## *Continue to be faithful -- full of faith and love in Jesus!*

The most important thing in our service to the Lord, the most important thing in the world for us, the most important thing to the Lord, is our faithfulness! -- "One thing is required of a servant," as Paul says, "and that is that he be faithful!" -- Faithful, first of all to Jesus and His Work, and to the others to whom you minister.

If you will continue to be faithful to God's Work ... God will be faithful to you. -- The Lord, your employer, may not always pay you in cold cash, but He rewards you in many other ways! -- You can look forward to eternal rewards and everlasting glory ... genuine permanent accomplishment from a lifetime of investment in His Work that will reap eternal dividends hereafter!

If you have real faith you'll keep on going for God even if it kills you! -- The faithful people are people who are full of faith! -- They have faith and vision, and determination, and the spirit of do or die, and they wouldn't think of wavering! -- These are the ones who are faithful to the end, who attain unto the crown of life!

"Well done, thou good and faithful servant! Enter thou into the joy of thy Lord!" That's the call we all want to hear one of these days! -- And we will hear it if we're faithful!

# WINGS OUT OF WEIGHTS

AD

ART BY JACOB CARTOON

(Jesus:) The forces of Heaven have gathered around the children of David as the time comes to usher them into the final days. Each one is being fitted by My forces of Heaven. Each one is being trained by their own trainers. Each one is being advised and given tips and warnings of what to watch out for and which areas they need to work on to get stronger.

YOU GOT'EM, KID!  
KEEP PUNCHING  
AWAY!

Some are being tended to as they come through the different battles that they are facing.

Others are in the midst of battles that I have sent their way to make them stronger, but by their side are those whom I have commissioned to help them, to strengthen them, to be there when they call out for their help, to watch over them and pray for them and see to any of their needs.

SURPRISE'EM  
WITH A KEY  
UPPERCUT!

I CAN'T LAST  
ANOTHER ROUND!

("Feast 2006: Promises of the Future,"  
ML #3573:127-131,133,137-139)

Each of My brides has entered into a time of intense battles, and they are all experiencing—to some degree—the heat of the battle and the weights that I have allowed to be placed upon them to make them stronger.

But they are advancing. They are making it through the obstacles that the Enemy puts in front of them to stop their progress, or to cause them to turn back and give up because it's too difficult. The Enemy knows he is going to fail, but he must try anyway.

Those who continue to persevere through these difficulties and who do not turn back, who make it through this time of testing, will be the bright and powerful army that I have spoken of that is going to take the world by storm.

THANK YOU FOR  
WARNING ME,  
JESUS!

They will have so much more strength to rely upon, as they will have learned how to truly fall upon Me—not just in the difficult moments, but all the time. They will be much more attuned to My whispers and My voice, because they will have learned in the darkness how to cling to My voice each moment.

They will have learned how to take on My mind and let Me possess them through relinquishing all their carnal thoughts when they face battles. They will know the meaning of joy and happiness in abundance, for they will be obeying Me and pleasing Me, and I will give this to them in full measure.

They will feel My power working through them. They will be able to pull down My blessings and ask what they will, and it will be done for them.

Once they have reached this point, the weights that I allowed them to struggle with and that they have been running with will be taken off and they will soar.

Nothing will stop Me from using them to the full. I will do mighty things through them and they will know the power of their God.

HERE THEY  
COME!  
THEY'VE COME  
JUST LIKE  
THEY SAID  
THEY WOULD!

# CLOSE ENCOUNTER!

By David Berg - ML # 710

-A Revelation of Things to Come! - February 1978

I had this crazy dream. WE WERE AT THIS GREAT BIG FARM.

JUST AS I STARTED TO WALK INTO THE BARN ALL OF A SUDDEN SOMEBODY YELLED, "HERE THEY COME! They've come just like they said they would!"--And the title of that movie "Close Encounters of the 3rd Kind" flashed across my mind...

I LOOKED UP IN THE SKY AND HERE CAME THESE BIG BALLS ROLLING ALONG about a couple of meters in diameter.

THEY HAD CRAZY FACES SORT OF PAINTED ON THEM, or that was my first impression, and *some seemed just like one big eyeball.* But they all seemed like they were alive!

EVERYBODY WAS FRIGHTENED AND RUNNING FROM THEM, almost like an invasion! They were dancing through the sky and sort of rolling and rollicking, like they were playing and having fun. But nevertheless, they were also trying to frighten us, or at least were amused at our fright.

THEN I SAW THIS HUGE GIANT COMING! He must have been 25 feet high and was walking along behind them. It was as though he was directing them.

AND HE WAS IN A VERY STRANGE KIND OF A SPACE SUIT or something, very dark-coloured, almost black. I think it was very deep purple, skin-tight. He almost looked like he was in a suit of armour, some kind of material, like that guy in "Star Wars". And he had this funny headgear on.

HE HAD A RATHER STRANGE HEAD WITH STARING SCAREY EYES, big pointed ears and kind of a sharp nose. It was almost like a beak, like some of those bird faces or demon faces I saw in that "Crash" dream. (See "The Crash,")

HE WAS WALKING ALONG ALMOST LIKE A ROBOT, like he wasn't too agile but was clomping along directing all these balls that were shooting around in the sky. They were shooting just over our heads and then way up. They'd zoom down to frighten people, just like they were laughing when they'd scare somebody and they'd run. So I ran into the barn and watched through the window.

**THIS HUGE GIANT KEPT WALKING RIGHT TOWARD THE BARN.** He stooped down and looked through the window, his huge face filling up the whole window cackling and laughing at me, "Ah ha, I found you, there you are! You don't think you're really going to get away, do you?"

