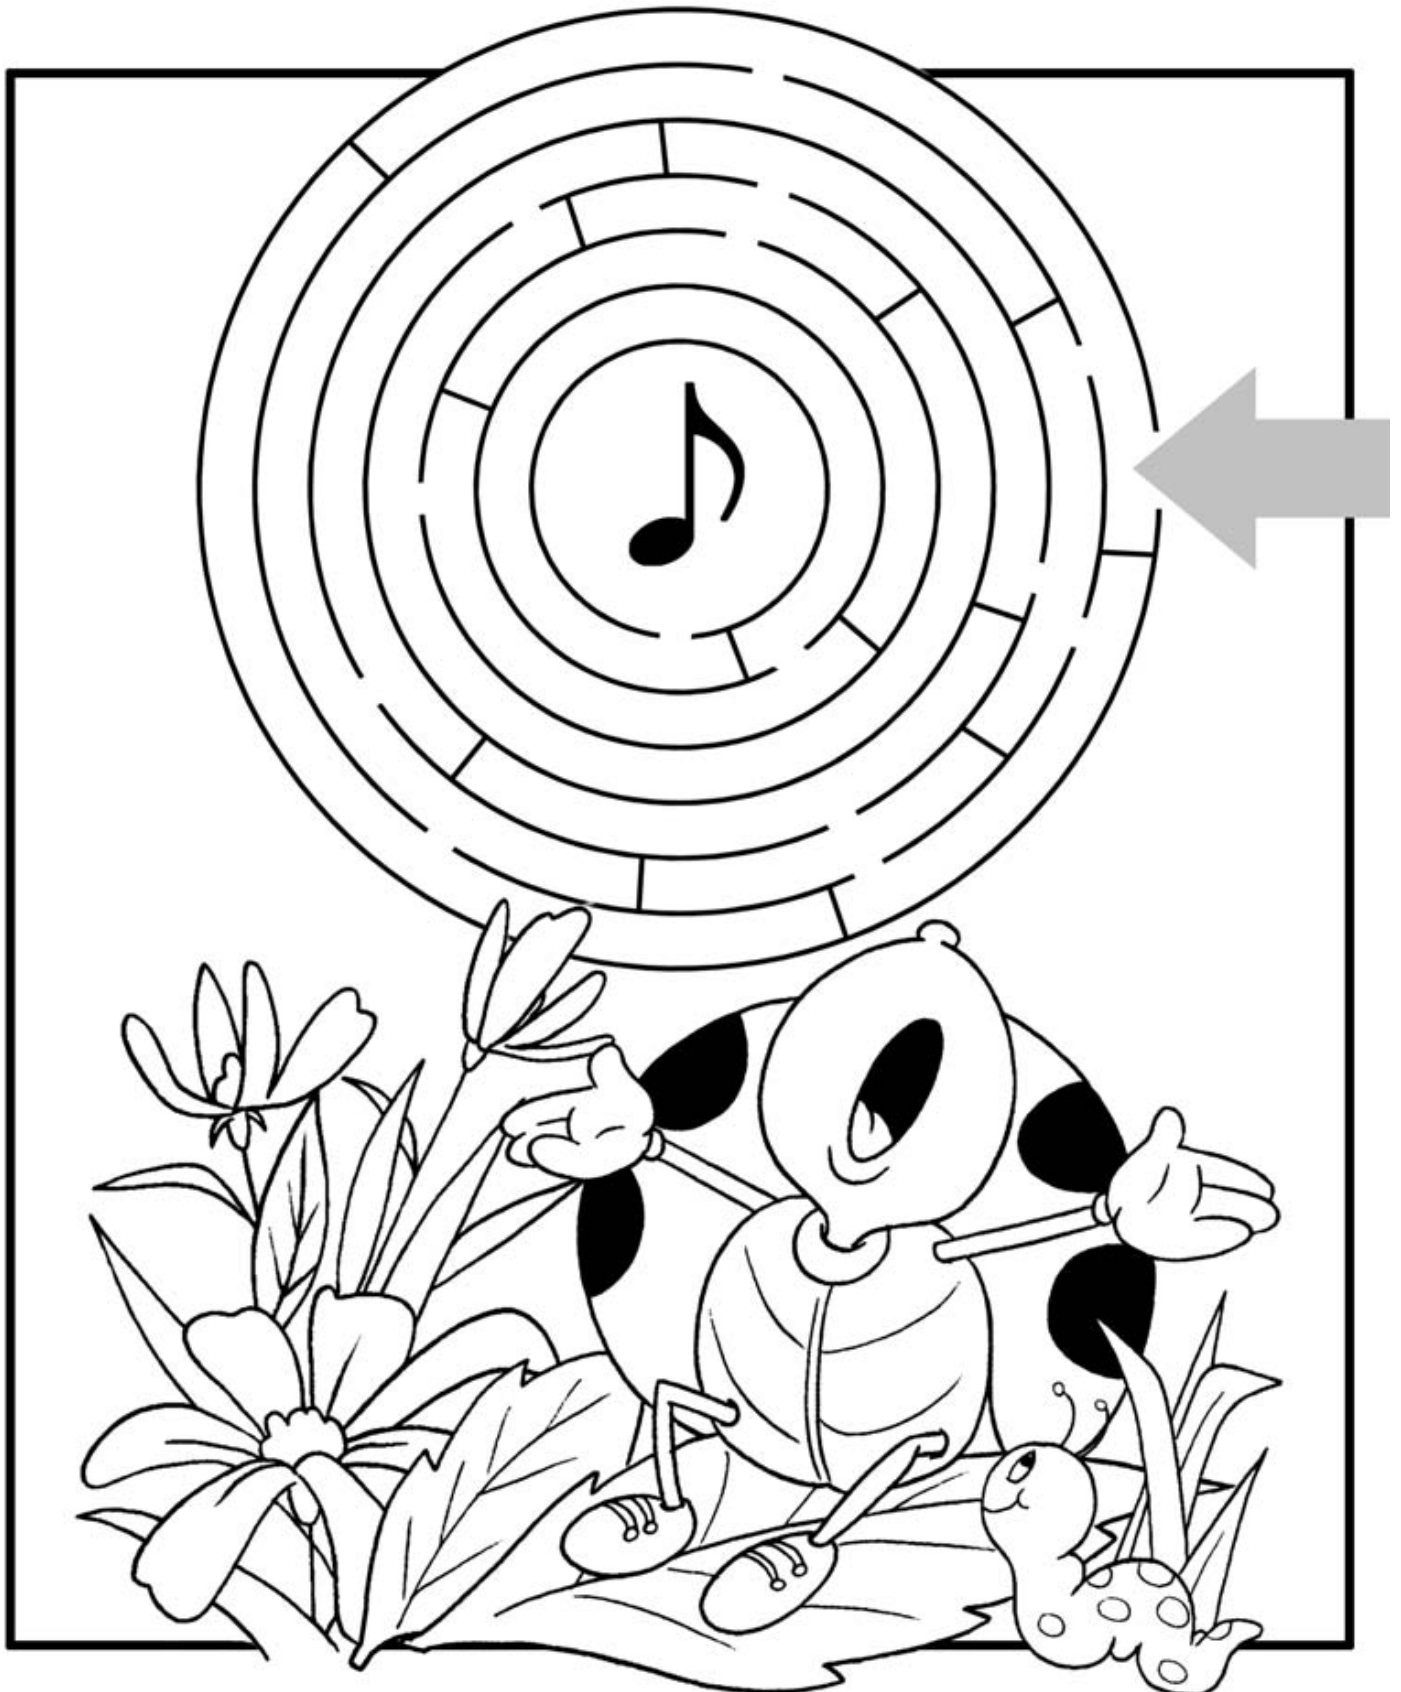

Draw a line from the shapes in the box to the same shapes in the picture.

Through the Maze

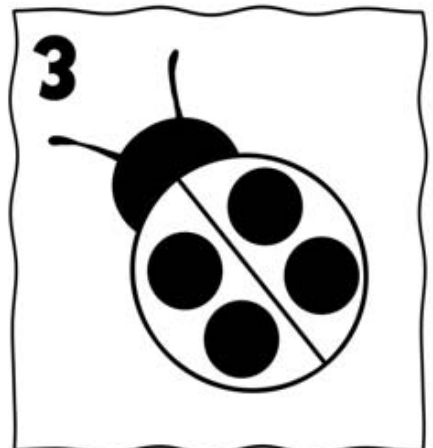

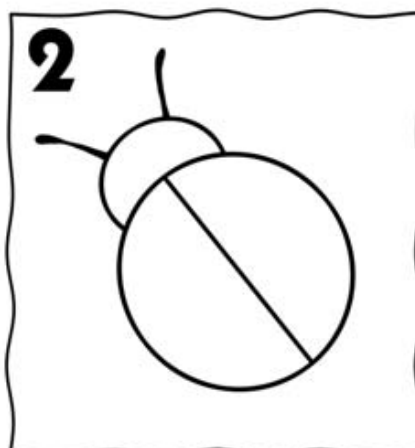

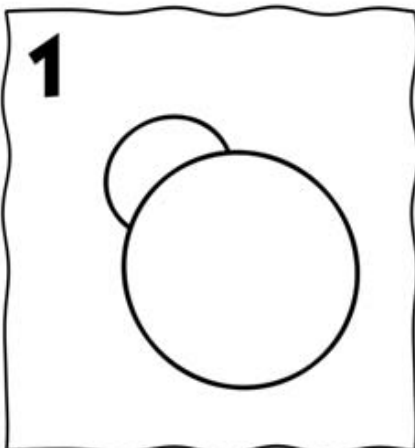

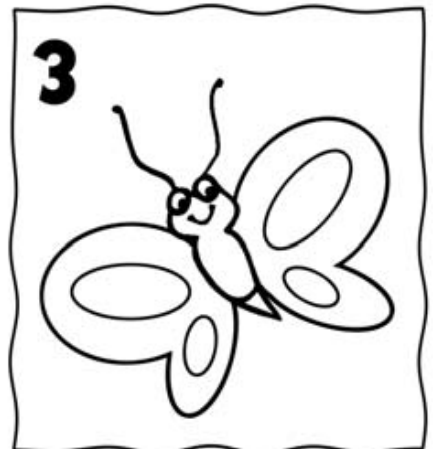

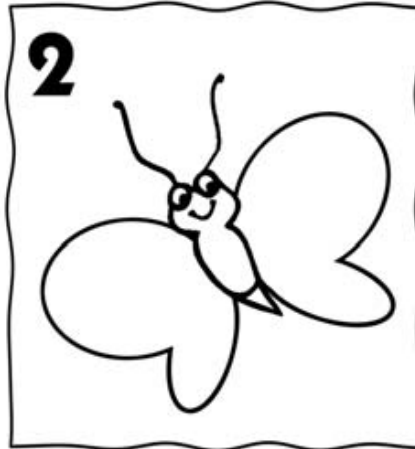

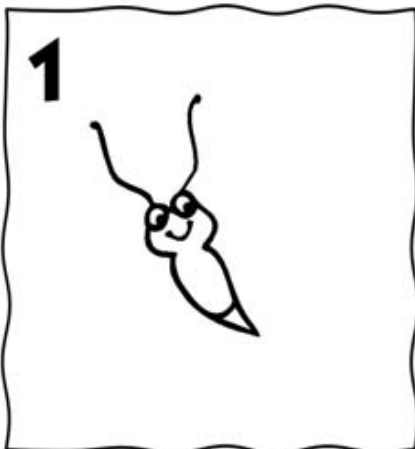

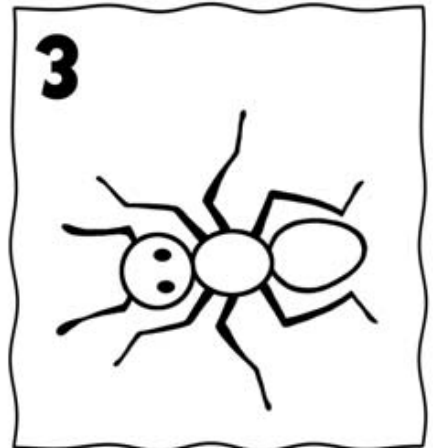

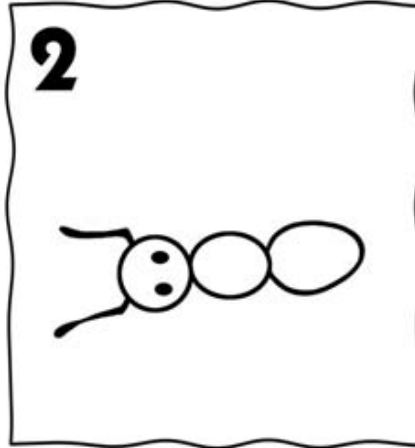

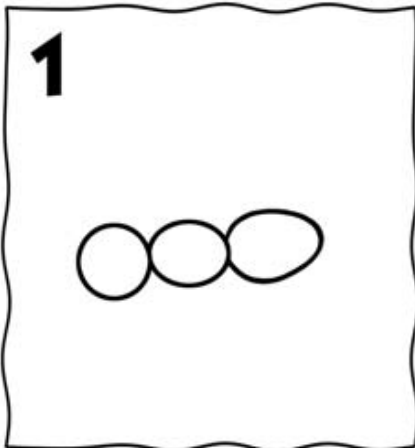

Lincoln lost the words to his new lullaby. Can you help him find them?
Make your way through the maze to the musical note.