**SO I RUN OUT THE OTHER END OF THE BARN AND HERE THEY CAME FROM THAT DIRECTION TOO!**--These giants walking and the balls shooting out of the sky!--But this time, *there were some very pretty girls with them in the same strange kind of suits and somewhat the same facial appearance.*

**I DON'T KNOW HOW TO DESCRIBE THEIR HEADS, IT'S KIND OF A HAT** *that fits around on their face like a helmet with two big sharp pointed ears and their faces almost like beaks, and they resembled the giant.*

**ONE GIRL RAN TOWARD ME LIKE SHE WAS SO HAPPY TO SEE ME** and she was gonna grab me and make love to me. But I didn't like her so I turned around and ran back into the barn, but she caught up with me *and pounced on me anyhow.*

**THE FEELING I HAD WAS THAT SHE THREW HER ARMS AROUND ME AND SHE SUNK HER BEAK OR HER TEETH INTO THE BACK OF MY NECK just like a vampire.** Then this real funny feeling just flowed over me. It was very pleasant in a way. It was strange, it was almost like sex! It felt real good, *almost like she'd injected something, and it was just like I went to sleep.*

**I FELT THIS NICE WARM FEELING FLOWING DOWN MY BACK.** I don't know, maybe it was blood running down my back. But it sort of scared me and **I immediately woke up**, fully awake and not dreaming anymore and lying in bed on my left side facing you and the door.

**SHE WAS ALMOST LIKE SOME KIND OF A SPIRITUAL VAMPIRE.**

**BUT JUST AS I WOKE UP, ALREADY FRIGHTENED BY THE DREAM, THERE SHE WAS BENDING OVER YOU!** *She seemed to know instantly that I had wakened and she turned around and ran out the door.* I heard the clicking a she was shutting the outside door.

**NOW IF SHE WAS A SPIRIT, IT SEEMS SHE WOULDN'T NECESSARILY NEED TO OPEN AND SHUT DOORS. ..COULD IT BE THAT SOMETIMES THEY CAN'T DEMATERIALISE FAST ENOUGH?** She must have been materialised because I could

see and sort of feel her... She must have managed to come through and then materialise inside.

**COULD IT BE THAT SOMETIMES THEY CAN'T CHANGE OVER FAST ENOUGH** to make it when they are in the physical or material form? You know ghosts are notorious for materialising and making noises, creaking doors and steps and making all kinds of sounds, because when they're materialised they've got to obey the same laws of physics that we do.

**THEY'RE NOT ABLE TO DO US ANY PERMANENT DAMAGE, ESPECIALLY SPIRITUALLY**, but the Lord does allow us to go through these tests. He even allowed His Saints to go through tortures, burning at the stake, crucifixion, all kinds of things!

**DON'T SAY THAT HE WON'T ALLOW US TO BE HARMED**. He won't allow any permanent damage, any permanent harm, and He promises to deliver us. If no other way, He delivers us by death!

**YOU CAN ALWAYS CALL ON THE LORD AND THROUGH HIM HAVE POWER OVER EVERYTHING**. You don't have to worry about anything. *This dream is just like what's going to happen.*

**HE'S GOING TO TURN THE WORLD OVER TO THE DEVIL FOR AWHILE**, and he is going to have power. He is going to have power over the Saints and overcome them! (Rev.13:7.) But what can he do to our spirits?--Nothing! He only has power over our bodies, like he has in death.

**WHAT I THINK HAPPENED WAS THAT IN A WAY SHE KILLED ME**. But it was a wonderful feeling. It spread all over me and I fainted and I was gone. I probably what happened in the dream.

**THE ONLY THING I CAN GET OUT OF IT IS THAT THE DEVIL IS GOING TO REALLY PUT ON SOME PHENOMENAL MANIFESTATIONS** like that in the last days just to frighten people and scare them to death, "men's hearts failing them for fear", "distress of nations" and "signs in the sky" and so on. (Lk.21:11,25,26.) That was just like signs in the sky, what I was seeing. Even our own kids were really quite frightened and running for places of refuge!

**IN A LOT OF MOVIES AND TV THAT I HAVE SEEN, THE ENEMY IS PREPARING THE WORLD**. Remember, everything the Devil does is an imitation of what Christ does, the Devil has never thought up anything new. He simply imitates God's methods, he

imitates His whole organisation. He's the imitation saviour, the imitation messiah.

**YOU SEE, CHRIST'S COMING IS LITERALLY GOING TO BE AN INVASION FROM OUTER SPACE!** If you had talked about stuff like this a couple of years ago and given it spiritual names, people would have poo-pooed it. But *because they've dressed it up in all this scientific paraphernalia and scientific atmosphere and with scientific logic--spaceships, extraterrestrial beings, superior beings from outer space and so on, people will believe it.*

**THE DEVIL USED TO USE THE SPIRITUALISTIC MEDIUMS AND THEIR SOCIETIES AS HIS MEANS OF APPROACH,** all these spiritist churches and so on. But because the work of some of these investigators so discredited the spiritualistic mediums and had branded so many of them as phonies, the Devil couldn't use that direct approach anymore.

**HE HAD TO GET OUT OF THE SPIRITUAL AND RELIGIOUS AND PUT HIS MESSAGE INTO THE SCIENTIFIC so the people would accept it.** So now he's making all of his spiritualistic approaches through scientific forms and media. I know that **God** definitely engineers certain things, and I'm certain He *even allows the Devil to engineer some things.*

**INVASION FROM OUTER SPACE, WHAT A WAY FOR THE ANTICHRIST TO ARRIVE!--Just like the Second Coming of Christ!--**To arrive like he was coming from outer space, like he was a superior being, a higher intelligence arriving from some other planet to solve the world's problems. What a way for him to come!--

**IMITATE THE COMING OF CHRIST AND MAKE IT ALL SOUND SCIENTIFIC** so the people would believe him. *People will believe anything that smacks of science or sounds scientific.* If it smacks of religion or spiritually or anything like that, forget it! But if they can just make it sound and look scientific, then the people will receive him as a superior being who has come to help solve all these terrible problems we have, like a god.