Be the Artist

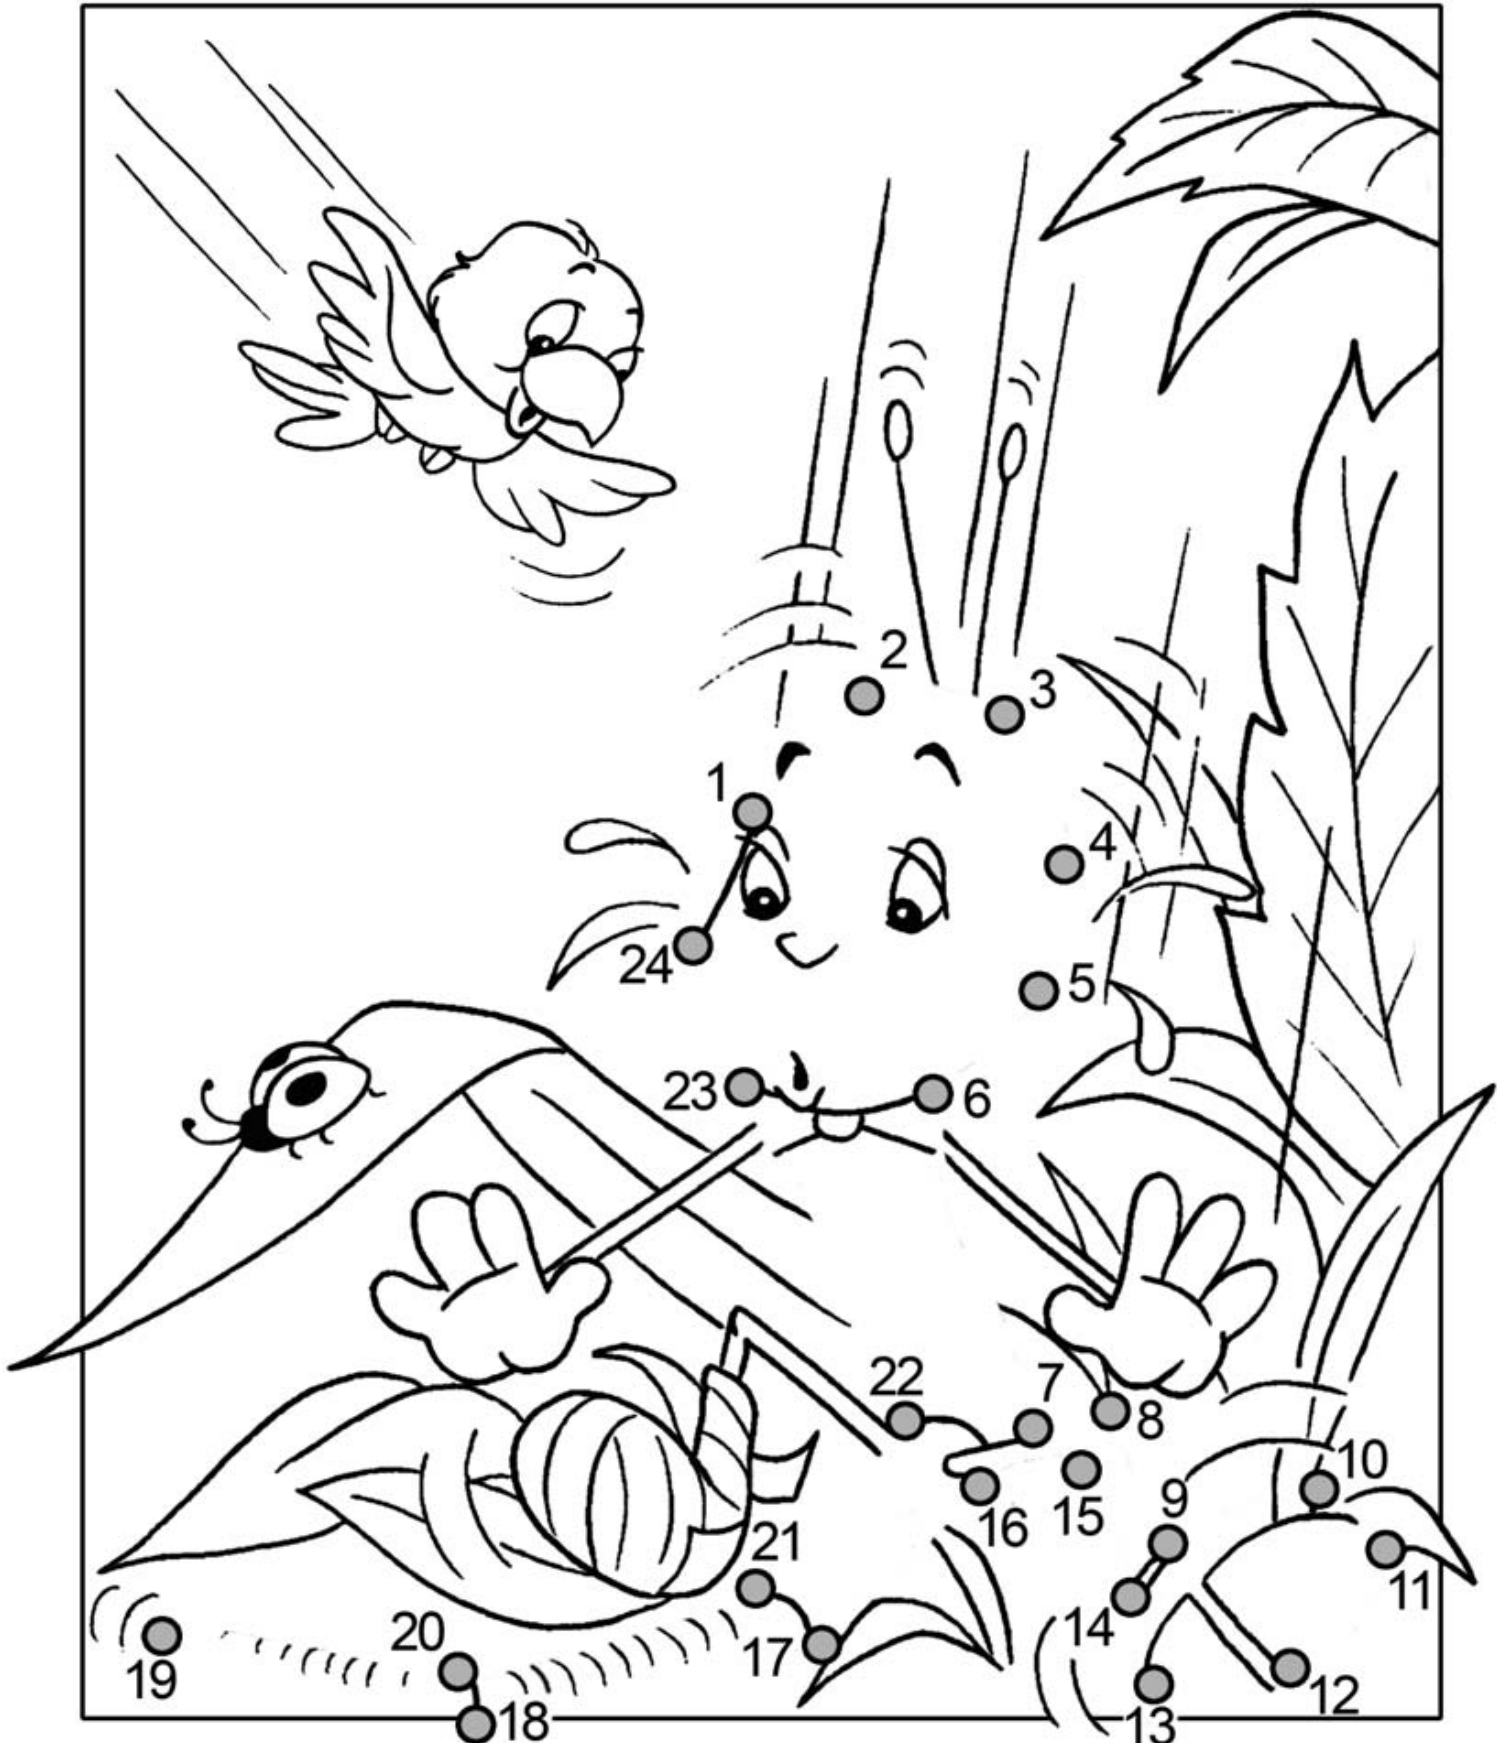

Copy the three simple steps to learn how to draw these insects.
A blank sheet of paper will be needed