**HE WILL BE LIKE A GOD TO THEM,** but his whole thing is to try to put it in a plausible scientific form that people will believe. *The Antichrist will be sort of a scientific God,* if you want to put it that way.

**SO I WOULDN'T BE A BIT SURPRISED THAT THE ANTICHRIST, THE DEVIL INCARNATE, IS GOING TO STAGE SOME KIND OF PONEY INVASION FROM OUTER SPACE.** Well, in a way, since that's *the Devil and his demons, the fallen angels, they*

are from outer space. But he is going to use human beings by possession, and is somehow going to capture this young man, this human that he's going to use for the Antichrist.

**THE MAN HIMSELF IS APPARENTLY ALREADY ALIVE.** He's going to work all kinds of miracles and do all kinds of wonders. (2Th.2.)

**APPARENTLY HE'S EVEN GOING TO BE KILLED AND THEN COME BACK TO LIFE**--the beast which was "wounded unto death" but did live. (Rev.13:3.) It's going to be just like a resurrection, another imitation of Jesus, because he is wounded unto death and yet he comes back to life.

**YOU SEE, THE DEVIL HAS A TRINITY TOO, OF WHICH HE IS THE GOD,** the Father. Then he has the Antichrist as his son, and then he has the Evil Spirit, the False Prophet. The Devil has imitated everything else--he's even going to imitate the death, resurrection and Second Coming of Christ in his Antichrist Son!

**P.S. --TO YOU, DEAR READER** Are you prepared for such experiences?

If you want to make sure that you are going to go to Heaven, and that you have the right man with you, -Jesus-, you can right now pray the following prayer:

***Thank you Jesus, for paying the price for my mistakes and wrongs, so I can be forgiven. I ask you now, dear Jesus, to please come into my heart, forgive me, and give me your gift of Eternal Life. Thank you for saving me forever, me and my family. Amen.***

(God bless you!)

MY COMMISSION  
ON EARTH

# MY COMMISSION ON EARTH

## CHAPTER 1

**B**efore I left Earth to return to My Father, I told My disciples and the many believers who would follow, <sup>a</sup>“I go to prepare a place for you, that where I am, there you may be also.”

2 And now, My dear children of David, I want to tell you the good news—that at long last, My mission is nearly complete! Yes, just a while <sup>b</sup>longer and we’ll all be joined together for eternity.

3 I tell you this to <sup>c</sup>encourage your hearts, for it won’t be long now! I tell you this that you might *keep your eyes looking upward to Heaven, that you might live in the <sup>d</sup>Heavenly vision—for it is near!*

4 At this very moment, I Myself am personally tending to every detail of the final preparations of your arrival and return Home, adding final touches to your <sup>e</sup>mansions and your rewards.

5 I’m adding <sup>f</sup>touches of splendor and glory and brilliance where needed, strokes of extra luster, a wee more dazzle and glory and shine—for you, My faithful ones, who are deserving for your jobs well done.

6 As I finish up your Heavenly abodes, as I walk down the avenues of Heaven, checking that everything is in order and ready to <sup>g</sup>receive you, the anticipation mounts within My heart!

7 All who have gone before you in the Heavens eagerly await your arrival. Just to think of this glorious mo-

ment makes My heart beat with an excitement unmatched by any other.

8 I scarce can contain the joy I have bursting inside at the very thought of your arrival! Oh, the thrill in knowing it’s only a short while longer till that magic moment when you’ll all be Home at last!

## CHAPTER 2

**I**n the midst of all this excitement, I slip away for a moment of quiet reflection. As I walk the halls of Heaven, taking a few quiet moments alone and in meditation, I pause to reflect a while on that momentous day when My Father called Me to His side to reconfirm <sup>a</sup>My great commission.

2 What a monumental day that was! I knew I was destined since the beginning to <sup>b</sup>fulfill this mission. And I knew that as We were about to discuss the details, it was going to be of great significance.

3 I was about to be faced with the opportunity to fulfill My crowning achievement of <sup>c</sup>all time. I knew that in the decision that lay before Me, I held the awesome <sup>d</sup>power to change the course of world history.

4 So My Father and I walked. We walked and We talked as the refreshing soft breeze of Heaven’s gardens sang sweet tunes of <sup>e</sup>melodic praises in Our honor. It was a sobering time as We looked down from the Heavens and <sup>f</sup>observed the children of men and the state of the Earth under man’s own rule.

5 Prior to this time, I had watched and observed the ways of man and the consequences he faced in making his own wrong choices.

6 <sup>g</sup>Since the beginning of time, I was very intricately involved and active in the affairs of mankind, yet I knew that unless I became flesh and dwelt among you, as one of you, I would not be able to fully understand human ways and be fully touched with the feelings of your infirmities.

7 *In order to feel as you do, to be <sup>h</sup>tested in all points as you are, I had to become one with you—to take on the form of human flesh in order to become a better high priest—your <sup>i</sup>mediator.*

8 I looked on man's ways with <sup>j</sup>disappointment. For if man, as a whole, had made better choices, they would have not reaped the oftentimes binding, restrictive and hurtful <sup>k</sup>results. Yet they so often chose a path contrary to the ways of Heaven.

9 As My Father and I walked, We looked and considered all that We had created, and the cries of mankind rose up in <sup>l</sup>Our ears.

10 Heartbroken for the state of the world, We counseled together, for We knew the hour had come that was ordained since the beginning of time—and now We would need to take <sup>m</sup>action to remedy the situation.

### CHAPTER 3

**I**t was then that My Father and I went over the plan that was ordained from the foundation of the Earth, for We both knew this day would come because of man's own choices, when there would be a dire

need—and the <sup>a</sup>salvation of mankind would be at stake.

2 Yet once again, My Father presented Me with the choice and a decision that I alone could make. If you, My loves, were to be salvaged from Satan's clutches, if you, for whom We created all the Heavens and all the Earth and whom We love so completely, were to make your way Home again, action needed to be taken.