Join the Dots

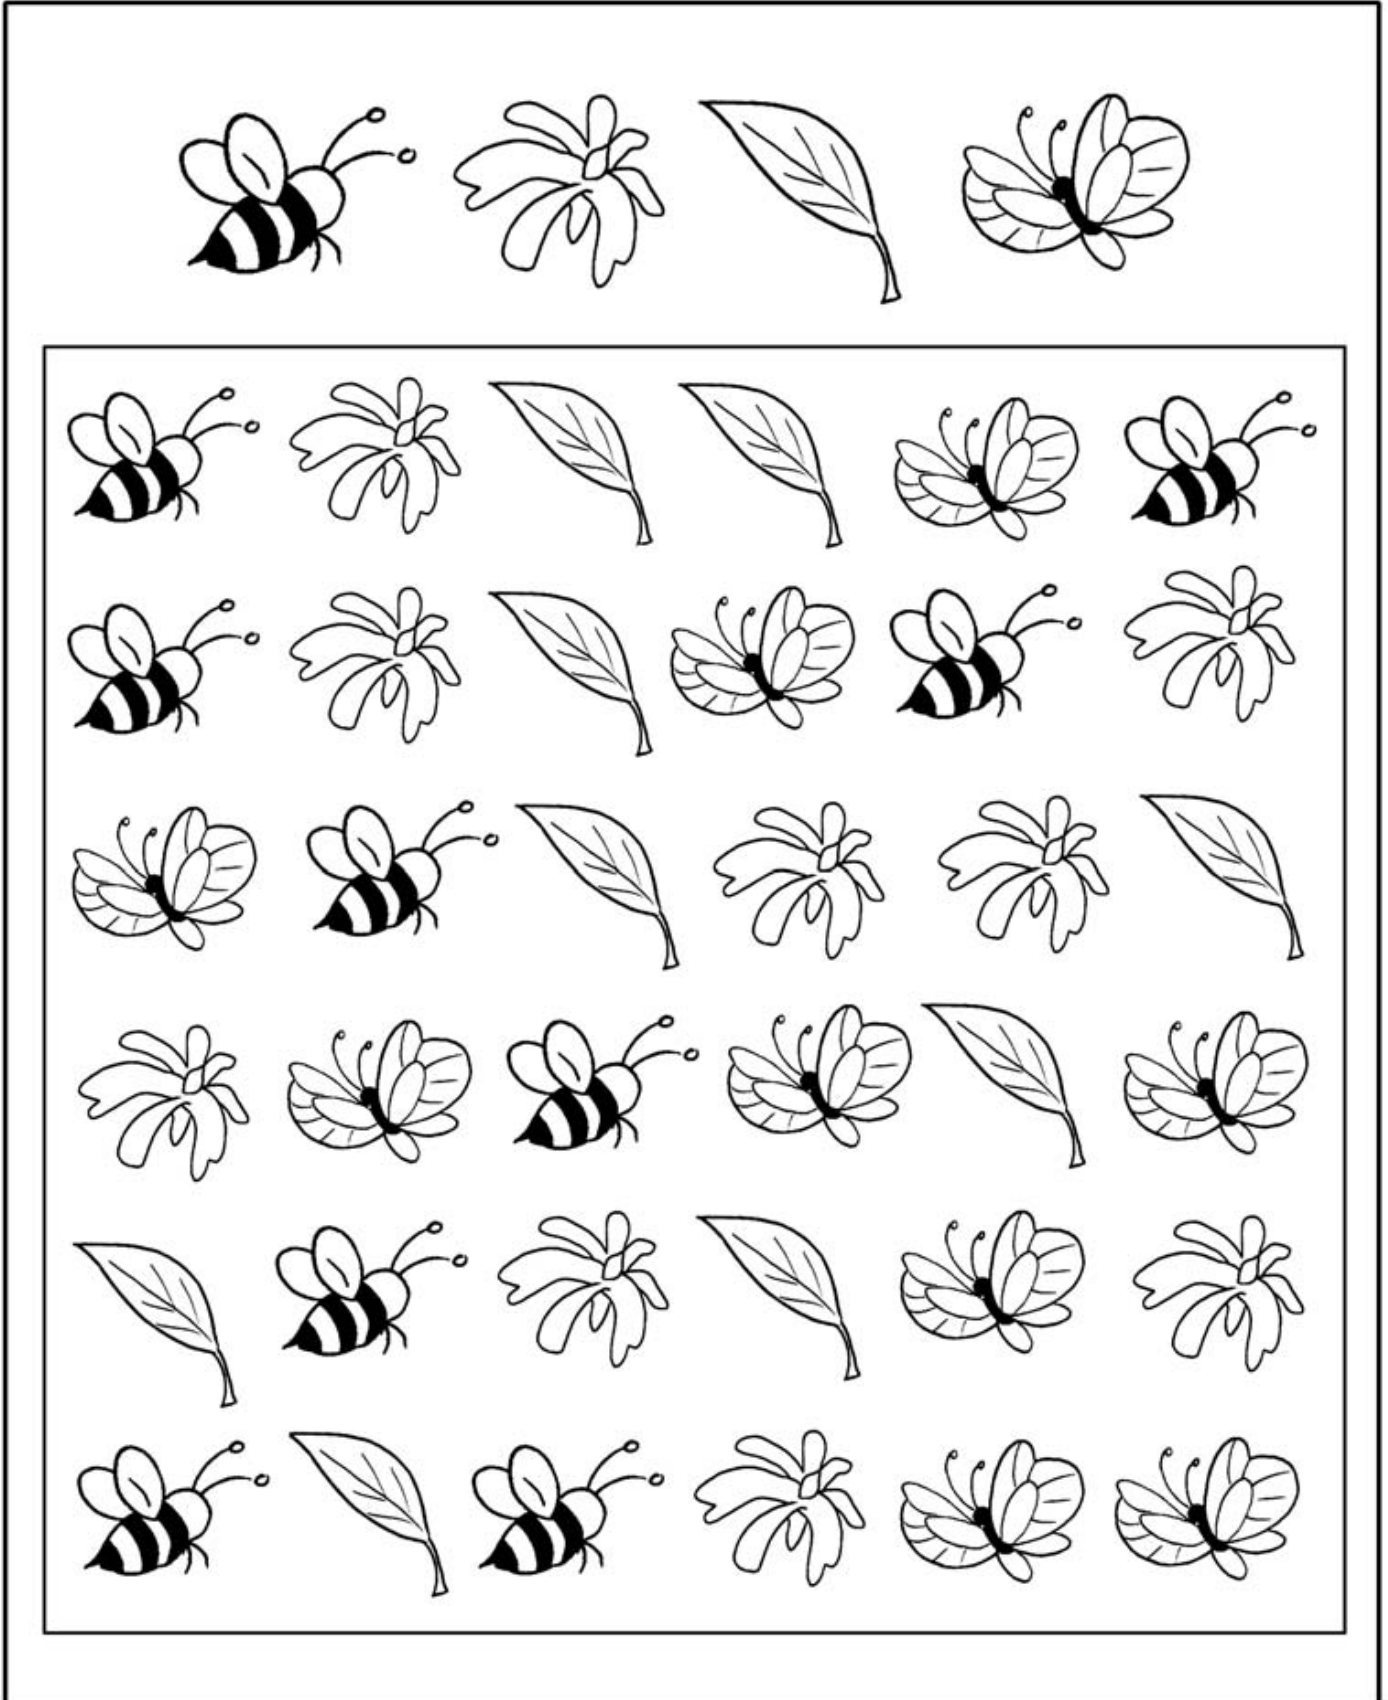

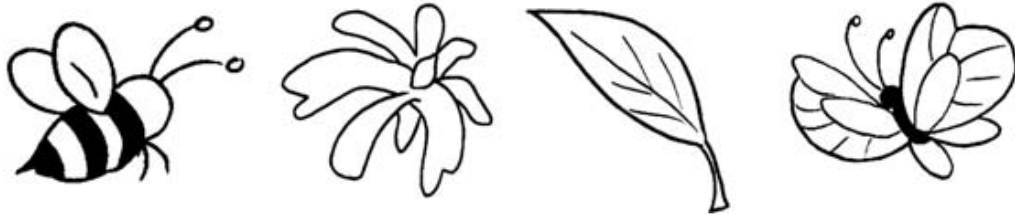

What happened to Wallace, the walking stick? Join the dots and find out.

Picture Find

Can you find this pattern five times in the box below?
(Hint: Look across, down, and diagonally)

Find the Insects

How many insects can you find in this picture? Circle and count them.