3 "What must I do, Father?" I asked. "Am I to become a missionary to Earth that salvation may be given to all mankind?"

4 "Yes, My Son, precisely. For You alone, as My only begotten Son, hold the <sup>b</sup>key to redemption in Your hand."

5 In that moment the thoughts raced through My head, just to think of all that this would entail. <sup>c</sup>Leave the halls of Heaven for a time to venture out on a long journey?

6 Leave the halls of Heaven to become a missionary to Earth and the Savior of mankind?

7 Leave the halls of Heaven to <sup>d</sup>bear the burdens of all the world on My shoulders, to right the wrongs and <sup>e</sup>break the bands of wickedness that threatened your souls?

8 Leave the halls of Heaven to overcome the world and set you free?

9 Leave the halls of Heaven and undergo physical <sup>f</sup>death that you, My loves, might be set free from death forever?

10 Leave the halls of Heaven to win you back, that you might return to My everlasting arms?

11 Yes, this was My <sup>g</sup>mission, a commission that I could not refuse.

12 The task would not be easy, for in order to accomplish it, I would have to take on the <sup>h</sup>cloak of human flesh.

I would have to become <sup>i</sup>flesh and dwell among you, become one with you in every way—to live as you live, to feel as you feel, to know joy as you know joy, to laugh as you laugh, to cry as you cry, to suffer pain as you suffer pain.

13 *I would have to take on <sup>j</sup>every one of your burdens—your pain, all your suffering—on My Own frail human shoulders.* I would have to die the death of a sinner so that you might rise and live forever.

14 Looking deep into My Father's eyes and He into Mine, there was no need for further words. Every thought and every intent of My heart was made clear.

15 Neither of Us questioned as We stood in the grace and glory and majesty of Heaven, Our hearts yearning to have all of you, Our precious children, safely Home again.

16 We knew what sacrifice would need to be made. And so unfolded the <sup>k</sup>greatest love story the universe will ever know. For there is no greater love than this—the Father giving His only begotten Son that you might live. And so I prepared for My missionary journey.

#### CHAPTER 4

**I**t was amid the cheers and jubilant praises of My Heavenly sendoff, in those last parting moments before My arrival on Earth, that My Father embraced Me in His arms as never before—and We wept. So great a <sup>a</sup>sacrifice was unprecedented in all time, yet We could not change Our minds.

2 Our love for you was pure and steadfast, constant and unchanging, and We had no regrets. Nevertheless,

#### CHAPTER 4

*a* Heb 10:12  
*b* Mt 27:46  
*c* Jn 10:27-29  
*d* Pro 8:30

the tears flowed from Our eyes, for the thought of parting was indeed a great forsaking.

3 This remains even now a mystery to you, dear ones, for it will not be until you arrive Home to Heaven that you will be able to completely understand the full depth of this great, great forsaking—what is referred to in Heaven as the <sup>b</sup>“ultimate forsaking,” that you might live.

4 The tears flowed between Us in that difficult moment when it came time for My Father and Me to part.

5 Though inseparable in all Our ways, for a time I would be the Son of Man as well as the Son of God. Yet We knew deep in Our hearts that there could be no price too big to pay in order to save you, Our dear loves.

6 So what seemed bitter tears of forsaking turned to tears of joy, for We knew it would be worth it all—all Our life, all Our love, all Heaven has to offer—to redeem you. *Having you by Our sides once again was well worth all We had to give in order to <sup>c</sup>recapture you from Satan's grip.*

7 For Me, the very thought of leaving the <sup>d</sup>splendor of Heaven and all My glorious surroundings was not nearly as daunting as the thought of leaving My Father's side, for I had always known His direct presence.

8 Although I knew He would always be with Me as I set out on My earthly mission, I also knew that as I took on the cloak of human flesh, I would be venturing out to know Him in a way I had not known Him before.

9 Yes, I, your High Priest, stood in those moments on the brink of the unknown in a sense, for it was not until I became a man and walked in human flesh that I was able to be fully

touched with the <sup>e</sup>feelings of your infirmities.

10 It was in becoming one with you, as a human, that I was able to feel as you feel, to experience as you experience, and this was to enable Me to be your High Priest. I had to pass the same tests you must pass. *I had to be tempted in all things as you are tempted, and nothing was to escape Me nor slip by Me.*

11 I knew that I would <sup>f</sup>learn obedience through this experience as a man and through the things I was to suffer as I took on My earthly commission. I knew that as I became one with you in every way, I would never be the same.

## CHAPTER 5

I'm telling you this now, My loves—how I took on the cloak of human flesh, how I am touched with your feelings, how I was <sup>a</sup>tested as you are tested—that this one thought might encourage your hearts.

2 As you enter the great days ahead, let this spark your faith. Think on these things, My loves, and know that if I was <sup>b</sup>tempted in all points as you are tempted, and if I could make it, you can make it too.

3 *I held on to Heaven and Heaven <sup>c</sup>held on to Me—just as Heaven will hold on to you, as you call on Me.* Though the dark days are falling, Heaven will bring you <sup>d</sup>through to victory time and time again.

4 Let this thought encourage your hearts, and remember that in flesh I was no different than you. I had to make the same choices. I was faced with the same tests. I had to experience the same battles and trials.

5 This was My great testing: to be-

<sup>e</sup> Heb 5:2

<sup>f</sup> Heb 5:8

come a man, to take on <sup>e</sup>human flesh and all its frailties and weaknesses, so that you could live forever. Think about this, and let it spur you on in the days to come, that just as I resisted the wiles of Satan, so can you, through My Word and the eternal victory which I have already given you!

6 I was the Son of God, encased in frail human flesh. I took on your form so that I might better understand you. And in order to understand you fully, I had to make Myself <sup>f</sup>subject to the same weaknesses you battle.

7 I had to know what it was like to endure, to fight, to withstand, to resist temptation, to feel weary. In order to fully understand you, I had to <sup>g</sup>experience these things.

8 And yet I came with another mission as well—not only one of understanding you, but helping you to understand Me and My love, and My <sup>h</sup>Father's love.

9 To do that, I had to retain My knowledge of Heaven, My knowledge of My mission on Earth, and the connection with My Father, in order to <sup>i</sup>pass those things on to you and be a sample of the love that we have for each of you. But I had to fight to keep the vision just as you have to fight to keep the vision.

10 When I say that I was no different from you, I mean that at any time I could have chosen to stop what I was doing, to quit the mission of love that I was on. I could have said that it was too difficult, that I was too <sup>j</sup>weary, that I was not received as I should have been. It's much the same with you.

11 *You have more of My Word and My*

12 I have put within you the knowledge of these things, and continue to feed you the New Wine of Heaven so that you might have the strength, as I had the strength, to complete your mission.

13 But, like it was for Me, it is your choice. My Father could not do it for Me. Each day I had to decide anew. I had to <sup>k</sup>rise early when I was tired in order to go out and commune with My Father and receive strength for the day.

14 So it is with you. The <sup>l</sup>same communication with Heaven is available to you, My precious ones.

I too was <sup>d</sup>tested and tempted, and I too felt weary and tired. But My Father gave Me strength to hang on, just as I give you strength, as you look to Me.

3 It won't be long now, My precious loves, before you are joined with Me in Heaven, <sup>e</sup>never again to have to experience the severe testings of Earth. I love you.

of how I forsook all and came down from Heaven because I want you to know the great, <sup>f</sup>immense love that drives Me to you.

5 I want you to know that though My forsaking was so great, I have no regrets. I want you to know, My dear ones, how greatly I anticipate the day when we will be <sup>g</sup>reunited in our Heavenly Home.

6 I tell you this at this time so that you might keep your eyes on Heaven and *let this be the driving force in your lives in the days ahead.* For this truly was My key to victory—*I had to keep My eyes on Heaven. I had to set My face like a flint and live with the <sup>h</sup>vision of Heaven ever before Me, and this pulled Me through.*

7 Therefore look up, dear ones, for the time is <sup>l</sup>near when we will be reunited in our Heavenly Home! And oh, what a day that will be! How My love for you thrives!

8 Therefore, draw on this <sup>l</sup>love so that it may carry you through the days ahead, even as I, when I walked on the Earth, also learned to draw on My Father's love and it carried Me through. It carried Me back Home to Heaven. My <sup>k</sup>love will do the same for you, as you depend on Me to carry you through.

## CHAPTER 7

**N**ow, My loves, as I'm putting the final touches on your Heavenly abodes, making ready to receive you Home, you too must continue your <sup>a</sup>preparations.

2 Make them sure, make them steady, and make yourselves <sup>b</sup>ready for that glorious day, as you prepare yourselves for the final hour.

3 This is your commission now:

Prepare yourselves, for the night is falling. And remember, I am near.

4 Open your eyes and know that the time is fast approaching; it is even now at the doors. World conditions are worsening at breakneck speed and there is no turning from the course which they have set themselves upon.

5 Now is the time, My brave children of David. This is the eve of the great day of miracles! Though the night falls upon the face of the Earth, these are the days when you will shine; therefore, prepare!

6 *This is the eve of the days of great signs and wonders that I will do on your behalf.* Therefore, be glad and let this encourage your hearts, for I am here to see you through.

7 *Mark your days and use them wisely.* Prepare by continuing to read, absorb, and drink in all that I have rained down upon you these many months.

8 *Prepare yourselves by hearkening to My voice, by receiving My Words.* Let them be your guiding light.

9 Continue to move forward, ever forward, onward and upward. For as you fix your eyes on Heaven, Heaven will shine down upon your faces, and this will give you strength.

10 Be encouraged, for the time is near when I will descend from above with a mighty shout! Every eye will see, and every ear will hear as I rock the Earth in that day of great and final victory, final triumph, final overcoming, as we are joined once again, never more to part.

11 It won't be long now, My loves! The day that I have long awaited draws near, and your glory will shine from the ends of Earth and throughout the Heavens.

12 You will shine with the glory of

13 You will glow with the light of victory, for in Me you will have overcome! Yes, you will shine! Not with your own light, but because of your yieldedness!

14 You, My brave and valiant ones, will be highly honored before all nations, because you held on, as I held on. Therefore be encouraged and prepare to march on strong!

## CHAPTER 8

I left the halls of Heaven for you! When My Father commissioned Me to leave the great halls of Heaven to bring you His message of love,

2 I felt a mix of emotions. On the one hand I was excited with the thrill of a great commission. I was raring to go! I was bursting at the seams to tell the good news, to turn things around, to turn things right-side up on My mission field of the Earth.

3 And yet in many ways I was scared of falling, and of failing. I struggled and found it difficult to leave the warmth and security of Heaven.

4 I was tempted to say no, and for a while I almost didn't want to let go. The task seemed too great! The thought of leaving all the splendor and all the glory of Heaven was almost more than I could comprehend or accept at first.

5 But I obeyed, I went, and I soon found that the love I had within—the love of Heaven—was love enough to sustain Me.

6 I went out, and it was a rude awakening at first! I quickly learned that it was going to take a little time. My

mission was not going to come about in one swift fell swoop of an overnight change. I found that things were not as I had expected.

7 There I was, so eager to see things change and to win others into the Heavenly realm. But My Father, in His loving wisdom, had a plan, and we're all a part of this plan. I had to come to the realization that I, too, needed to learn further precious lessons.