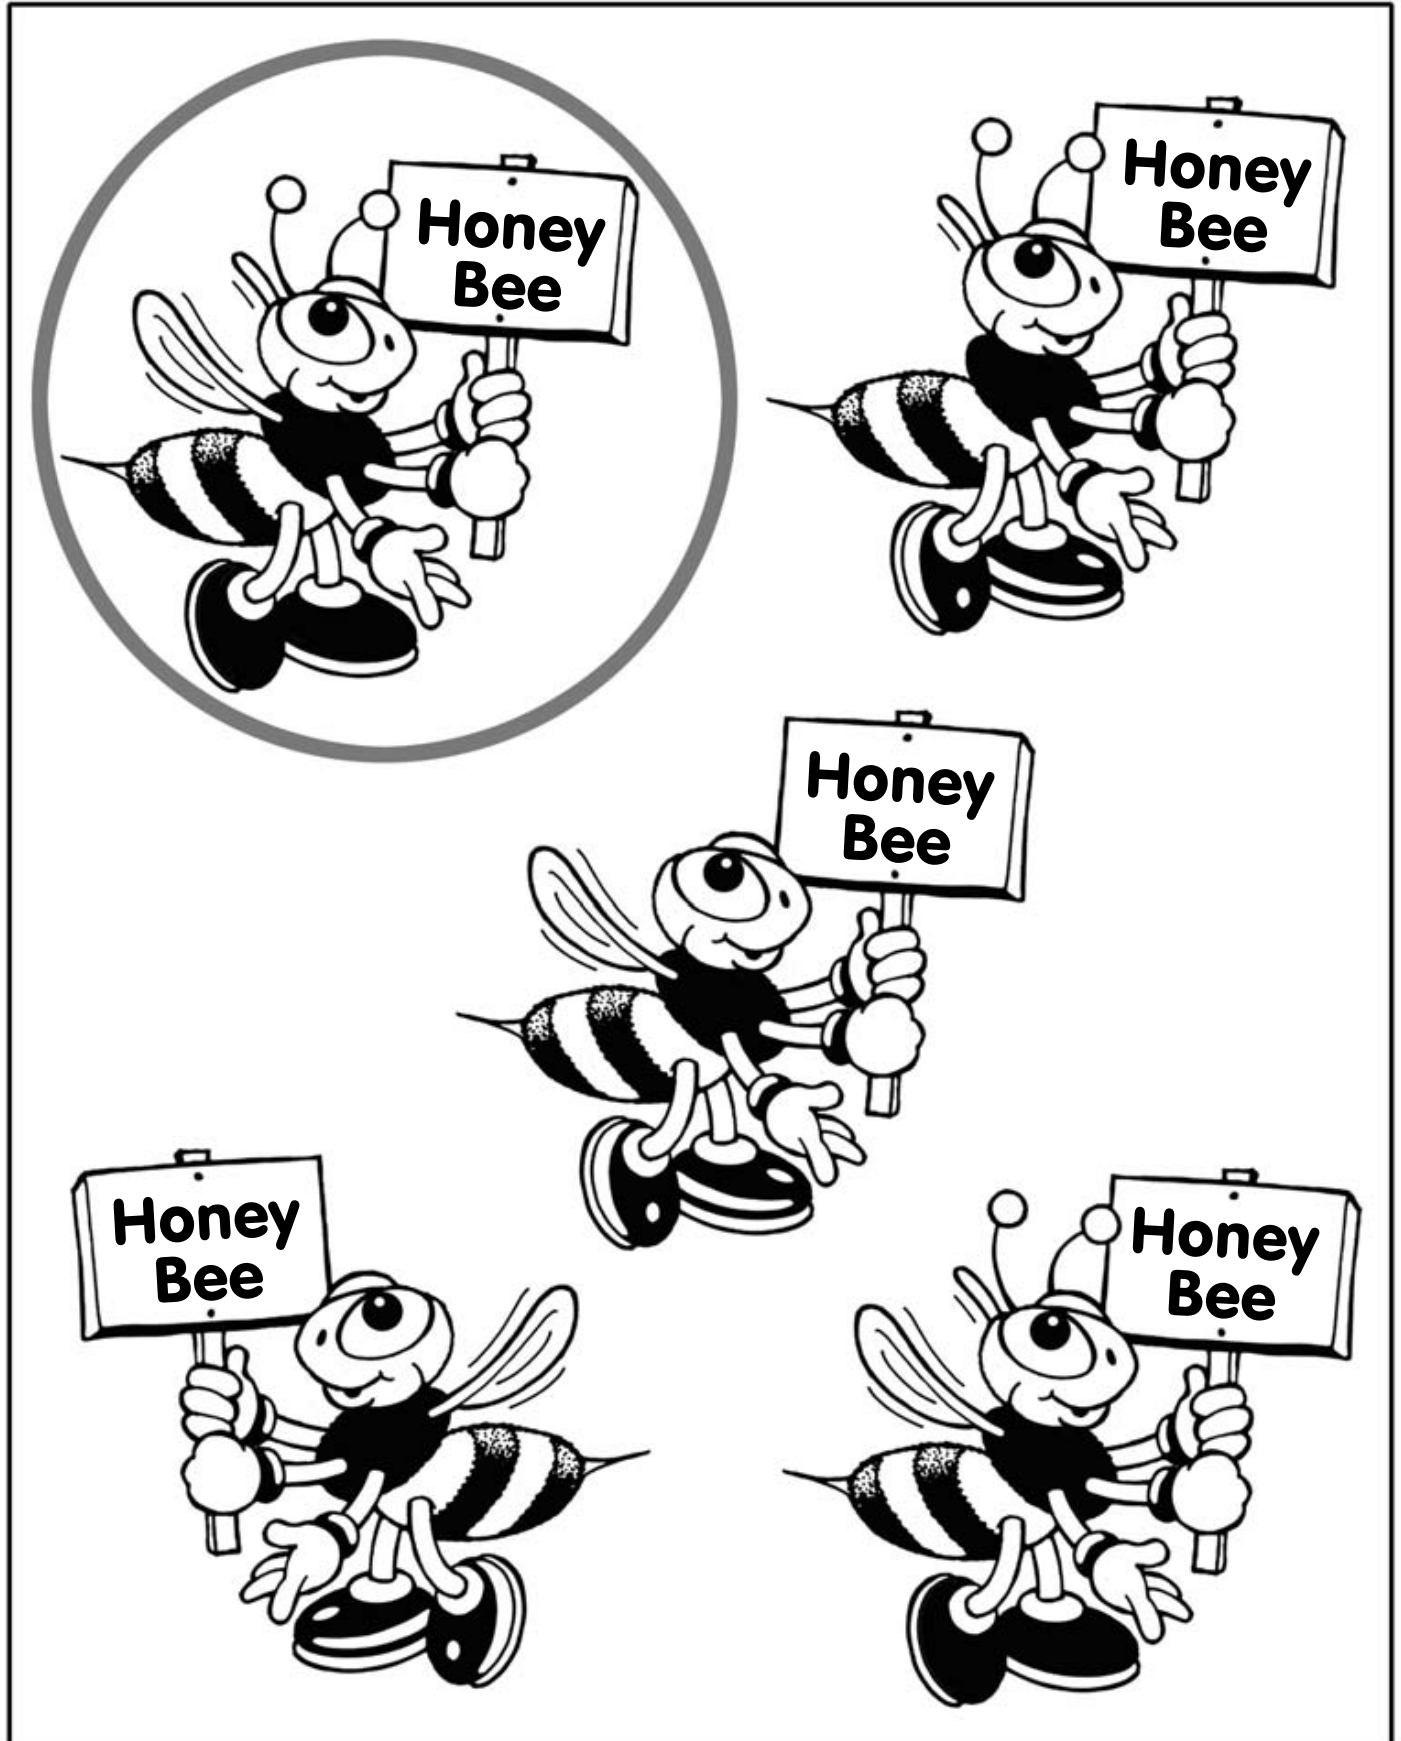

Color by Number

Look Alikes

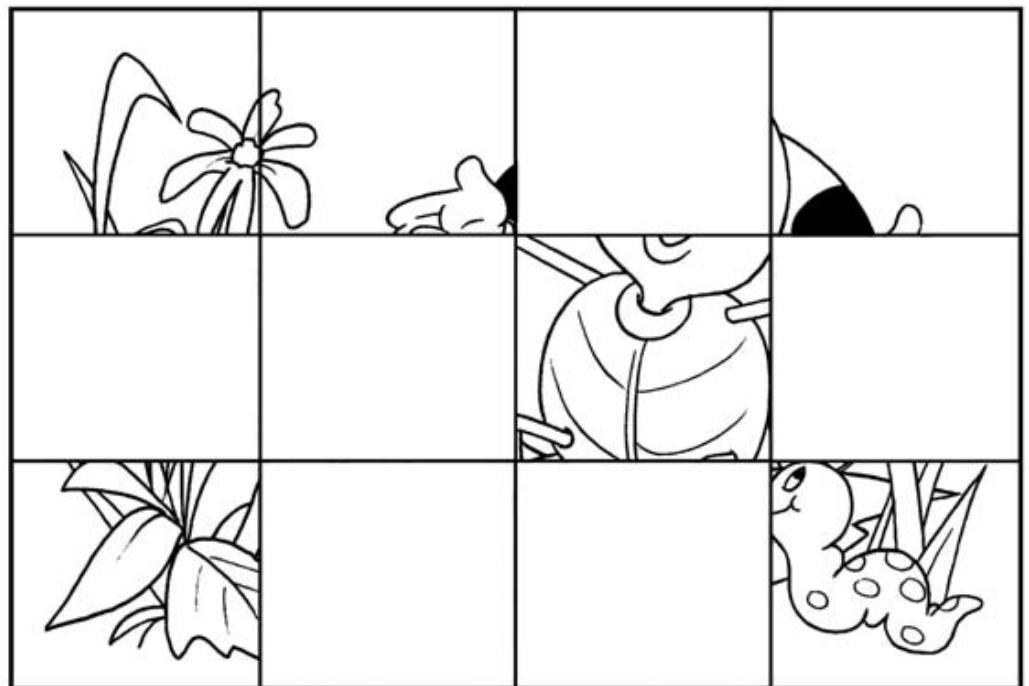

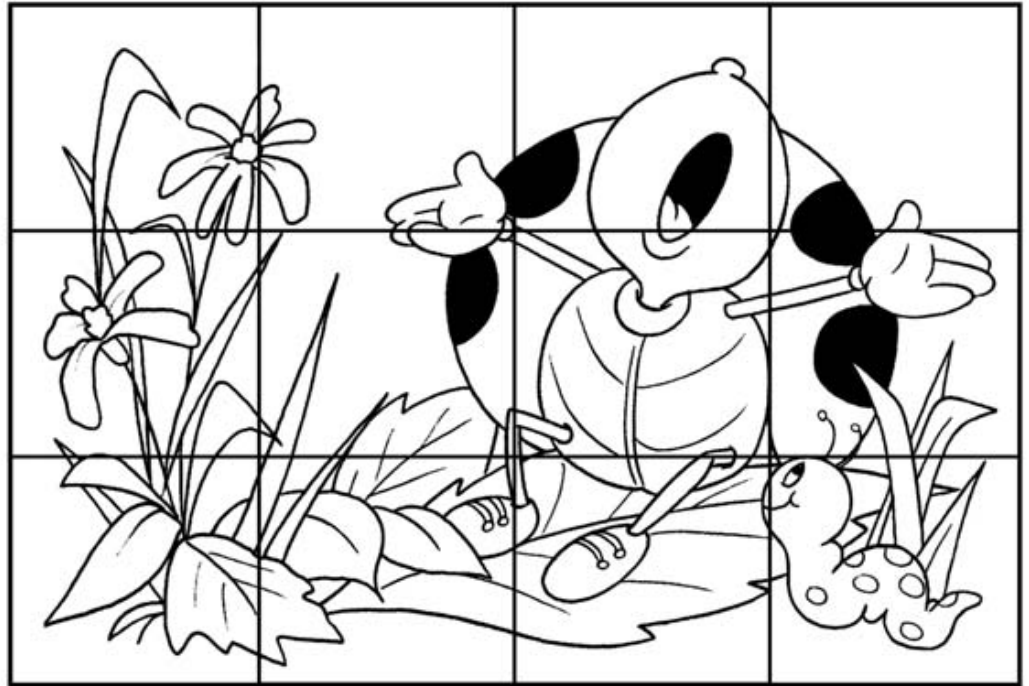

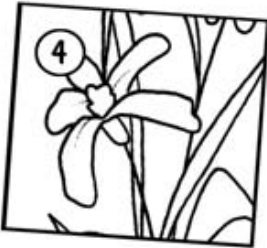

Can you find the bee that looks exactly like the one in the circle?

Picture Puzzle

Cut out the little pictures with numbers, and then put them in the right places on the empty squares of the bottom picture.

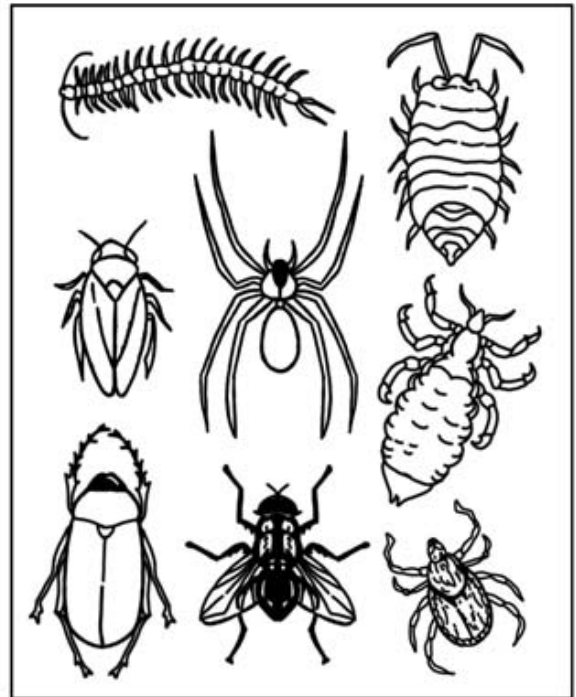

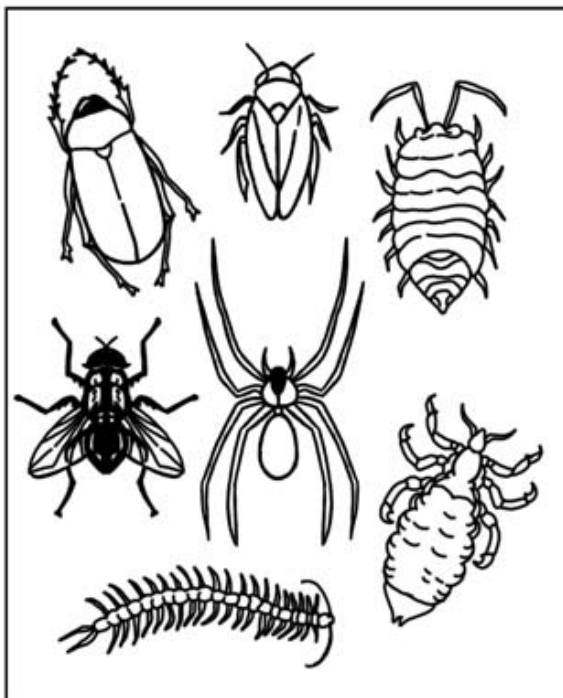

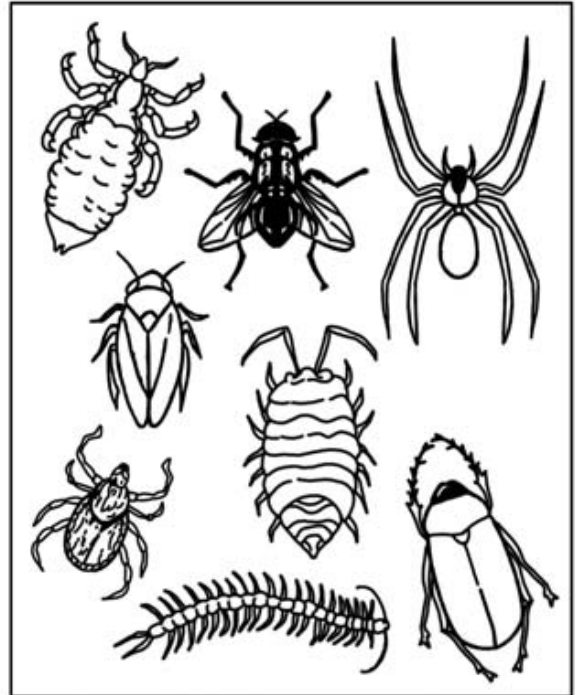

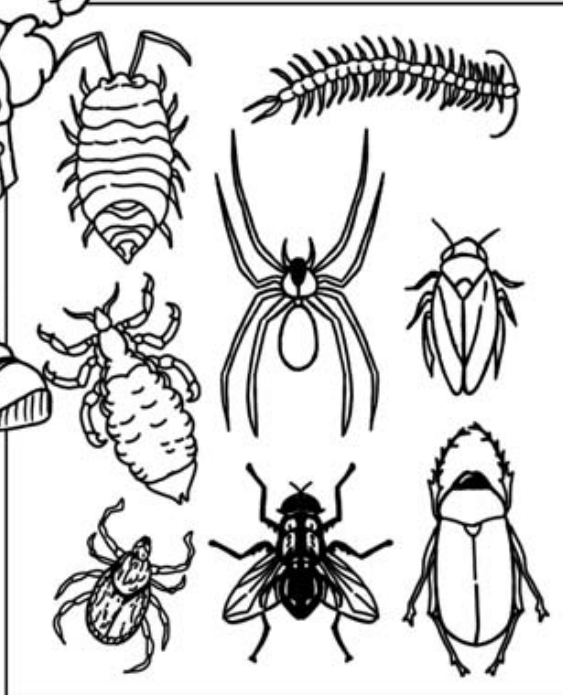

(Page intentionally blank)

Find the odd set

Help the boy find the odd set, that is different from all the others.
Color the bugs in that set.

Bugs and Homes

Draw a line from the insects to their names and then to the place where they might live. See example.

caterpillar

fly

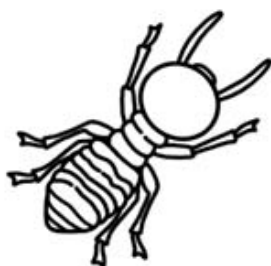

ant

termite

spider

bee

Left and Right

Color the ladybugs flying left in red, and the ones flying right in yellow.

left **right**

Join the Dots

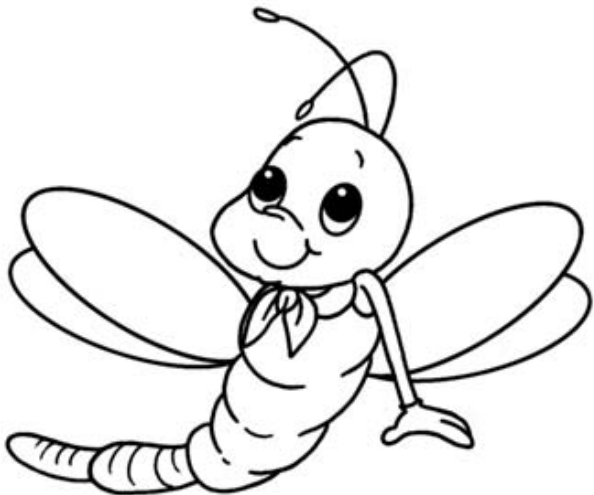

Join the dots to find out what Bits is carrying, and then color the picture.

Finish the Drawings

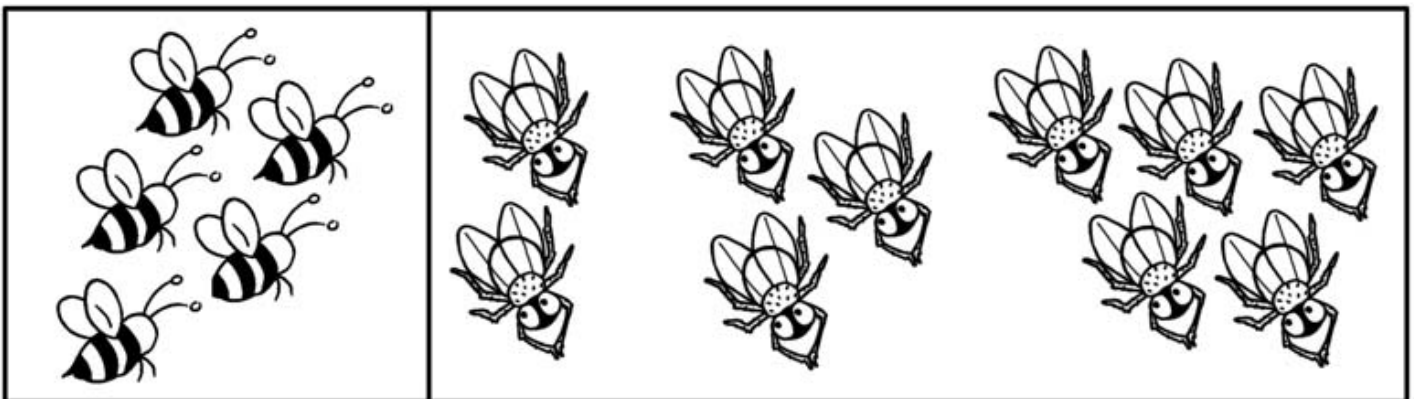

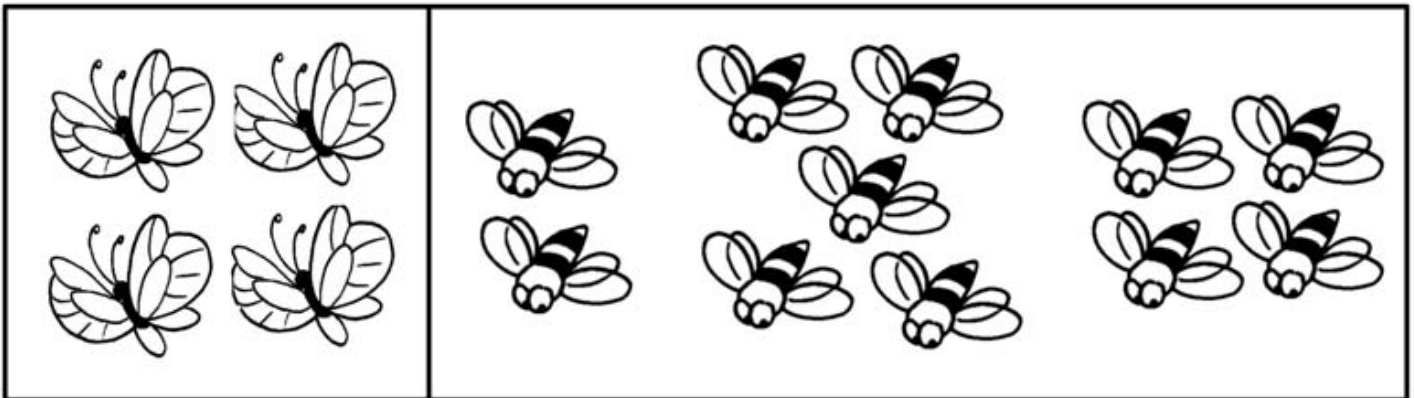

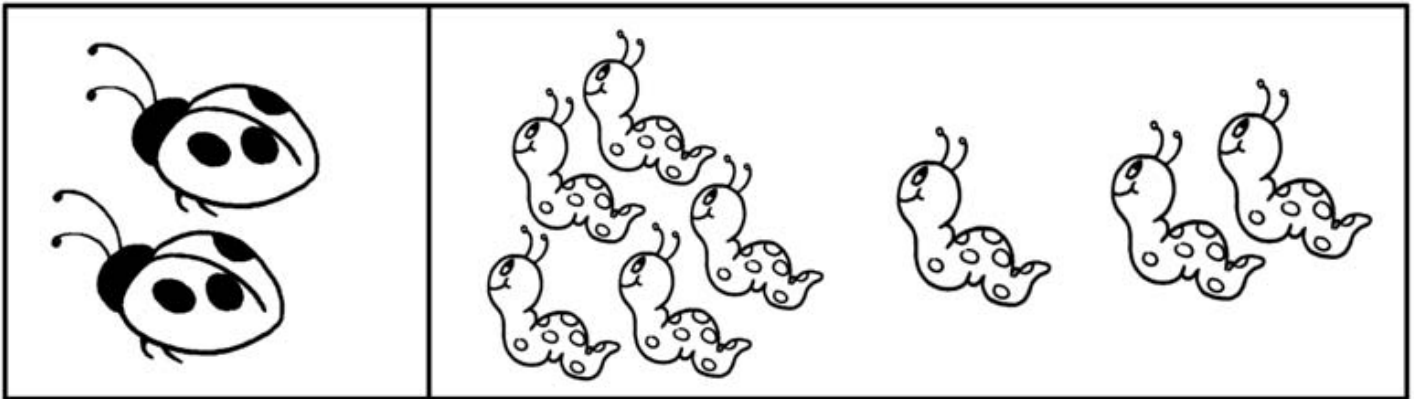

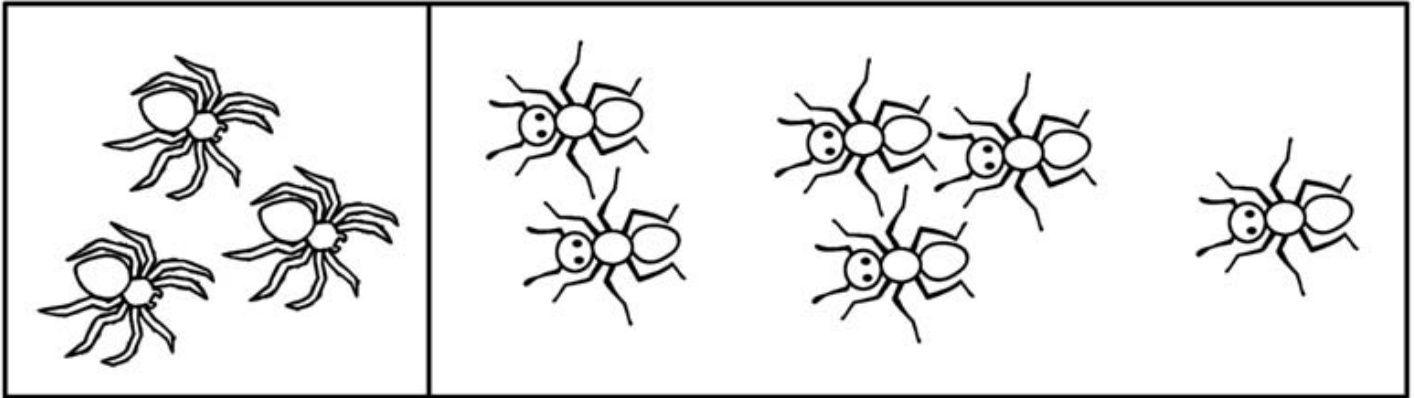

What is Drudy the dragonfly missing? Finish the drawings.

Count the Pictures

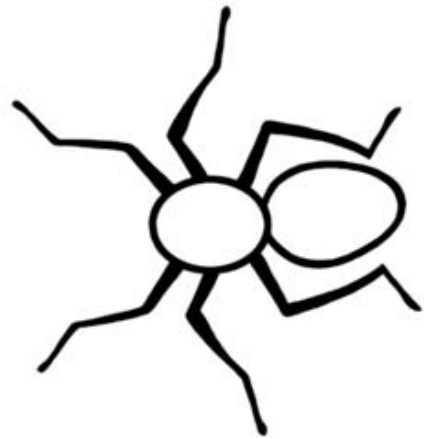

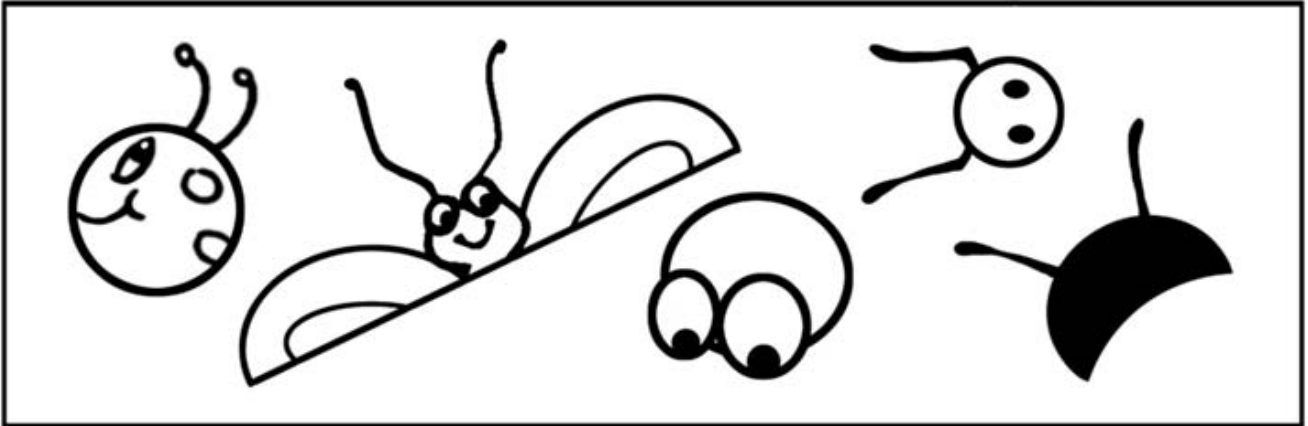

Count the pictures in each square on the left.
Draw a circle around the group of bugs of the same number on the right.