8 And so I continued, and I learned through the things that I suffered. I learned through My obedience.

9 As I kept going, I learned that I could carry Heaven in My heart, and that I could spread it to others. I went, and I learned that Heaven was in Me, a part of Me, and no man could ever take it away. I went, and *I learned that My Father's loving hand would not fail, could not fail. I kept on, and I kept obeying, and the <sup>a</sup>glory of Heaven was made manifest in Me.*

### CHAPTER 9

**L**ook at my sample and be <sup>a</sup>encouraged. As I went, I learned patience, for things were not always as I had expected.

2 Peter, James, John, Andrew and the others didn't always <sup>b</sup>catch on as quickly as I would have liked.

3 They didn't understand at first when I tried to share with them about <sup>c</sup>the great love in My heart, the great love of Heaven, the great love that I wanted to give. I tried to help them, but they needed time to be able to grasp it all.

4 I tried to explain to them about the <sup>d</sup>glory and the splendor of Heaven. I tried to help them see that they, too,

### CHAPTER 8

**a** Jn 1:14

could have it in their <sup>e</sup>hearts, but again, it took some time. Each one caught on at a different pace.

5 So I had to go slow. I had to be <sup>f</sup>sensitive to each individual, to each need. I had to handle each tender heart accordingly.

6 It was a test of My patience and My love. I found that although My Words were important, the <sup>g</sup>living sample of My love was more easily understood. Many times I needed to take the time to love them, to <sup>h</sup>show the way.

7 I kept on, and I learned how to be a plodder. I learned how to take things a step at a time. *I learned <sup>i</sup>faith. I learned how to look up to My Father above. I learned how not to give up. I learned many things through that which I <sup>j</sup>suffered.*

8 I missed the constant peacefulness and tranquillity that I had known in Heaven, but I soon learned it was right there in My heart all the time.

9 It was always with Me—*I just had to tap in and avail Myself of the <sup>k</sup>peace* that passed all understanding. I felt the burden and the press of the people.

10 I heard the noise and <sup>l</sup>felt the confusion, the worry and the tension. It was so real, and I was right there in the middle of it. I felt their anxiety, I felt their <sup>m</sup>pain. Through it all, I was touched with the <sup>n</sup>feelings of their infirmities, and I learned compassion and tolerance.

11 Often I wanted to be able to just snap My fingers and set all things in order. I could have called down all the <sup>o</sup>legions of Heaven to set things straight. But it didn't work that way, and My Father didn't plan it that way. 12 He knew that I needed to learn, and that I would learn, and that the

others would eventually learn too, and come around to being set free and following closer. He knew that the lessons I was learning and the choices I was making, and others, too, were of far greater importance and would bear far greater fruit. He had a plan and purpose and it was all being accomplished.

13 With each passing minute, with each <sup>p</sup>test of My patience and each test of My faith, I was learning, and I was becoming what the Father wanted Me to become.

14 I was being groomed for greater things ahead. I was being prepared to face the greatest decision of My life.

15 My Father knew the importance of this great decision. He knew how much was hinging on My weak shoulders, yet He was so lovingly preparing Me, teaching Me, guiding Me, strengthening Me. And the others were learning. They, too, were becoming what He wanted them to become. All things were working together for our good.

16 I was learning how to pray. With each situation, each difficulty that would arise, when I was tempted to lose My patience, lose My temper, lose My cool, when I didn't know what to do, I had no place to look but up—up to Heaven, up to <sup>q</sup>My Father.

17 And through it all He taught Me how to pray. Yes, I learned all these things when I went out from My bubble of love, this Heavenly abode. I had all the truth of Heaven within, and yet it took time to teach others. It took <sup>r</sup>patience to love. It took wisdom to give. It took longsuffering to keep plodding along day by day.

19 *I learned to lean on Him with all My heart and all My soul and all I had in Me, and in this leaning I found My <sup>s</sup>strength.*

## CHAPTER 10

**I**knew that Heaven was real. I knew the love of the Father. I knew the splendor of Heaven! This kept Me going, and it will keep you going too.

2 It lived in My heart, and no <sup>a</sup>problem was too big, no difficulty was too hard, no mountain was too high to take that away. *As long as I kept My eyes on Heaven, I was sustained.* As long as I looked to My Father, He gave the answers that I needed.

3 I was tempted, I was <sup>b</sup>buffeted, and I had to make choices whether to fight on or not. I had to decide if I was going to hold on or give up.

4 Even though I knew all the glories of Heaven, I too, was <sup>c</sup>tempted time and again to give in to peer pressure or to compare Myself with others. I was *tested on My obedience, on My yieldedness, on My faithfulness in even the littlest things.*

5 I had to choose to love. I was tested on My love and how I was going to love. I had to choose to <sup>d</sup>forsake all, and I had to keep forsaking all. I had to choose if I was willing to share those closest to Me with others. I had to decide whether I was going to share love or live selfishly.

6 When the Devil took Me up to a high mountain to show Me all the <sup>e</sup>kingdoms of the world, I had to make difficult choices. *I had to decide if I was going to live a worldly life, or live for Heaven.*

7 I was tempted, and the fight was

long and hard! Finally, I had to make the hardest choice of all—the choice of whether or not I wanted to die for you. But I made the right choice, and I have never regretted it!

8 *I have never been sorry, because you are the <sup>f</sup>fruit of My right choices. You, My precious Bride, are worth every bit of it! Because I made the right choices, here you are in My arms today!*

9 So don't forget that as the Devil fought Me, he'll also <sup>g</sup>fight you. But don't be afraid, for I will help you, <sup>h</sup>if you'll look to Me.

10 Just as *I kept My eyes straight ahead, firmly fixed on the Father, and He held me and sustained Me* and helped Me to make the right choices, *I will do the same for you.*

## CHAPTER 11

**R**ising a great while before day, I went out into a solitary place, and there <sup>a</sup>prayed.

2 I needed that time alone. I needed that <sup>b</sup>time between Me and My Father—for refreshing, for clarity of thought, heart and spirit, for those were busy days. I was surrounded by My team, who needed so much care, love and training. There was always so much to teach them.