Heads and Tails

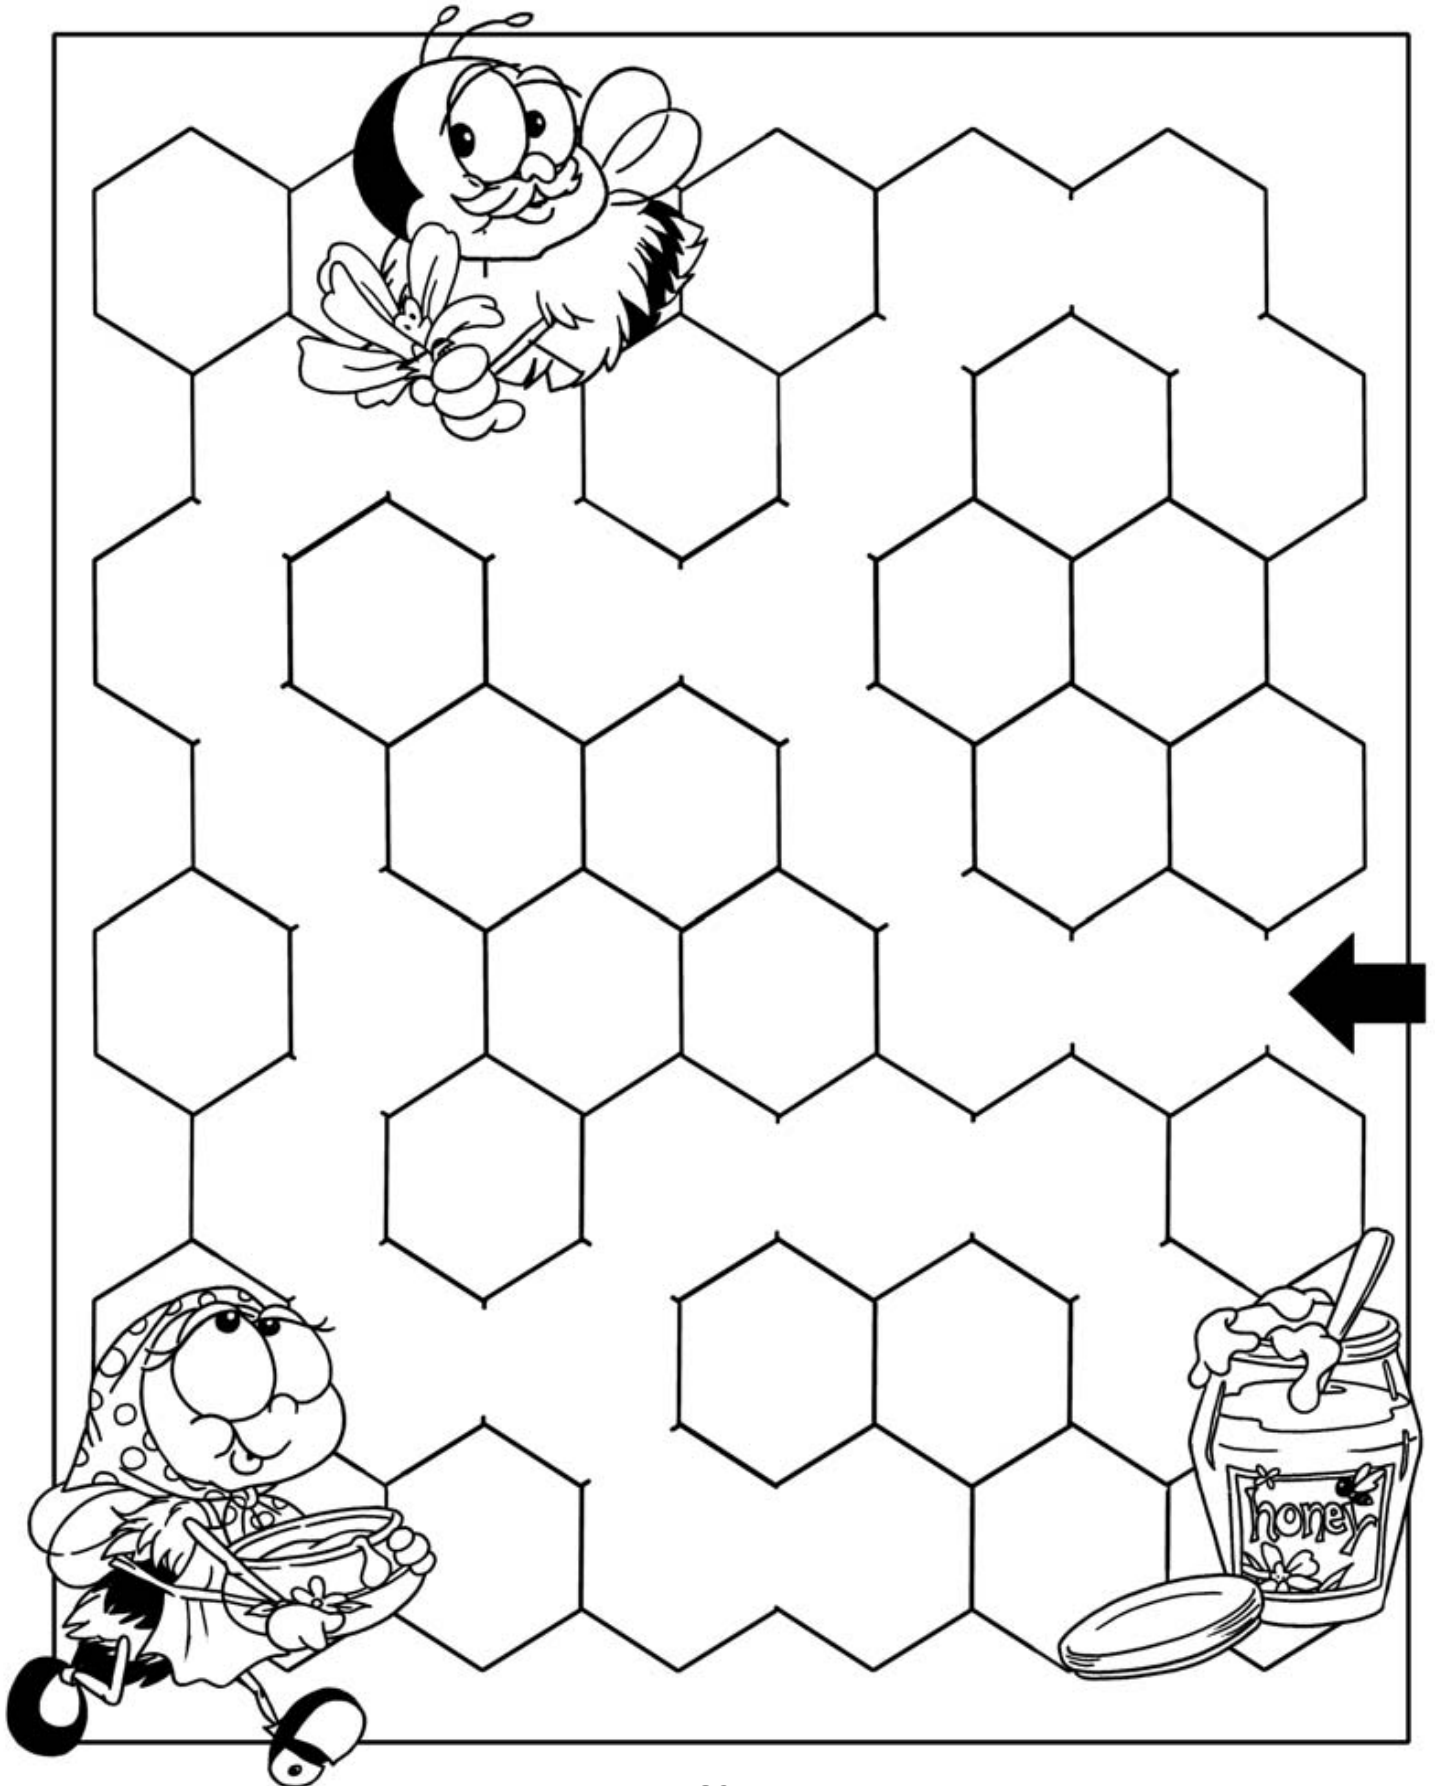

Draw a line from each insect's head to its body.

Beehive Maze

Start at the arrow and help the bees find their honey.

Spot the Differences

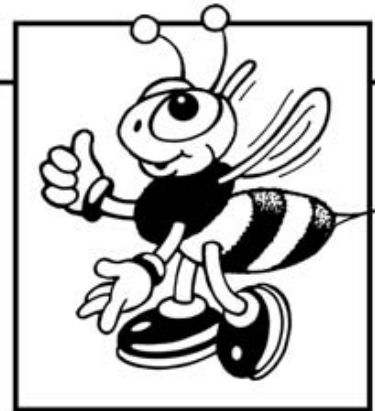

Find and circle the five things in the top picture that are missing in the bottom picture.

The Wonder Bee

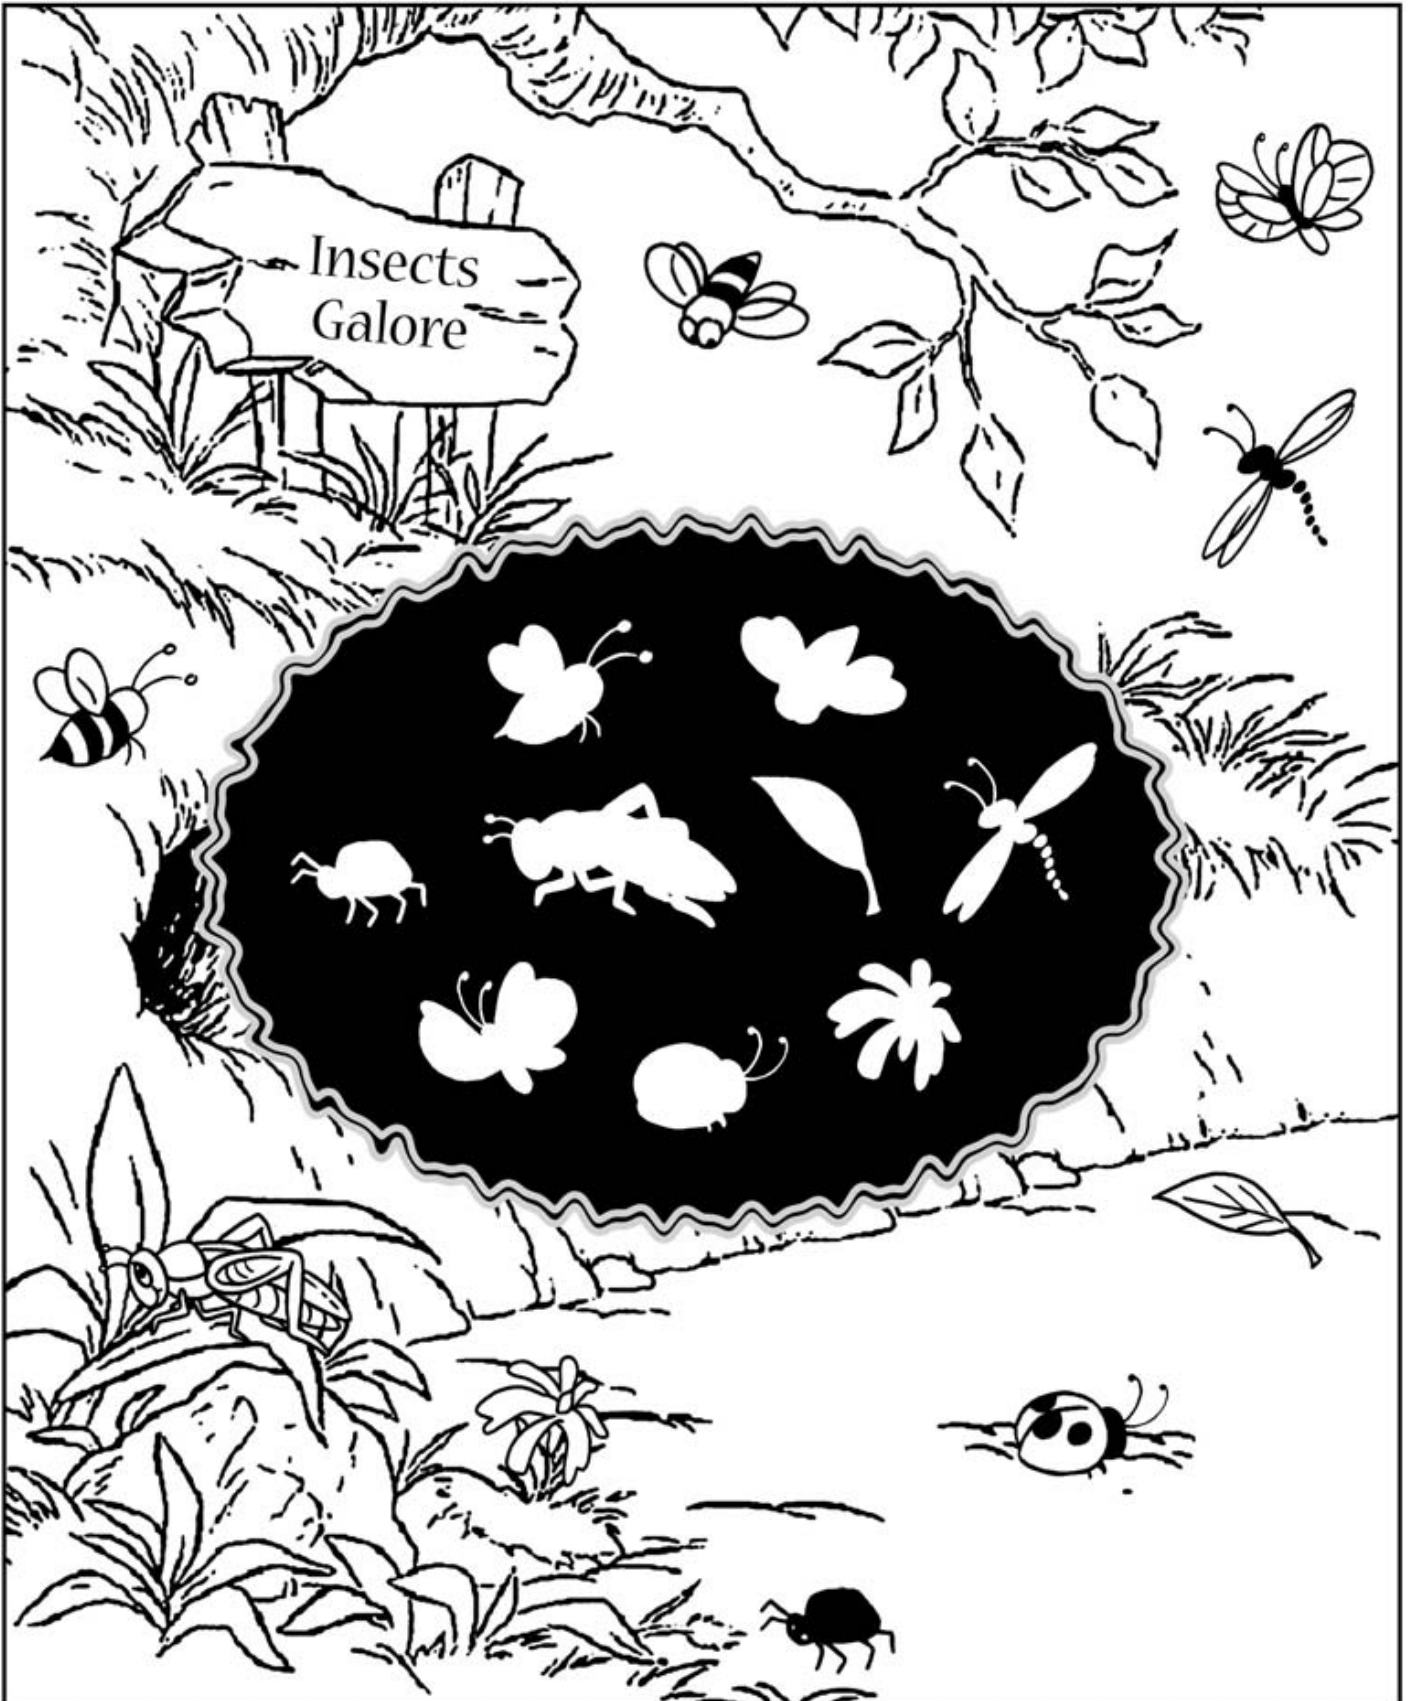

Circle the things that have to do with bees.

Shapes

Draw a line from the white shapes in the middle to their matching objects in the picture.

Story Puzzles

Draw a line from the story puzzle on the left to its matching part on the right.

When Drudy was in a difficult situation ...

When Bits and Lincoln were so sick ...

When Lincoln was so frustrated because he couldn't write a lullaby ...

... Fiery Firefly organized a show for them.

... Wallace encouraged him to keep trying.

... she decided to pray and ask for help.

Helpful Maze

Help Drudy the Dragonfly make her way through the maze to the first aid kit, and from there to Wallace, to give him a hand.

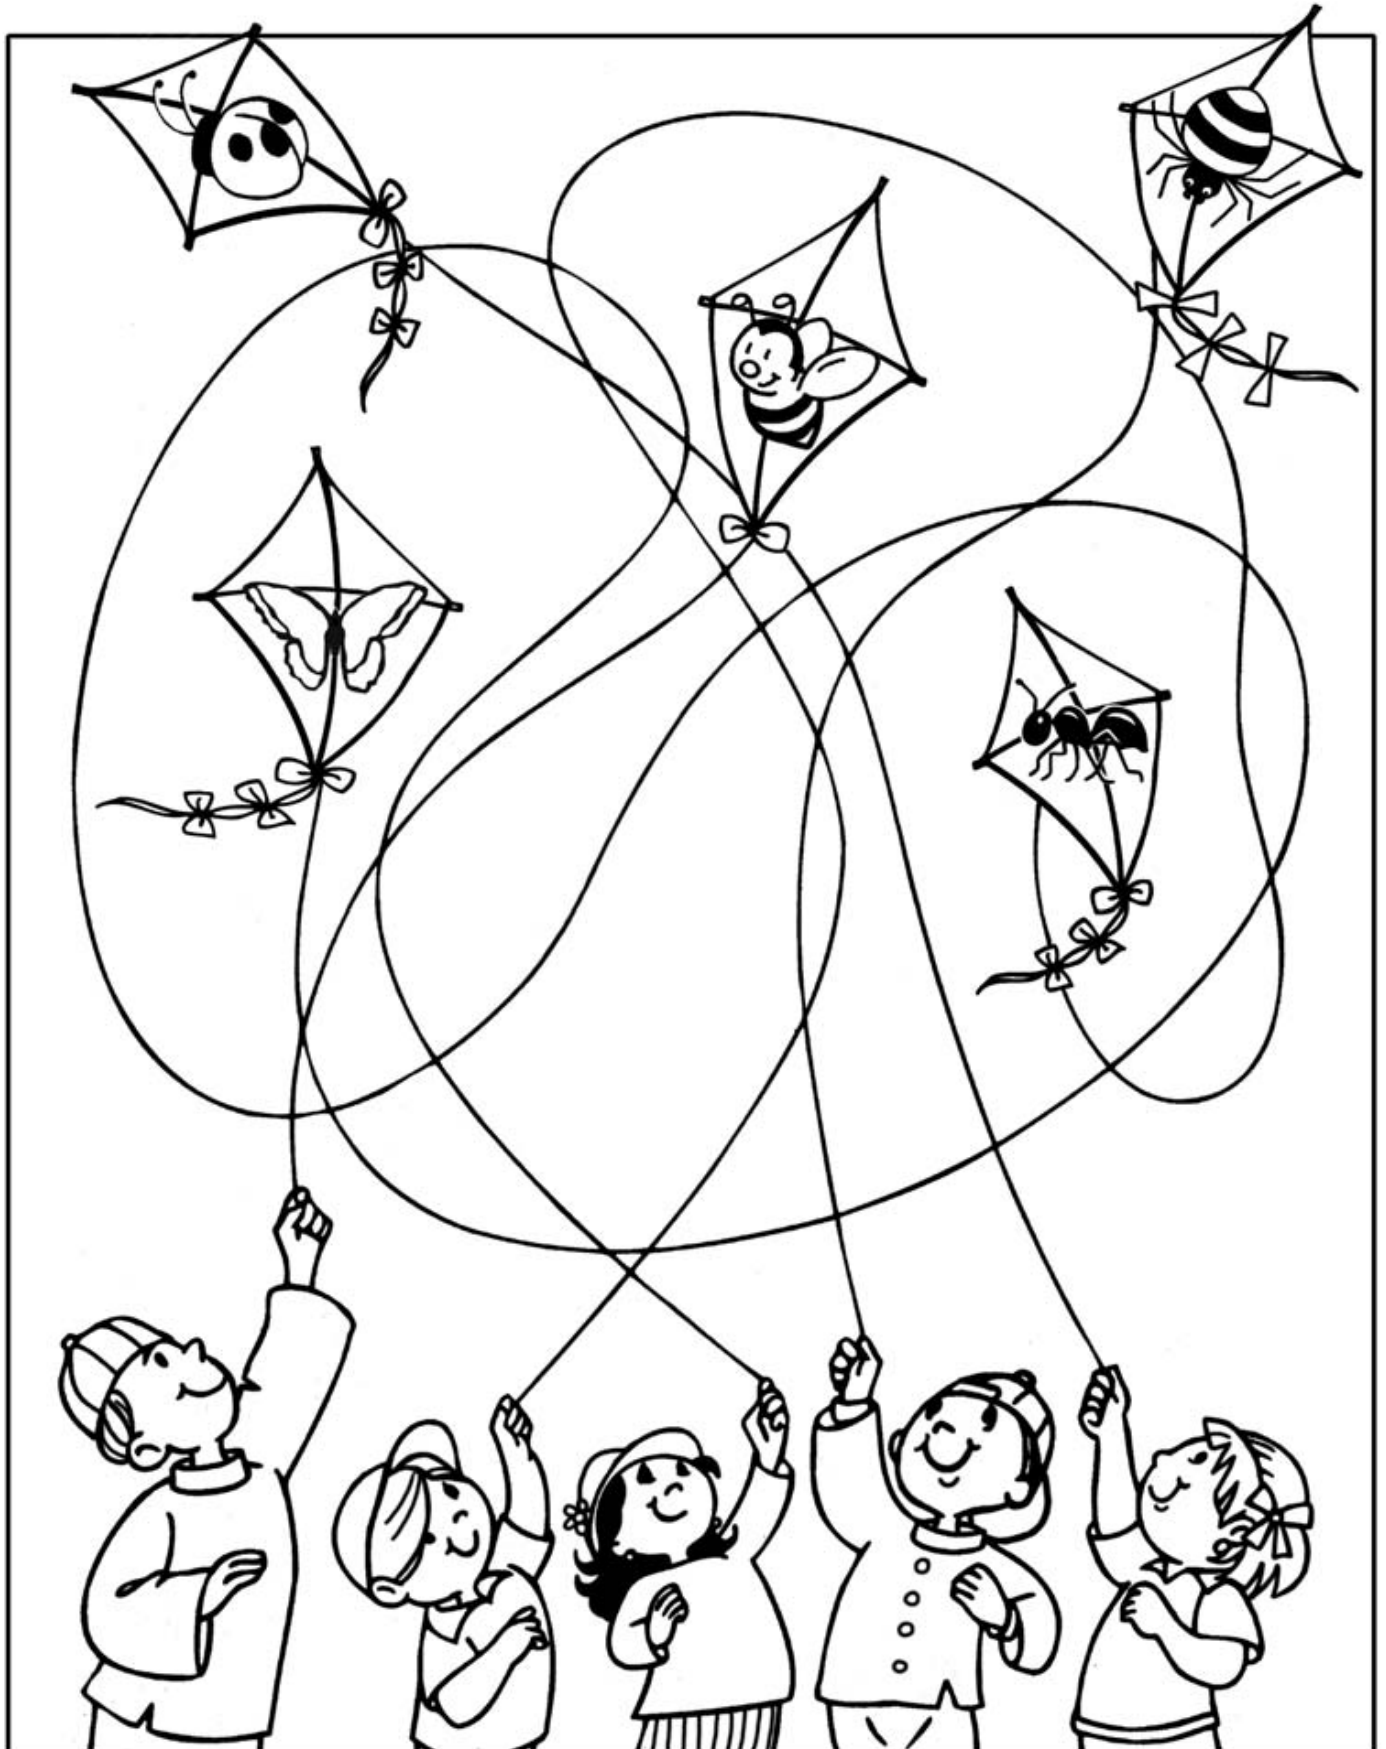

START

The maze is a 10x10 grid of dots. The dragonfly is at the top left corner (row 1, column 1). The first aid kit is located at row 5, column 4. Wallace is at the bottom right corner (row 10, column 10). The maze is decorated with flowers and leaves. The dragonfly is at the top left, the first aid kit is in the center, and Wallace is at the bottom right. The maze is a grid of dots with some paths blocked. The dragonfly is at the top left, the first aid kit is in the center, and Wallace is at the bottom right. The maze is decorated with flowers and leaves.