3 They were fun, I enjoyed them! They were wonderful folks. <sup>c</sup>Each one was special, each one was different. Some were simple, some were quite bright and clever, others were talented—special people, I'd say. <sup>d</sup>Each one had his own mind, his own will, his own heritage and background that made him unique, special and different.

4 Learning to <sup>e</sup>shepherd and care for them and lead them was a chal-

lenge for Me—wooing them, winning them, understanding them, convincing them, cajoling them, staying a step ahead and leading them, encouraging them to follow, even though most of the time I realized that they <sup>f</sup>didn't understand where we were going.

5 It was a great learning experience for Me, as well as a time of My biggest ministry while on Earth in the flesh.

6 But in order to endure and to perform the role that I was called to play during that time, it was imperative that I had those little <sup>g</sup>times away, those little breaks where I could get strengthened, where I could look down the road.

7 I needed times when I could step back from the face-to-face, hands-on care of those around Me and the immediate situations that I had to deal with continually throughout the day while in action with My team, traveling around witnessing, laying the groundwork for all that was to come in the future.

8 You may not see down the road as much as you would like, but *the important thing is that you stay with Me, that you keep your <sup>h</sup>face turned toward Me.* Having done that, as you look back you'll see how I led step by step.

9 *Get away like I did—somehow, some way, some place—for quiet time with Me and Me alone.* Remember how I got up early and went out, up into the mountain to pray? I had to, otherwise I wouldn't have been able to carry on.

10 But when I did, it was so wonderful! In those times I was able to fill up and be refreshed. I would breathe

of the Heavenly air and <sup>i</sup>receive power—such magnetic power from on high!

11 When I launched out in the days of My earthly ministry, I had no earthly shepherds to look to. My Father above and My earthly parents had poured into Me. They had prepared Me, and the time came when I was to move on to a new phase of My life. It was during those days that I <sup>j</sup>grew into full stature and full usefulness.

12 There were many times that I felt those around Me did <sup>k</sup>not care, that they did not listen, or were not willing to take correction. I felt the burden and the strain and the loneliness of leadership, of shepherding; but it was in those times *I learned to <sup>l</sup>lean on My Father, to draw strength from Him, and I found faith to carry on.*

13 I passed many long and lonely hours and was tempted by Satan time and again, wondering if it was really worth it all.

14 When My poor bungling babes, and even My most trusted veterans, seemed aloof, irresponsible, distant, and not pulling the load, this was a test for Me. I was a <sup>m</sup>Man of sorrows and acquainted with grief—sometimes being <sup>n</sup>tempted to wonder if they would ever catch on.

15 I was tempted many times with an overwhelming feeling of “What is the use?” But this compelled Me to look up, to lean heavily on My Father above.

## CHAPTER 12

**O**n My great mission, I faced extreme, difficult conditions. Not only were My disciples and I living in very close quarters, but many times

the extreme discomforts of living outdoors much of the time took a heavy toll on us physically.

2 While living on the road, we often faced the uncertainty of not knowing where we would <sup>a</sup>lay our heads at night, and this was difficult.

3 It was a fight and took concentrated effort on My part to find a place of quiet and rest where the crowds could not molest.

4 Everywhere I walked, everywhere I went, I was in demand. I was in the limelight of the crowds who expected Me to pour out, or I had to fight off <sup>b</sup>scoffers, scorners and those who would seek to do Me harm. This often was draining, and I was sometimes tempted to fall under the weight of it all.

5 I lived in extreme conditions on every side. I felt the <sup>c</sup>pressure in the confines of My close fellowship with the twelve, and from the multitudes to whom we ministered.

6 I faced many, many long lonely hours, and I longed to have that direct, face-to-face, personal contact with My Father above. I longed for those days of Heaven I once knew, where I was protected within Our bubble of counsel and <sup>d</sup>fellowship, and where I had always received direct, loving oversight.

7 I even came to the point, in a lonely moment, when I felt so <sup>e</sup>forsaken and I was tempted, asking My Father, “Why have You forsaken Me?” Yes, I know. I understand the burdens, the weights that you feel. For I felt the pressures and the burdens and the loneliness of leadership.

8 *It was through all these testings, it was through this precious time that I grew into full stature. It was through all*

these experiences and times of loneliness, when I was tempted to despair, that My <sup>f</sup>direct link to Heaven was established.

9 It was during this time that I was put to the test, that I was able to lean wholly on My Father above, and in leaning, find My strength. It was in those lonely, dark hours that *I found in all My leaning that His strength was enough to see Me through.*

10 It was out of what seemed like deep, dark experiences that I discovered the <sup>g</sup>power I had at My fingertips, and not only at My fingertips, but within Me.

11 It was through these trying times that I grew to learn that all this was necessary to make Me into what I needed to be. For had I not passed through these testings—had any of the circumstances been different—I would not have been so desperate to call on My Father.

12 I never would have learned what He was able to do through Me, through My frail fleshly state. I learned that in My flesh I could do nothing, but *in the power of the Spirit, through these deep experiences and trying times, as I called on My <sup>h</sup>Father, I was able to avail Myself of His full power.*

13 I became flesh that I might fight for you, that I might understand you, that I might be your <sup>i</sup>Intercessor, that I might be your <sup>j</sup>Good Shepherd. And all that you are passing through, I will use to make you into what I want and need you to be, if you will only look to Me.

14 For as My Father led Me, carried Me, and worked through Me during My time on Earth, so will I carry you. <sup>k</sup>For as My Father was with Me, so am I with you.

15 For just as My Father could see the full range, the full picture, so do I. I know and I see and I am able to guide you like no other. I see every angle, not only from an earthly perspective, but from the <sup>l</sup>Heavenly.

16 Please remember to take this time. You're going to need it even more than I did, because as I promised, you are going to do even <sup>m</sup>greater works than I did. The world is even darker now in these Last Days, and *you are going to need even more power than I did when I walked in the flesh.*

17 You are going to need it in order to be able to stem the tide of <sup>n</sup>iniquity that has covered the Earth. But don't worry! You've got <sup>o</sup>nothing to fear.

18 Keep your eyes right Here on Heaven. Keep coming, keep loving Me the way you have been, and know that I am with you <sup>p</sup>always. I hold you in My everlasting <sup>q</sup>arms.

### CHAPTER 13

**L**ook to My Own example. For when I was faced with the crowds and the multitudes, I knew I could not solve the problems. How was I ever going to come up with <sup>a</sup>enough food to feed 5,000 people from a mere five loaves and two fishes?

2 That was an impossible task! But I did not worry about it! I could not worry about it. I only had to accept, by saying, "Yes, Father, You are right, I cannot do this. I cannot, but You can." And My Father did! He did what I, in My Own strength, could not do.

3 And you know, I did not feed those 5,000 by organizing fishing boats and sending My disciples out to catch fish first thing. I fed the 5,000 *by quiet trust and full assurance, knowing that what*

*"How was I ever going to come up with enough food to feed 5,000 people from a mere five loaves and two fishes?"*

*My Father had promised, He was also able to <sup>b</sup>perform.*

4 All I did was look up and <sup>c</sup>cast My burden on My Father. He sustained Me, and He sustained the crowds, and 5,000 ate that day. But I had to truly trust first.

5 I had to take the stand of faith first for My Father to do the miracle. Afterward came the organization and distribution of the goods, but the quiet trust and the stand of faith came first.

6 The situations and the problems and the burdens and the presses of the people about Me were many—the aches and the pains and the agonies of the people, the cries about Me of, <sup>a</sup>“It can’t be done!”

7 Many of My followers were tossed and tumbled about with <sup>e</sup>doubts and discouragement on every side. I heard the <sup>f</sup>cries and the groanings, and they weighed heavily upon Me. The problems at times seemed insurmountable—and they were! It was too hard for human hands.

8 Yet that is when I learned to truly trust, to truly lean, and to cast My cares upon My Father. That is when I *learned not to settle for the human, but to trust in the divine.*

## CHAPTER 14

**I** understand the depth of <sup>a</sup>forsaking, for first I had to forsake My Father to go to earth. And then I had to forsake those that I <sup>b</sup>loved so dearly to return unto My Father.

2 I understand the depth of pain and affliction, for I screamed out in pain as the nails pierced My hands and My feet. And I understand the feeling of being <sup>c</sup>forsaken by those that loved Me, yea, even My own <sup>d</sup>Father, and thus I cried out, ‘My God! My God!

Why hast Thou forsaken Me?’

3 And I understand the depth of fear, fear of facing that which is ahead, for the pain and the sorrow that it shall bring. And so I said, <sup>e</sup>“Father, let this cup pass from Me.”

4 And I understand the depth of the feeling of loss when those who loved Me most <sup>f</sup>forsook Me as I was carried away into captivity. And I know the depth of hurt to see one that you love betray you, even as Judas <sup>g</sup>betrayed Me with a kiss.

5 For am I not a High Priest that is touched with the feeling of your infirmity? Do you think that I do not understand these things, and that I do not have great <sup>h</sup>compassion on you?

6 My heart breaks for you, to see you in your pain and in your struggle, and in the fire of testing, of trying, of purging.—When you feel so hopeless, so lost, so forsaken, when you grasp with all your might and yet you feel as if there is nothing to grasp any more.

7 And though My Father did not let this cup pass from Me, and though I saw My loved ones flee from My side in time of trouble, and this one that I loved betray Me, and though the nails pierced My hands and pierced My feet, and though with many stripes I was beaten, and though I felt as if My Father had forsaken Me, and though I had to pass through the deepest of Jordan, the Jordan of death, yet it all brought about such great <sup>i</sup>victory, such great renewal, such great salvation.

**W**hen I walked on Earth as a man, as I lived the doctrine that had been given to Me from My Father, I was able to build a solid rock <sup>a</sup>foundation and I was filled with <sup>b</sup>wisdom from above.

2 It was in living the doctrine that I became a wise man. *My source of strength was in living the <sup>c</sup>doctrine—the Word that had been given Me from above.*

3 Had I not lived the doctrine to the <sup>d</sup>full, I might have been able to do some good to help a few of those who sought My help—perhaps a little here and a little there—but I would never have been able to fin-

4 As I followed and obeyed, I discovered that *only in living the doctrine to the full was I able to receive the strength, wisdom and power from My Father above in <sup>e</sup>full measure.*

5 The servant is not above his Lord, and as it was for Me, it is the same for you. *If you want to receive My full power, then <sup>f</sup>live My Words to the full.* If you live My doctrine only in part, you will like-wise only be able to avail yourselves of My strength and power in <sup>g</sup>part.

6 With what <sup>h</sup>measure you follow My Words, by this measure is wisdom, happiness, joy, peace and fulfillment measured back to you again.

7 Following <sup>i</sup>closely on My mission field was what kept Me going and gave Me the strength and power to witness, and this carried Me through. The <sup>h</sup>thrill and the excitement of seeing one soul saved made it worth it all.

8 The many problems and the burdens and pains and press of the people melted away every time I was able to see the <sup>k</sup>mighty power of My Father’s hand as I tapped in and wrought miracles.

Leave the halls of Heaven to  
become a missionary to Earth  
and the Savior of mankind?

Leave the halls of Heaven to bear the  
burdens of all the world on My shoulders,  
to right the wrongs and break the bands of  
wickedness that threatened your souls?

Leave the halls of Heaven to overcome the  
world and set you free?

Leave the halls of Heaven and undergo  
physical death that you, My loves, might be  
set free from death forever?

Leave the halls of Heaven to win you  
back, that you might return to My everlasting  
arms?

Yes, this was My mission,  
a commission that  
I could not refuse.