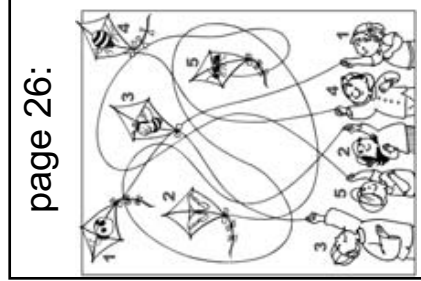

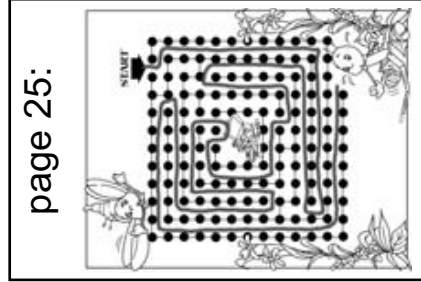

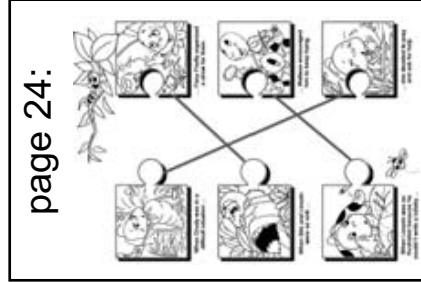

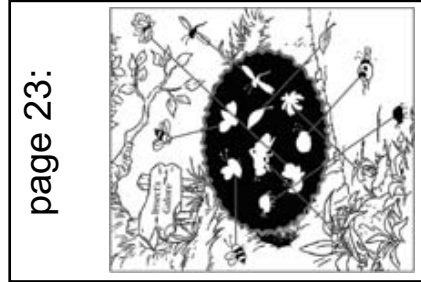

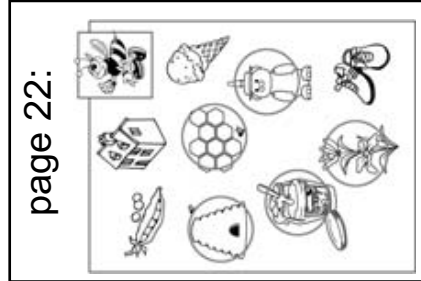

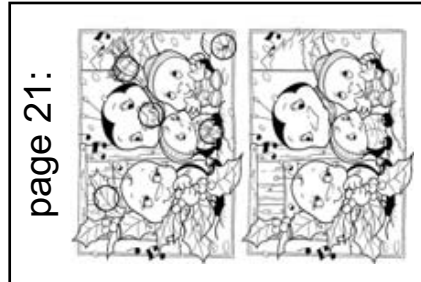

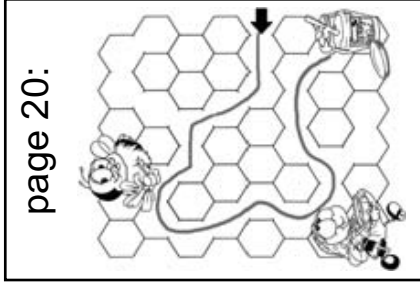

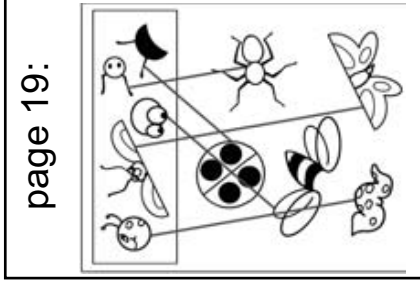

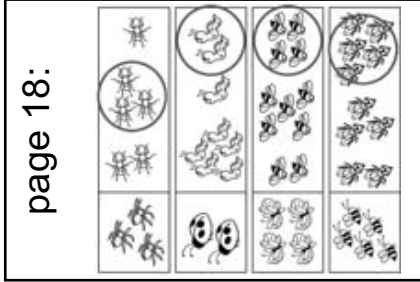

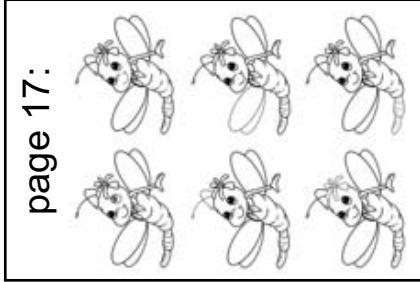

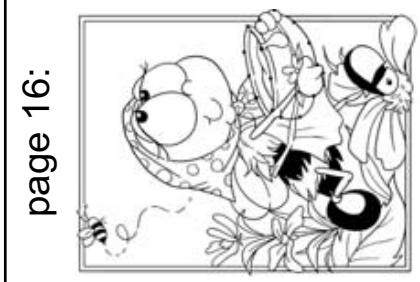

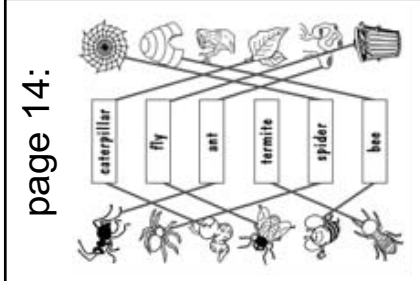

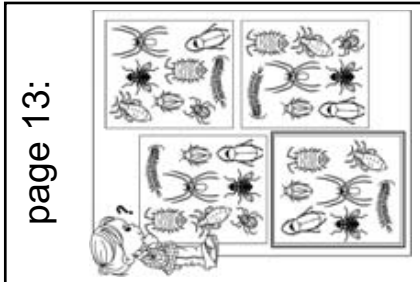

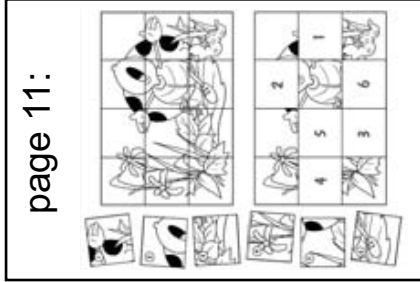

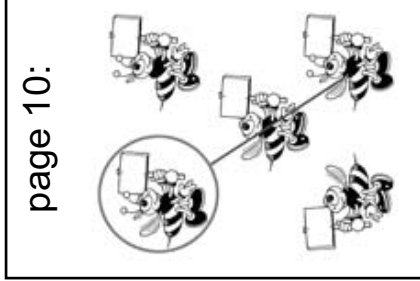

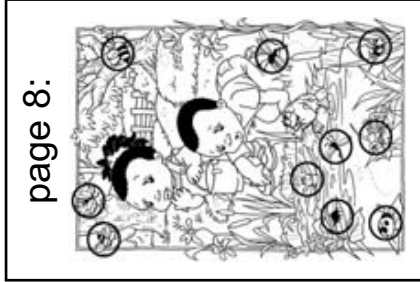

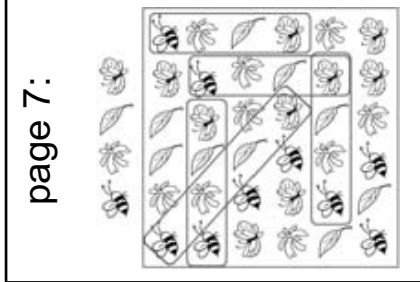

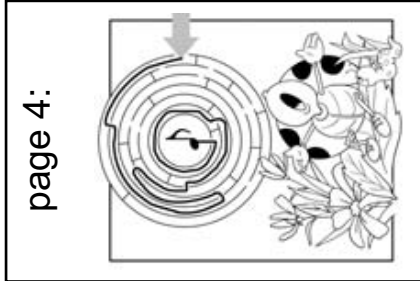

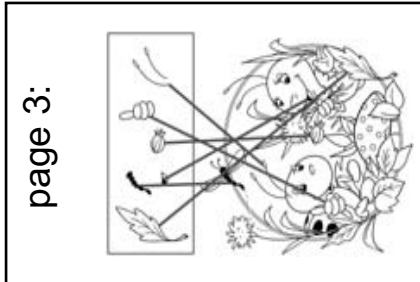

Bug Kites

Match up the kites with their owners. Color the kite and its owner's hand the same color.

Insects Galore Answer Sheet

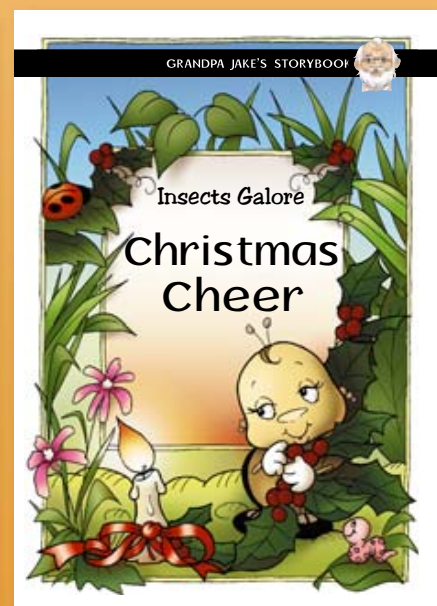

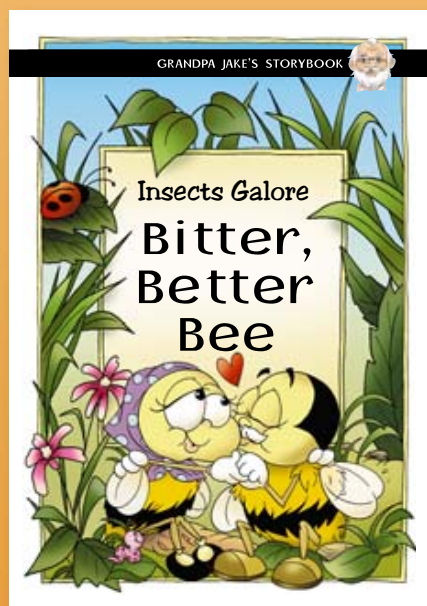

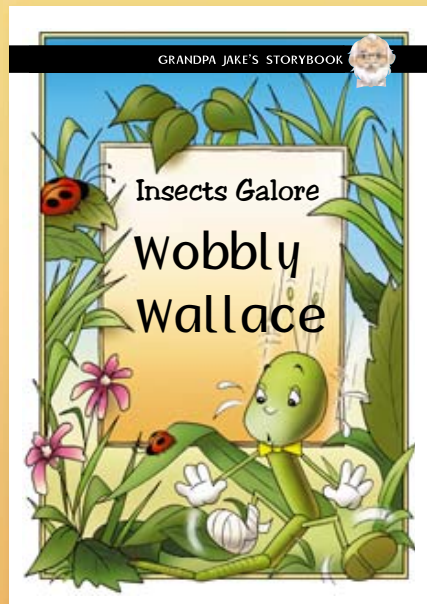

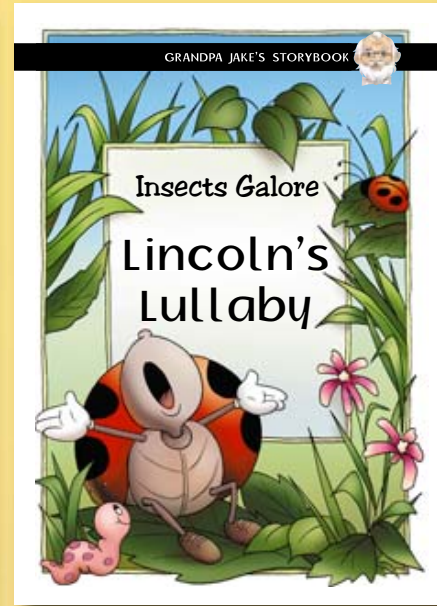

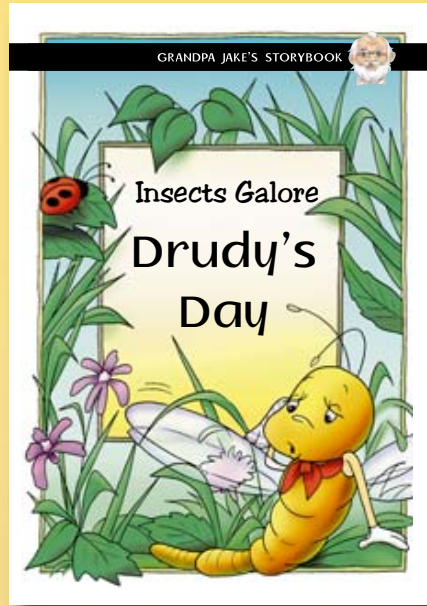

Insects Galore

Don't miss any of the fun stories in the "Insects Galore" series.

- Drudy's Day
- Lincoln's Lullaby
- Wobbly Wallace
